

James's Church here on Sunday next, morning and evening. Mr. Goodheart will also lecture on Tuesday, Sept. 27th, in St. James's Church, at 8 p. m. on "My Early Days in the Land of the Czar," "The Persecution of Jews under Russian Government," "Will the Jews return to Palestine?" "Why I became a Christian." Hebrew songs will be given. We feel sure that all who heard Mr. Goodheart in May will wish to hear him again. The lecture is free, but a collection will be taken up to help defray Mr. Goodheart's college expenses; for, though born of wealthy Jewish parents, he has suffered the loss of all things for Christ's sake. We trust the collection, like the last, will be a liberal one.

#### Powles' Corner.

(Correspondence of the Gazette.)

A good temperance man said not long ago that he had seven good reasons for voting for prohibition, and when asked what they were he said: "Four sons and three daughters."

The prohibition meeting held here last Wednesday was well attended; the number of heads of families was few, but the young people turned out well. The speakers were Mr. Thornton, Dr. Gould, and the Rev. Mr. McKinnon from Fenelon Falls. The Rev. Mr. Leitch occupied the chair. Mr. McKinnon made a very able address, the best of the evening. It is a great pity that there are not more men in this

country like the above named gentleman. The choir did their duty, with Miss E. Jeffery as organist.

The population is still on the increase. A little baby girl has recently made its appearance at the home of Mr. James Mitchell.

The fall wheat and the turnip crop need more rain.

ACETYLENE GAS.—This illuminant appears to be growing in popularity, as it gives great satisfaction and is cheap. Mr. Burgoyne is introducing it into his store and Mr. Wm. McArthur into his house, and Mr. Hopkins of Kinmount has ordered a machine of sufficient power to light his various places of business. A handsome set of brass and glass fittings, to be used in his dwelling, may now be seen in Mr. McGee's shop window.

A Sunderland lady writes Dr. Neelands that he had made her a successful fit after having eight sets of teeth made in Toronto and elsewhere.—43tf

S. A. AT HOME.—There will be a hallelujah lassies' At Home at the S. A. Barracks on Tuesday night, Sept. 27th. They will be assisted in the entertainment part by the Rev. R. H. Leitch and Drs. Wilson and Gould and other outside friends. Rev. Mr. Leitch and Rev. Mr. McKinnon are expected to address the meeting. The ladies of the corps will undertake to satisfy the most fastidious in the line of eatables. Admission: single ticket 15c., double, 25c., children 10c. Proceeds in aid of local funds. All who attend will have a pleasant time.

ACCUSED OF THEFT.—About a fortnight ago two brothers, William and Francis Tethern of Lindsay, were arrested while cutting wood on "drowned land" forming part of lot 32 con. 9, Fenelon, the property of Mr. John Daniel, reeve of the township. They were released on bail, and on Tuesday last appeared before Col. Deacon at Fenelon Falls, where, after some of the evidence had been heard, the case was adjourned until Saturday, when it will be disposed of at Lindsay. The men said that before going to cut the wood they had spoken to Mr. Thos. Walters, who expressed the opinion that, as it was dead and of little value, they would not be interfered with; and that they did not know they were doing wrong until Constable Nevison appeared with a warrant for their arrest.

Beerbohm estimates the European wheat crop at 240,000,000 bushels more than last year.

### NEWSPAPER LAW.

1. A postmaster is required to give notice by letter (returning the paper does not answer the law), when a subscriber does not take his paper out of the office and state the reasons for its not being taken. Any neglect to do so makes the postmaster responsible to the publisher for payment.

2. If any person orders his paper discontinued he must pay all arrearages, or the publisher may continue to send it until payment is made, and collect the whole amount, whether it is taken from the office or not. There can be no legal discontinuance until the payment is made.

3. Any person who takes a paper from the post-office, whether directed to his name or another, or whether he has subscribed or not, is responsible for the pay.

4. If a subscriber orders his paper to be stopped at a certain time, and the publisher continues to send, the subscriber is bound to pay for it if he takes it out of the post-office. This proceeds upon the ground that a man must pay for what he uses.

5. The courts have decided that refusing to take newspapers and periodicals from the post-office, or removing and leaving them un-called for, is prima facie evidence of intentional fraud.
