Kinmount.

(Correspondence of the Gazette.)

The vote polled in our village on the temperance question was rather small, but three votes were polled for prohibition to every one against.

On the evening of the day of the plebiscite vote a very successful basket social was held in aid of Kinmount public library. On account of the innocent amusement and the absence of anything that would be out of harmony with the most refined tastes, these socials have become very popular. Perhaps better methods could be found for raising money for church purposes, but the enjoyment covers a multitude of empty pockets owned by the male portion of those who attend them. Although held some time ago, it will not be out of place to mention two basket socials held at the homes of Mr. Chynoweth and Mr. Walker, in aid of St. James's Church, Kinmount. The good feeling that prevailed showed that people know how to enjoy life aright, and banished the feeling that is apt to creep over a person that we are here on this earth to make money and make our neighbours out to be heathens.

The members of the Baptist Church are very sorry to lose Rev. J. T. Jones, who has spent the summer months with them. Rev. H. S. Erb, formerly of Wakefield, will at once take his place.

Powles' Corner.

(Correspondence of the Gazette.)

A larger vote would have been given for prohibition if the Government had been wise enough to have postponed the election until January, 1899, as the electors would then go out to vote at the municipal elections and at the same time cast their vote on the plebiscite, and a large amount of money would have been saved.

Mr. William Powles was the first to vote at Cameron for prohibition on the 29th.

Mr. George Williamson has moved into Mr. John Knox's house.

SALVATION DRAMA.—The Salvation drama of "The Modern Prodigal" will be given in Dickson's hall on Saturday evening, 15th inst. In this drama 38 persons take part. Life in different phases will be illustrated, but the prodigal son is the chief character. Admission 10 and 5c.

An endless variety of Sailors at Mrs. McDougall's.

A BARGAIN.—Mr. Robert Umphrey of Burnt River has purchased a thoroughbred Leicester ram, two and a half years old, from Mr. William Smith-eram. He got it for \$12, which was a decided bargain, but Mr. Smith-eram has had the animal as long as he needed it, and let Mr. Umphrey have it at less than its value to improve his flock.

Call and see the "Dewey" Sailor at Mrs. McDougall's.

NEW BUILDING.—Mr. George Martin has had an addition 10 x 27 feet built on the east side of his stable; part of it as a shelter for his buggy and the remainder to form an ice-house. The new building isn't very large, to be sure; but so little in the building line is now going on at the Falls that anything in that direction is worth noticing.

See the line of sample Walking Hats at Mrs. McDougall's.

A MERRY-GO ROUND.—Messrs. Curtis & Sharp, of Lindsay, brought their "merry-go-round" to the Falls last Friday, set it up on the market square on Saturday and did a thriving business in the evening, every youngster who could obtain five cents rides log it in a ride. The outfit cost, we are told, about \$1,500, but as it is capable of earning at least \$20 an hour, and the horses and organist require neither food nor wages, the proprietors no doubt make a good profit on their investment.

SMASHED.—About 7 o'clock on Wednesday evening, Mr. Jimmy Dew, crossing the main street in his usual happy state of conviviality, stumbled when he reached the sidewalk and pitched head foremost against one of the plate glass windows in Mr. Burgoyne's store and smashed it all to pieces, without the least injury to himself. It cost about \$50, but the loss is covered by insurance. Who would think that glass nearly a quarter of an inch thick could be broken by a heavy dew?

PERSONALS.—Miss Minnie Clark is home from Chicago, and will remain about three weeks. Mrs. F. J. Gray of Orillia, (nee Margaret Duffy) is visiting friends at the Falls. Mrs. Duncan McIntyre left a few days ago to visit her daughter, Mrs. Albert Fraser, at Yearly, in the Muskoka district. Mr. Fred Gainer of Minden was at the Falls this week, visiting his brother, Mr. S. S. Gainer, and "taking in" the show. Mr. George Lytle of the *Watchman*, Lindsay, was at the Falls on Wednesday.

A PARTRIDGE AT CHURCH.—When Mr. Wilkinson, the caretaker of St. James's church, went on Sunday morning to attend to his duties, he found a partridge flying around in the building, and a broken pane of glass in one of the windows showed how the intruder got in. The bird, which was a fine plump one, was caught and killed, and Mr. Wilkinson took it home to be cooked. Partridges appear to be very plentiful this year, or tamer than usual, as our village sports shoot a good many of them.

A beautiful assortment of Velling in all the newest spots and colorings at Mrs. McDougall's.

A SERIOUS MATTER.—An exchange says:—"Some people think it is funny to send items to the press which have no foundation in fact, and very often contain a hidden meaning, that is, to say the least, disreputable. It would be well for such to remember that under section 429 of the Dominion Criminal Code it is enacted that 'everyone is guilty of an indictable offence and liable to two years' imprisonment who, with intent to injure or alarm any person, sends, causes or procures to be sent, any telegram or letter or other message containing matter which is known to be false.'"

MILL ACCIDENTS.—On Tuesday last Mr. Joseph Toranzo, a sawyer in the big mill, had his right leg badly jammed by the rolling of a log out of which he was chopping a stone. The same leg was broken by a similar accident about a year and a half ago. On the same day Mr. Thomas McGlory, another employee in the mill, met with a painful accident in a rather singular manner. He was sitting on the bumpers of two partly loaded lorries that were standing a few inches apart on the track at the "boardway," when the yard engine backed up and pushed the cars together, and the iron hooks on the bumpers caught him, one on each side, just below the hips, and gave him a terrible squeeze. Neither of the accidents was very serious, but both men will probably be off work for several days.

TWO WAYS.

Of getting glasses. One to go to a first-class optician, have your eyes properly tested and get what you need—the other to go to a merchant who keeps spectacles, make a "grab in the bag," as it were, get a pair that don't fit you (although it may seem so for the moment), and run the risk of ruining your eyesight entirely.

We are careful and accurate in our examinations, and advise you the safe and most comfortable course to pursue. Examinations free.
