

on the night of April 6th. We would like to know why parents allow their children to run all over the country at all hours of the night and to become a public nuisance, and never say from one year's end to the other, "you must stop it." It is really too bad. We pity the post-master at Powles' Corner, with a small pittance of a salary, say 8 cents a day, to have to put up with the persecutions of impudent boys. It is enough to make a person's blood run cold to see the parents drag themselves into the court room and uphold their boys in every possible way. Is it not time that a stop was put to it? Has not the postmaster at Powles' Corner a perfect right to live in peace? No doubt Mr. Dickson will double the dose if these bad boys ever come before him again. Thanking you, Mr. Editor, for your time and space.

JUSTICE.

Fenelon Falls, April 11th, 1904.

To the Editor of the Fenelon Falls Gazette:

Sir,—

The Victoria County Old Boys' Association would like to know why they can't get a better representation from Fenelon Falls and its vicinity. At a recent meeting at which nearly two hundred members were present, nearly the whole representation was from Lindsay and Ormeau. Why this is thus we do not know but if the Fenelon Falls people, in writing to their friends down here, would remind them of our next meeting, which will be held on Friday evening, May 6th, in the I. O. O. F. hall, corner of Yonge and College streets, it might help us a little. Refreshments and lots of amusements are to be expected, and the crowd of Fenelonites ought to be a lusty one indeed. The date of our excursion is not yet settled, but surely will be at our next meeting.

Yours truly,
CHAS. E. HAND.
