

**Powles' Corner.**

(Correspondence of the Gazette.)

The date for the towl supper has been fixed for the 28th of this month. Keep the date in your minds, as it will be the best of the season.

Mr. Levi Wagar is on the hunt for deer. It is to be hoped that the party may get as many as the law allows them to kill.

Mr. John Minthorn received a letter a few days ago from a brother that he has not seen for 30 years. He is living in Michigan and is a candidate for Congress.

**DENTAL.**—Dr. Neelands, dentist, will be at the McArthur House, Fenelon Falls, on arrival of the train on Monday, and will remain over Tuesday. He will have gas and best pain obtundents. Call early and secure an appointment.

A NICE ASSORTMENT of all the leading styles in Trimmed Hats, at Mrs. McDougall's.

**S. A. MEETING.**—A grand rally meeting will be held in the Salvation Army hall on Tuesday, Nov. 15th, at 8 p. m., when Commanders Brigadier and Mrs. Garkin will be welcomed to Fenelon Falls. They will speak on behalf of the annual Self-Denial effort and the Army's work in all its world-wide operations. Door open at 7.15. Come early to secure a seat. All welcome. J. W. O'Neil, C. O.

**PERSONALS.**—Miss Gallagher of Lindsay was at the Falls from Wednesday until Saturday of last week visiting at Mr. Peterkin's. Mr. James Dickson returned home on Tuesday last, after an absence of several months, but we have not yet had the pleasure of meeting him. Mr. C. J. Thornton, who left for Orono nearly three weeks ago, returned home on Tuesday. Messrs. George and Charles Quibell and M. J. Wilson are home from Peterborough.

**WOUND UP.**—On Saturday last Andrew McIntyre, a lad employed in the stone mill, incautiously leaned against one of the "rolls." He was without his vest, and the loose, strong shirt he was wearing got caught by and wound around a small shaft that revolves close to a semi-circular bar of iron that partly covers it. The only injury that he suffered was a slight abrasion of the skin on his side; but he was lifted from his feet and held tight against the roll while Mr. Andrew Torrance, who fortunately happened to be present, went down and stopped the machinery.

**LOOK OUT** for the latest styles in Walking Hats and Sailors, to be opened out in a few days at Mrs. McDougall's.

**AT THE POINT AGAIN.**—The Post says:—"Mr. Robert Graham Sr., who acted as watchman at Sturgeon Point last winter with so much satisfaction to all concerned, has again taken up the duties, and that he may have power to make arrests the council of Fenelon has appointed him a constable. Mr. Graham resides at the Point and gives his whole time to the making of a double tour each day of the cottages he is employed to look after. His fee of \$1 for each cottage is very moderate, and he should be encouraged by every cottager at the Point. He will get out wood, cut ice, or do any other work required of him. His address is Fenelon Falls."

**CALL AND SEE** the "Dewey" Sailor in all the newest shades at Mrs. McDougall's.

**NOT A BRUTE.**—Rev. Mr. McKinnon called at the Gazette office on Tuesday to find fault with the paragraph in last week's issue with reference to the upsetting of the cart in which two boys, Willie Stoddard and Harry Wilkinson, were driving towards the Falls. Their story was—and it did not occur to us to doubt it—that the accident happened in consequence of a man in a wagon not giving them half the road; but Mr. McKinnon said that the driver of the wagon had told him the upset was entirely the fault of the boys, who were driving "like lightning." Mr. McKinnon did not tell us the man's name, and, as it did not appear in print, the expression of our opinion—based upon the boys' statement—that he was "little better than a brute," did him no harm whatever.

**CALL AND SEE** the "Rough Rider" Hats at Mrs. McDougall's.

**DEER HUNTING.**—Such of our village sportsmen who left on or before the 1st inst. for their old hunting grounds, appear to have had pretty good sport. Mr. E. R. Edwards, who went north over a month ago, in order to enjoy some fishing before the hunting season opened, returned home last Monday with three fine deer—one his own, one Mr. Thomas Robson's and one Mr. George Whissile's. He came from near Clear lake, where Messrs. Robson and Whissile intend to remain until near the end of the open season. On Tuesday Mr. Hugh McDougall returned from near Senora lake, after an absence from home of but little over a week, bringing with him a splendid four-year-old buck weighing 220 pounds.

He shot another, a year older, but it weighed less, being much thinner. Mr. McDougall was in company with Mr. Macdonachie and his two sons, of Burnt River, and the Rev. Mr. Bateman and his son, who were acquainted with Mr. Macdonachie in India, and are now visiting him. Mr. Bateman devoted himself chiefly to partridges, but his son, who is only about 17 years old, wanted to kill a deer, and was very much elated when he succeeded in shooting one. Mr. McDougall tells us that the party had got eight up to Saturday night. Mr. John Jones is with Mr. Whissile and Mr. Robson at Clear lake, and Mr. E. C. (Charlie) Edwards left on Monday to join them.

**HOSIERY, Gloves and Corsets** cheap at Mrs. McDougall's.

**OPTICAL.**—Mr. I. Whitesmith of Manilla will be at Mr. Curtis's store, Fenelon Falls, from 2 till 6 p. m. on Wednesday, Nov. 16th, and at Mr. Wm. Sanderson's from 7 p. m. Kindly call early, as he will be only one day.

**The Insolvent's Church Standing.**

*Dunn's Bulletin*, of Toronto, says: "What this world wants is not so much a revival of religion as a revival of common honesty. A few years ago it was considered a disgrace to fail in business, while to-day insolvency does not interfere with church standing in the slightest. Men fail, pay five cents on the dollar, and go on acting as stewards, elders or deacons without a thought of the injunction 'Owe no man anything.' A man stood up in a prayer-meeting in this city the other night and stated that, for a certain period past, he had lived as pure as the angels in heaven. After he sat down a member of the congregation arose and said he thought a man as good as the previous speaker ought to pay his debts. The party referred to replied, saying he had paid 'all the debts the Lord told him to pay.' This is the kind of thing that makes religion a by-word. You will never get ungodly men to take much stock in the godliness of a man who fails, lives in a fine house, and flourishes around as the agent of his wife. Most men can see through the holes in a ladder if there is light on the other side, and there is a fairly distinct conception abroad amongst outsiders as to the standard set by the Christian doctrine touching the outward life. There are plenty of honest men who fail, and whose honor is unimpeachable after failure as before, for misfortune comes upon all. The thing we are hitting at is that peculiar kind of failure that, in the church or out of it, may be characterized as shady! The man who is honestly endeavoring to pay his debts has the respect of the whole community."

Lumber for railway work in China is being hurried to the east from Vancouver.

Death has deprived the world of another such freak of nature as the Siamese twins. Mrs. Ouelette, of 503 Moreau street, Montreal, a few days ago gave birth to twins which were joined together at the shoulders. Both were girls, but they only lived for half an hour.

Wolves are plentiful in North Renfrew county. Four hundred sheep have been killed by them. They are beginning to attack travellers. A Wm. Helmer was set upon by four of the brutes. He was armed, and succeeded in driving them off after having shot one.

**NEWSPAPER LAW.**

1. A postmaster is required to give notice by letter (returning the paper does not answer the law), when a subscriber does not take his paper out of the office and state the reasons for its not being taken. Any neglect to do so makes the postmaster responsible to the publisher for payment.

2. If any person orders his paper discontinued he must pay all arrearages, or the publisher may continue to send it until payment is made, and collect the whole amount, whether it is taken from the office or not. There can be no legal discontinuance until the payment is made.

3. Any person who takes a paper from the post-office, whether directed to his name or another, or whether he has subscribed or not, is responsible for the pay.

4. If a subscriber orders his paper to be stopped at a certain time, and the publisher continues to send, the subscriber is bound to pay for it if he takes it out of the post-office. This proceeds upon the ground that a man must pay for what he uses.

5. The courts have decided that refusing to take newspapers and periodicals from the post-office, or removing and leaving them uncollected for, is *prima facie* evidence of intentional fraud.
