

me up so quickly. In a few days my appetite improved, color came into my cheeks and I felt better. I gained eight pounds and regained my old time vigor through using Ferrozone." Try Ferrozone, it assures health. Price 50c. Sold by W. H. Robson.

**ANNIVERSARY SERVICES**—The anniversary services of St. James' church will be held (D. V.) on Sunday, Dec. 13th. The Rector, Rev. A. S. Dickinson, will be assisted on that day by the Rev. A. U. de Pencier, M. A., of St. James' Cathedral, Toronto, who will preach at both the morning and evening services. The Rector hopes that the services may be largely attended, and that all may receive the many blessings of God which such a special service brings. The offertory will be devoted towards the debt on the church. It has been decided not to hold the usual anniversary tea this year, and hence it is hoped that a generous free-will offering will be made for the substantial reduction of the church debt.

**MISSIONARY SOCIETY**—The Women's Missionary Society of the Methodist church held an open meeting on Thursday night of last week. A good programme of vocal music was presented. A trio by Mrs. Garbutt, Mrs. DeCew and Miss Quibell and a duet by Mrs. Garbutt and Mrs. DeCew were well rendered. An interesting paper entitled "Why every Member of the Church should be a Member of the Missionary Society," was read by Mrs. Wilson. This paper was presented at the Branch Convention lately held in Cobourg, to which Mrs. Wilson was a delegate from this society. The address of the evening was given by Mrs. (Rev.) Locke of Omamec. This was not only entertaining, but instructive. Mrs. Locke is one of the best speakers this society has had the privilege of listening to, and will be warmly welcomed here on any future occasion. Refreshments were served at the close of the meeting.

**HOBBLED SIX YEARS WITH RHEUMATISM.**

THE REMARKABLE CASE OF MR. CULLEN, A CHRONIC SUFFERER, WHO WAS CURED IN SIX WEEKS BY FERROZONE.

Mr. Cullen, of Sturgeon Bay, writes: "For six years I hobbled about like a cripple, unable to move without crutches and canes. I used quantities of medicines, and special baths, but they didn't help me very much. On the advice of a Presbyterian minister I used Ferrozone, gave it a good trial at first, and when I saw it was helping, I bought six boxes and took one tablet at the close of each meal. I am perfectly cured, and am to-day as spry as a youngster of ten. I am convinced that my recovery is entirely due to the marvellous action of Ferrozone."

Mr. Cullen's case is a fair example of the kind of cures that Ferrozone is effecting every day. In severe cases of Neuralgia, Sciatica, Rheumatism and Lumbago it acts with surprising alacrity, and no case is recorded where it failed. Ferrozone cures these diseases because it is a solvent for uric acid in the blood. Then it builds up and invigorates the system, and makes weak, sickly people strong and well enough to resist and ward off disease. The best Rheumatism remedy is Ferrozone. It relieves quickly, and cures so permanently that the disease never returns. After all other remedies fail, it cures, and that is the sort of medicine you want. Price 50c. per box, or 6 boxes for \$2.50. Sent to your address by mail if price is forwarded to The Ferrozone Company, Kingston, Ont.

**THERE ARE TWO KINDS OF SUGAR.**

They are chemically different. One is known as cane sugar; the other as grape sugar. When eaten, cane sugar cannot be assimilated until first changed by digestion to grape sugar. That makes work for the stomach and helps along dyspepsia etc. Honey is all ready for assimilation when eaten, having been changed to grape sugar by the bees.

That's why honey is better for you than cane sugar.

I can supply you with the best honey on the market.
