OUR NEW DRESS GOODS.

The number of pretty weaves, the delicacy of coloring, the variety of patterns which have been witnessed in the past year would seem to show that there was little additional for the manufacturers and designers to accomplish; but the new goods shown for the spring and summer of 1904 are in so many points superior to those of previous years that a mere printed description cannot convey either their beauty or their worth.

A Christmas Box To the Farmers.

We have decided, as the village of Fenelon Falls and the County have a live interest in the big stone mill now operated by me, having guaranteed the bonds for the purchase of same, to show my appreciation of the fact by giving the farmers a Christmas Box that on and after this 10th day of December, 1903, I will do your chopping, and do it well, for the popular price of

Five Cents a Bag.

As we were not members of the combine that raised the price to 7c., we are under no obligations to anyone except the farmers, whose friendship and trade we wish to cultivate; and you will find us willing at all times to do everything in our power to make our business relations both pleasant and profitable to both. We will also exchange your wheat for flour. So kindly remember, "Chopping at five cents at Meldrum's mill." Wishing you one and all a Merry Christmas and a Prosperous New Year, I am, sincerely yours,

W. H. MELDRUM.
