

Red Rock.

(Correspondence of the Gazette.)

The singing school is progressing very favorably. On Tuesday night a number of members of the school at Lamb's drove over and spent the evening. When will the Red Rock people return the visit? Music hath charms.

A basket social, for the purpose of starting a library in the public school, will be held in this section on Friday, Feb. 3rd. Watch for posters.

THE NEW WARDEN.—At the meeting of the Victoria County Council in Lindsay on Tuesday last, Mr. Robert Bryans was elected Warden for the year 1899.

Baby Bonnets, from 18½ cents up, at Mrs. McDougall's.

THE CARNIVAL.—There was a rather small attendance at the carnival on Wednesday evening, both of spectators and masqueraders. The costumes, though few in number, were of excellent quality. The prizes were awarded as follows: Best lady's costume, Miss Jennie Graham; Best girl's costume, Miss Lillie Brooks; Best gentleman's costume, R. Lee; Best boy's costume, Willie McDougall.

Eider-down Hats for 59 cents, at Mrs. McDougall's.

HOCKEY.—On Tuesday evening, Jan. 31st, the Bobcaygeon hockey team will journey to Fenelon Falls to play their return match with "our" boys. The Bobcaygeon team has been strengthened, has been practising hard for this game and is in first-class shape, so a good game is assured. The hockey boys ask all their supporters to be on hand, as enthusiasm goes a long way towards success. Game starts at 8 o'clock. See large bills.

All the ready trimmed Hats to be sold at half price at Mrs. McDougall's.

RESOLUTION OF APPRECIATION.—The Presbytery of Lindsay at its last regular meeting drafted the following extract minute in reference to the translation of the Rev. M. McKinnon, B. A. "In parting with the Rev. Malcolm McKinnon, B. A., the Presbytery of Lindsay wishes to record its appreciation as the minister of two congregations within its bounds, as a faithful member of this court, and as the active and tireless convener of its busiest committees he has shown himself "a workman that needeth not to be ashamed." The Presbytery commends him heartily to the brethren of Orangeville Presbytery, with the prayer that God may bless him in his new charge, honoring him in the salvation of sinners and the edification of the saints."

THE RICHARDSON-BENNETT ENTERTAINMENT.—A large and appreciative audience greeted the appearance here, last Thursday evening, of Miss Annie Richardson and Mr. Harry Bennett, in an entertainment placed in Dickson's hall by the St. James' Sisterhood. Miss Richardson rendered her numbers in an acceptable manner, receiving encores, noticeably "The Painter of Seville" and "Two Sides to the Story." "When Grandma Danced the Minuet" was strikingly graceful in movement, as in rendition. Of Mr. Bennett, it can be said that his impersonations in character songs were of the highest artistic order, full of humor, and, with his wonderful facial expression, the insistence of the audience in encoring him again and again was readily explained.

A Sunderland lady writes Dr. Neelands that he had made her a successful fit after having eight sets of teeth made in Toronto and elsewhere.—431f

Cambay was selected as the next place of meeting. The Scarlet Chapter will be opened at Fenelon Falls on March 14th.

A TREAT IN STORE.—The Ladies' Auxiliary of St. Andrew's Church have secured the services of Miss Ethel Webb, graduate and gold medalist Toronto Conservatory of Music and School of Education, and Mr. W. Graham Hodgson, tenor, who will appear in Dickson's hall on the evening of Wednesday, Feb. 1st. Both these artists come very highly recommended. The Mail and Empire says: "Mr. Hodgson was recalled again and again. He possesses a voice of great power and range, and of a fine, clear, silvery quality. The exquisite rendering of Adams' "Holy City" and Cowan's fine song "The Children's Home" earned for him rapturous applause." In reference to Miss Webb the Globe says: "Too much cannot be said of her as a reader. Her power over an audience is wonderful, and this, combined with her beautiful and graceful stage appearance, makes her a success wherever she goes." The Buffalo All-Steel Disc Harrow.

This is the only Disc Harrow made or sold in Canada, having independent, adjustable spring pressure upon the inner ends of the gang discs, allowing any amount of pressure to be thrown upon the inner ends of the gangs, by the foot of the operator. By this means a perfectly flexible action is secured and the ground can be worked to a uniform depth. Examine this machine carefully and compare with others.

THE No. 12 CULTIVATOR

IS A MARVEL OF SUCCESS. The only Cultivator made that both lines of teeth will cut an even depth in the ground. Examine it and you will see why. The only Cultivator, with a moveable tooth set so that the angle of the teeth can be regulated to suit any condition of soil. Pressure can be regulated to act differently on every section requiring it. The teeth are carried between the wheels instead of trailing behind, as in other machines, thus securing lighter draft. This machine is furnished with grain and grass seed box when required. It has reversible diamond steel points for the teeth; also extra wide thistle cutting points can be furnished. Examine it and you will buy no other.
