A Rumor.

There is a rumor to the effect that a number of the leading Conservatives of the county, disgusted with the treatment received—or said to have been received—by Dr. Vrooman and his supporters at the convention at which Sam Hughes was nominated as their candidate, are taking steps to establish another Conservative paper in Lindsay. That there is a split in the party (not on politics, but on candidates) is, we think, beyond a doubt; but whether or not the section without an "organ"—for the *Watchman-Warder* is devoted to S. H.—will start one of its own, remains to be seen. Contributions to the amount of about \$6,000 would be required, and, even if money be no object, we fancy that a weekly campaign sheet mailed to every voter in the constituency would better serve the malcontents' purpose; as the new paper would only be subscribed for by those in accord with its views, and it is the other fellows that it is desirable to get at. But it's none of our business, "anyhow."

A Lively Runaway.

Last Friday morning, while the driver of the stage from Bobcaygeon was in the office at the railway station here, his team took it into their heads to run away, and came up town at a lively pace. Fortunately, they met no "rig" on either of the bridges, or a serious accident might have been the result. Somewhere on the main street Mr. Walter McCall caught one of the horses by its bridle, and hung on until the runaways took the sidewalk at the bank corner, where, to avoid injury to himself, he was forced to let go. Tearing away the wooden step in front of the bank and the one in front of Mr. Ouellet's shop, they kept the sidewalk as far as Bond street, where they whirled around to the left, upsetting the sleigh and Mr. McCall, who was hanging on behind. He sprang to his feet, the sleigh turned back on to its runners, and the horses continued their career until they got on to Cameron lake, where they several times galloped around a large opening in the ice, and then headed for the shore. Near the railway track, upon which a train was approaching, one of them slipped and fell, Mr. McCall, who was waiting for them, grabbed the other and the runaway was over. The light, open sleigh they were drawing was badly damaged, but, as far as we know, neither of the horses was hurt.

Address and Presentation.

On Friday, the 18th inst., about thirty of their friends and neighbors of Powles' Corner gathered at the residence of Mr. and Mrs. Eli Worsley, Fenelon Falls, and presented them with a beautiful hanging lamp, silver mounted fruit dish and two silver fruit spoons and the following address, to which Mr. Worsley made a brief reply:

To Mr. and Mrs. Eli Worsley,

Dear Friends:

We, a few of your neighbors and friends, hearing of your departure from our midst, feel that we cannot let the occasion pass without showing you in some way our appreciation of your connection with us as "neighbors and friends." For a number of years you have lived among us, and we have always found you willing to help along any good work. We feel that you have been citizens of intelligence and enterprise, and we know we will miss your kindly greeting and help in time of need.

Please accept this fruit dish and lamp as a slight token of the esteem in which you are held, and rest assured that memory of our intercourse will not be forgotten. May God strengthen and assist you to bravely bear life's burdens and give you a sure hope of eternal happiness.

Signed on behalf of your many friends,
Jno. B. POWLES.

Owing to the bad roads, this event could not be held at Mr. and Mrs.

Worsley's old home in Fenelon, but followed them to their new one in the village. A most enjoyable evening was spent, after which an excellent luncheon was served.

(Correspondence of the Gazette)

During the past five or six weeks there has been quite a lot of moving, some coming into this section and others going away. Mr. John Gillis has moved from the township of Emily to the farm that he purchased from Mr. E. Worsley. Mr. John A. Day has been busy moving to his farm in Mariposa.

Mr. James Mitchell has sold his farm to Mr. Wm. Marsh, and will sell his farm stock and implements on the 25th. Mr. Mitchell has purchased a farm in Delaware, U. S. If we get another winter or two like the present one, there will be more going to Delaware or some place else. It costs too much to winter live stock here. They have to be fed and cared for too many months in the year. It takes about all a farmer can make in the summer months to keep his stock through the winter, and over half of a person's life is spent in doing chores, carrying swill pails, etc. In the future, from the 1st of May to the 15th of November farmers will have to strike while the iron is hot. If they don't they will not be in the swim.

Mr. E. Beacock told us not long ago that he had the best job done one day this winter that he ever had done on the farm, and that was taking the horns off we forget the number, but it was either 22 or 32 head. Mr. John Gillis also had a few head of cattle shed their horns one day this winter.

There was a wedding in this community not long ago, and there is another to come off soon.

The first robin has not put in an appearance yet. The robin seems to be always welcomed.

Some of the farmers are engaging their men for the season. We have not heard yet what wages the farmers are paying, but quite likely they will be enough.

Everyone, young and old, is glad to see the approach of spring, the present winter has been so severe and kept the people at home so much. It will induce people to go camping next summer.

IMPLEMENTS.—Mr. Thos. Robson received a carload of farm implements on Wednesday, and expects another in a few weeks.

SPRING OPENING, 1904.—On March 30th and 31st and April 2nd we will have our display of Easter Hats, and extend a cordial invitation to all. MISS M. WASHBURN.

Wanted Quick.—Pant and vest maker. Prices, vests 90c., pants \$1.00. Apply to A. H. McGrath, merchant tailor, Kilmount, Ont.

SOCIAL.—Remember the social to be held at the Rectory on the evening of Tuesday, April 5th, under the auspices of the Parish Workers of St. James' church. Admission 15c., children 10c. A table of useful and fancy articles will also be on sale.

S. S. ENTERTAINMENT.—The annual entertainment of the St. Andrew's church Sunday School will be held in Dickson's hall on Wednesday evening, April 6th. The programme is now in course of preparation, and the entertainment will no doubt prove as great a success as it always has in the past.

RECOVERING.—The accident to Mr. Mr. Geo. H. McGee's black mare, noticed in our last issue, proved to be less serious than was feared. She can move her head in any direction, eats boiled grain and lies down to rest. In a couple of weeks she will be given hay and oats, and of her complete recovery there is no longer any doubt.

SPRING.—Spring is here, though a few pessimists assert that we shall have more frost and snow. On Tuesday morning there was a short but sharp rainstorm, accompanied by lightning and thunder, since then the weather has been delightful, the snow is sinking rapidly, the sleigh-tracks in the village are full of slush, the boys are playing marbles, and the first robins put in an appearance yesterday morning.

ANOTHER VICTORY.—In Lindsay, on Friday night, our boys beat the senior hockey team of that town by a score of 7 to 4. Several hockey enthusiasts went from the Falls to Lindsay to witness the match. The report that there was a fight during or after the game was without foundation, a slight hurt which one of our players got being the result of an accidental blow with a hockey stick in the heat of the contest.

A SAFE JOURNEY.—On Friday last the smaller of the two safes in the bank here—the one formerly owned by McKeggie & Co.—was taken to Bobcaygeon. Though small compared to the other, it weighs 6,100 pounds, just about the same as a full cord of the heaviest kind of green, hardwood. Not knowing how bad the road might be "in spots," Mr. Wm. McIntosh, who took the contract for its removal, very wisely had four horses hitched to the sleigh on which the safe was loaded, and they drew it to Bobcaygeon with ease and without a mishap of any kind.

THE BOBCAYGEON BANK.—In our last issue we were only able to announce briefly that the Bank of British North America had opened a branch at Bobcaygeon. This should be of considerable benefit to the farmers of Verulam, and Harvey, as no doubt arrangements will be made for cheese factory cheques to be cashed either at Bobcaygeon or Fenelon Falls. If Bobcaygeon develops as it seems reasonable to expect, now that it is to have railway connection, the bank will reap the benefit of its enterprise in opening, and we trust will be as successful as the branch here. The management of the Bobcaygeon branch is in the hands of Mr. George D. Watt, a gentleman whose experience has been gleaned in the New York, Montreal, Winnipeg, Brantford and Toronto branches.

S. PETER'S WOMEN'S AUXILIARY.—A very interesting meeting of the Women's Auxiliary of St. Peter's church, Verulam, was held at the residence of Mrs. John Lamb Jr. on Tuesday, the 15th inst. Notwithstanding the bad roads, nearly all the members responded to the roll call, and some new names were added. The members deeply regretted that, owing to illness, their vice-president, Mrs. Geo. Brooks, was unable to be present. Mrs. Dickinson, honorary president, opened the meeting, after which considerable correspondence was read from the diocesan officers regarding the annual meeting to be held in Toronto on April 26th to 29th, inclusive. The meeting was unanimous in its selection of Mrs. James Akister Sr. to represent them at this Toronto meeting. A most instructive account of the monthly Board meeting was read, at which a resolution of sympathy in their recent loss by the death of Bishop Machray, of Rupert's Land, was authorized to be sent to the sister Auxiliary of that diocese. Owing to lack of time, current events of Africa and Athabasca (the subjects for this month) were reserved for the next meeting.

DIED.

PEARSON.—In the township of Somerville, on Friday, March 18th, Fanny Gale, wife of Joseph Pearson, Jr., aged 34 years, 3 months and 6 days.

HUNTER.—At Gooderham, on Wednesday, March 23rd, John J. Hunter, aged 52 years.
