

**A Loss.**—On Friday last Mr. Thos. Roberts had the misfortune to lose the better half of his team, a fine large "Lapidist Chief" bay horse. 11 years old, worth considerably more than \$100. He appeared to be all right on Thursday evening, but was taken violently ill during the night, and died about 11 o'clock next morning. Dr. Mason, who attended him, is of the opinion that his death was caused by acute indigestion.

**THANKSGIVING DAY.**—Thursday of next week, the 15th inst., will be Thanksgiving Day, and ought to be observed as a public holiday; but, as it will also be the second day of the Fenelon agricultural show, the stores will no doubt be all kept open and do a rushing business. The coincidence is one that should have been avoided, and the employees ought to be given some other day as a holiday, in place of the one they have thus been deprived of.

**THANKSGIVING SERVICE.**—Next Sunday is the date announced for the congregations of St. James' church of this place and St. Peter's church of Verulam to return thanks to God for the blessings of harvest. Both churches are to be decorated with flowers, fruit, grain, vegetables, etc., for the festival. The Rev. W. J. Creighton, of Bobcaygeon, will conduct all the services of the Parish on this occasion, while the Rector, Rev. A. S. Dickinson, takes duty at Bobcaygeon.

**Tendency of Catarrh is to Spread.**  
Just a slight matter at first, and because slight, neglected; but the seed sown brings forth a dangerous harvest, Consumption, which is the harvest of death. Better spend a few moments each day inhaling Catarrhzone, an aromatic antiseptic that relieves at once, clears the nasal passages and restores lost sense of taste and smell. The immediate effect of Catarrhzone is magical, so prompt and efficient. Cure is certain and permanent if you use Catarrhzone. Price \$1; small sizes 25c., at druggists or Polson & Co., Kingston, Ont. Sold by W. H. Robson.

**A NARROW ESCAPE.**—One day last week Mr. John Knox, of Verulam, narrowly escaped losing his dwelling house by fire. Mrs. Knox lit a match in an up-stairs bedroom closet, and either dropped it or a spark flew from it and ignited some article of wearing apparel; for when she went up again, about an hour later, the contents of the closet and bedrooms were in flames. Fortunately, Mr. Knox and other members of the family succeeded in extinguishing the fire, and thus saving the house; but all the furniture and clothing was burnt or so badly damaged as to be worthless. and there was about \$30 in bills in one of the pockets of a pair of "pants."

**A MAN DROWNED.**—An elderly man named Albert Davey, who has lived for years in a shanty near the mouth of the Emily creek, about four miles this side of Bobcaygeon, was drowned in Sturgeon lake last Friday night. He came to the Falls in a canoe, and left the Rathbun Co's camp near the mouth of the river about 9 o'clock. What he was doing on the wrong side of the lake is not known; but his canoe was found near Cameron a day or two later, and his body was recovered not far from the same place yesterday. As he had a pocket-book containing about \$200 in his pocket, and as there is no suspicion of foul play, it is not likely that an inquest will be held.

**HIS NERVES PLAYED OUT**  
AND HEALTH BROKE DOWN—A LIFE SAVED BY THE TIMELY USE OF

**FERROZONE.**  
Mr. Karl E. Newsome, of Rothesay, writes: "I owe a debt of gratitude to Ferrozone, which saved my life after a severe siege of Nervous Prostration. About a year

ago my health gave out completely. I was in such a weak, irritable condition that I couldn't work, and found that the doctors did nothing for me but take my money. My druggist recommended Ferrozone as the best preparation for nervous troubles, so I commenced at once to take one tablet at meals. Every box of Ferrozone I took seemed to do me more good than the previous one, and it wasn't very long before I was strong enough to move around again. In three months I was completely cured, and know that I wouldn't be alive to-day if I hadn't used Ferrozone. It braced up my nerves, gave me a strong, healthy constitution, and is certainly a marvellous restorer and tonic for nervous people."

The reason Ferrozone is so successful in curing nervous disease is that it contains the very elements that are needed to restore the wasted nerve cells. It is a nourishing, strength-giving tonic that costs 50c. per box, containing three weeks' treatment. Six boxes for \$2.50. Sold by all druggists or by mail from the Ferrozone Company, Kingston, Ont. Don't fail to get Ferrozone to-day, it assures health.
