

Catarrh, Poisons and Their Remedy.

The poisons secretions from Catarrh are dangerous because they affect the stomach and bowels, giving rise to an unhealthy condition of these organs. Catarrh is the source of much ill health, and was considered practically incurable until it was demonstrated to the satisfaction of the medical profession that by the use of Catarrhozone any case of nasal or throat trouble can be permanently and quickly cured. Catarrhozone, by its unusual merit, has enlisted the support and endorsement of the most prominent medical authorities, who freely state that any one giving it a trial is sure to receive permanent benefit. Sold for \$1 Small size 25c. At Druggists or Poison and Co., Kingston, Ont. Sold by W. H. Robson.

ACCIDENT.—On Saturday afternoon Mr. George H. Littleton's youngest son, Ernest, about 16 years old, met with a very serious and painful accident while cutting up some stuff at a circular saw in Mr. Sandford's factory. So much sawdust had accumulated below the saw that its removal became necessary; and, as some lumber had been piled too near the saw to allow a shovel to be used, the unfortunate young fellow, instead of scraping the sawdust out with a stick, put in his right hand, and put it in a little too far. In "the twinkling of an eye," the first and second fingers were taken off close to the knuckles, and the other two so badly cut that it was at first feared that one of them (the third finger) would have to be amputated, as the bone was cut almost entirely through. But Dr. Graham, who stituled up the tendons, put the finger in place, and securely bandaged it, has but little doubt that the parts will unite; though it is possible that the finger may be bent downward towards the palm of the hand, a result which he will do his best to prevent. The flesh of the little finger was badly lacerated and the bone somewhat cut, but there is very little doubt that it will soon heal and be as useful as ever.

STRICKEN WITH PNEUMONIA.

ALMOST READY TO DIE—ALONZO W. DOUGLAS, OF WOODBRIDGE, WAS SAVED BY FERROZONE.

"For the benefit of others," writes Mr. Douglas, "I desire to state the results I derived from Ferrozone. Two years ago I was stricken with Pneumonia. So severe was the attack and so reduced was my strength that my life was despaired of. I had the very best medical attention, but made no progress toward recovery. When reduced to practically a skeleton, a kind friend told me of the remarkable powers of Ferrozone. An improvement began almost at once. I gained steadily in weight and strength until Ferrozone made me a new man. I will gladly answer inquiries from other sufferers if they care to have further particulars about my recovery. Ferrozone deserves its greatest measure of success." This is but one of the many cases that are being cured every day by Ferrozone. No treatment was ever known to supply a weak system so quickly with strength and energy. No tonic does its work so thoroughly. It is a specific for tiredness, loss of appetite, languor, weakness after fevers, and all debilitating diseases. Ferrozone makes you strong, and keeps you strong—in a word, it assures health and costs but 50c. a box, or six boxes for \$2.50, at any drug store. By mail from the Ferrozone Company, Kingston, Ont. Get a supply to-day without fail.
