GOING TO BUILD.—Several farmers are drawing sand from Mr. George Sackett's pit west of the Falls, from which we infer that they are going to build either houses or barns during the coming summer. These are good times for farmers, and those who are not constitutional grumblers admit it. Well, they work hard and deserve their present prosperity, which we hope will continue. It's we poor fellows in town, who have to pay a dollar a bushel for potatoes—and some of them far from good ones—who have caused grumble.

HOUSES WANTED.—The supply of houses in this village is not equal to the demand; but, from what we hear, it is probable that considerable addition will be made to the number within the next few months. Mr. Thos. West has just bought, from Mr. Fred Varcoe, the quarter acre lot next to Mr. Thos. Poulson's on Francis street east, and tells us that he intends to put up a neat frame house upon it as soon as possible; but whether he means to get married and occupy it himself, or rent it, we do not know. Messrs. Wm. McArthur, George Martin and Henry Brooks intend building a couple of houses each, and it is to be hoped that other capitalists will follow their example; for, if the projected furniture factory be built, there will be—if not at once, within a year or two—a very considerable increase in the population of the village.

The Story of Morning Tiredness
Is told by impure blood, poor digestion, sluggish liver and tired nerves. It is a warning of very serious trouble ahead, and should prompt sensible people to take a bracing tonic like Ferrozone, an energetic invigorant and restorer. Ferrozone will give you a sharp appetite, promote good digestion and sound sleep; it will feed and energize the enfeebled organs, strengthen the nerve and vital forces and regulate the heart. Ferrozone changes that tired feeling into vigor, strength and ambition, and does it quickly. Remember the name, and insist on having only Ferrozone; it's the best tonic made. Price 50c. per box or 6 boxes for \$2.50, at druggists or N. C. Polson & Co., Kingston, Ont. Sold by W. H. Robson.

S. S. ENTERTAINMENT.—The annual Presbyterian S. S. entertainment, held on Tuesday evening in Dickson's hall, was a brilliant success, and may be recorded as the best of its kind ever presented in this village. A fine feature of the programme was a 16th century drill by eight young ladies and their cavaliers, all in beautiful and appropriate costumes. The drill was suitably ended by a recitation "When Grandma danced the Minuet," by Miss Fannie Brandon, who gave also a graceful portrayal of the old-time dance. Two piano solos by Miss Flossie Graham and Miss Irene McDougal were very well received. An operetta entitled "Edith's Dream" was also an effort worthy of special remark. The Lily and Doli drills by nineteen white-robed little children were very pretty and exceedingly well carried through. "Five little rabbits," particularly the fifth and littlest, convulsed the audience. With many other attractive numbers, the programme proved an unusually interesting one, and all credit is due to Miss Dickson and the teachers for the success of the entertainment. The proceeds amounted to \$33.

WOMANLY TROUBLES
SHOULD NOT BE ALLOWED TO UNDERMINE HEALTH AND BEAUTY BUT SHOULD BE TREATED AT ONCE WITH FERROZONE.

It is impossible to go into details on this subject, but the experience of many a poor woman who is crippled for life, just because she didn't use a good remedy in time, should be a warning to others. When the first stages of womanhood appear in a young girl, a great deal depends on getting her over this critical stage, so that in years to come she will not develop great sickness or consumption. As soon as the complaints of flushed face, headache, bearing down feelings, give her at once a course of Ferrozone treatment, which will carry her past the crisis. In the adult woman, if any irregularities occur, Ferrozone will be found a remedy of remarkable potency and power. Ferrozone is the ideal remedy for the monthly period, and causes all organs of the body to perform their work properly, and at just the expected time. It purifies the blood, tones up the nerves and vital energies. The stomach is strengthened, and digestive and assimilative processes are improved by the good work of Ferrozone. It regulates the bowels, cures constipation and piles, and replaces disease and decay by health and strength. There is nothing better for the complexion than Ferrozone. It removes the dark circles from under the eyes, removes and cures all manner of skin eruptions, gives brightness and brilliancy to the eyes, a rosy tint to the cheeks, whitens the teeth and develops a well rounded, plump and handsome form. Ferrozone is the ladies' favorite, and should find a place in every household. It is prepared in the form of a chocolate-coated tablet, convenient and pleasant to take. Price per box 50c., or three boxes for \$1.25. Sold by all druggists, or by mail from Polson & Co., Kingston, Ont.
