ACCIDENT—On Tuesday Mr. R. J. Wilson, of Barn River, was pitching hay in a loft. His load was a little too far off, which made it necessary for him to use the whole length of the fork handle. He suffered severely for some time, and then drove to Dr. Wilson's office at the Falls, where his wound was dressed.

NERVOUS DYSPEPSIA.
A DISEASE VERY COMMON WITH THE AMERICAN PEOPLE BUT NOW QUICKLY REMEDIED—A SURE CURE.

In a case of Nervous Dyspepsia a doctor sees two things, first that the digestion is deranged, and second that the nerves are in a starved, irritable condition. If abreast of the times and in touch with the latest discoveries, the doctor is sure to advise Ferrozone, which is now universally prescribed in cases of acute indigestion and dyspepsia. Ferrozone is prepared specially for diseases of the stomach and bowels, and as a cure for Nervous Dyspepsia has proved itself a thousand times to be superior to all others. Where Ferrozone is taken after each meal, it is impossible for Dyspepsia or Indigestion to exist. It digests the food before it has had time to ferment in the stomach, and by its regular use one is enabled to eat and drink anything at any time, without fear of bad results.

Ferrozone relieves that distressing headache, and burning in the stomach peculiar to dyspepsia. It regulates the action of the bowels, kidneys and liver, strengthens the nerves and makes the sad-looking, dejected dyspeptic feel like a new man in twenty-four hours. The general manager of a Toronto manufacturing company, who used Ferrozone with very marked results, says: "The strain of conducting a large business brought on a seige of Nervous Indigestion about a year ago, which I endeavored in vain to shake off. Doctors told me only a complete rest would cure me, but not being able to spare the time, I used Ferrozone instead. It perfectly restored my good health in a short time. I have confidence in the merits of Ferrozone, and am pleased to recommend it."

What Ferrozone can do for you can be best proved by giving it a trial. Every reliable druggist recommends and sells it, price 50c. a box or three boxes for \$1.25. Sent to your address by mail if price is forwarded to N. C. Polson & Co., Kingston, Ont.
