Kinmount.

(Correspondence of the Gazette.)

Mr. M. Gatchell is taking his family to Fenelon Falls this week. His many friends will miss him, but it is to be hoped that his smiling face will often be seen again at Kinmount.

The public library basket social was a success. The highest offer for a basket was \$1.75. This is pretty nearly enough to pay for the privilege of having supper with your best girl.

The Rev. James McEwan left Kinmount on Monday morning for a three weeks' visit to his friends at London.

On the same morning Mrs. J. Kingsboro went away for a few holidays. Johnny doesn't look lonesome yet.

The Kinmount brass band is making rapid advancement under the leadership of Mr. R. B. Sylvester.

Powles' Corner.

(Correspondence of the Gazette.)

A tin wedding was celebrated at Mr. Robert Cooper's on the evening of Monday last, the 4th inst. Mr. and Mrs. C. have been married ten years, and have lived very happily together. Invitations were extended to their warmest friends and relatives, who assembled to celebrate the anniversary. The worthy couple have our best wishes for their continued happiness and prosperity, and that they may live to celebrate their golden wedding.

Last Tuesday Mr. John Minthorn was taken very sick, and Dr. Graham of Fenelon Falls was sent for to attend him. We are pleased to learn that the patient is feeling a good deal better. As he is about 95 years old, the infirmities of age are of course telling upon him.

If fall wheat and clover are good this year it will be a wonder, after so much cold and windy weather.

The home of Mr. Wesley Perrin has been made happy by the arrival of a baby girl. Mother and child are doing well.

EASTER HOLIDAYS.—The public schools closed to-day for the Easter holidays, and will re-open on Monday, the 18th inst.

DENTAL NOTICE.—Dr. F. A. Walters, dentist, of Lindsay, will be at Twomey's Hotel, Fenelon Falls, on Tuesday next, the 12th inst.

A Sunderland lady writes Dr. Neelands that he had made her a successful fit after having eight sets of teeth made in Toronto and elsewhere.—431f

IN THE LOCK.—Mr. John A. Ellis's little steamer *Dawn* and the barge *Chemong* were laid up during the winter in the lower lock, and men are now at work doing the repairing necessary to fit them for the season's traffic.

NEW ADVERTISEMENT.—We direct the attention of our readers to Mr. Jas. Arnold's big advertisement on our first page. His specialties are boots, shoes and groceries; and, by close buying and cheap selling, he has worked up a satisfactory business, which judicious advertising will help him to increase. Give him a call.

THE STAVE FACTORY.—The machinery in the new stave factory was set going for a trial trip on Monday last, and, everything running satisfactorily, the season's work was commenced next morning, with the full staff of about fifteen hands. Everybody hopes that the proprietor of the new industry, Mr. Thornton, will do a large and profitable business, of which there can be but little doubt, as any quantity of elm and basswood can be obtained at reasonable prices.

CAPT. WILLIAMS' BUDGET.—Everybody is invited to come and hear Brigadier and Mrs. Read on Saturday and Sunday, April 9th and 10th. They will lead meetings in the S. A. barracks, and on Monday evening, April 11th, Mrs. Read will give an address on the rescue work of the Dominion. Mrs. Read ranks amongst the best speakers of the day, and the thrilling and soul-stirring incidents that have come under her notice as secretary of the rescue work for the Dominion make her ad-

resses very interesting. Rev. Mr. Steel will occupy the chair. Door open at 7 o'clock and silver collection on the door.

TWO WAYS.

Of getting glasses. One to go to a first-class optician, have your eyes properly tested and get what you need—the other to go to a merchant who keeps spectacles, make a "grab in the bag," as it were, get a pair that don't fit you (although it may seem so for the moment), and run the risk of ruining your eyesight entirely.

We are careful and accurate in our examinations, and advise you the safe and most comfortable course to pursue.

Sloan's Indian Tonic

Cures Piles, Constipation, Sour Stomach and Sick Headaches.
Mr. R. G. Kennedy, builder and contractor, No. 304 Perth Ave., Toronto, says:

It is the best medicine I ever used. I was troubled with piles for many years, and always in misery. I suffered so much during this time that I often wished death would come and end my sufferings. I spent a great deal of money trying all kinds of medicines, but received no benefit until I tried Sloan's Indian Tonic. It relieved me almost instantly and effected a permanent cure. I will never be without the medicine as long as I can procure it. It is a model blood purifier and will stimulate the whole

body. You are at liberty to use my name in declaring the great healing qualities of Sloan's Indian Tonic, and all who purchase one bottle will soon perceive its good effects
