

Due to the excessive and frequent showers, the farmers have been kept back with their work. The recent cool wave checked the rapid growth.

The farmers are expecting a big crop of hay this season.

There is not much building to be done in this section this season compared with other years.

A larger shed is badly needed in connection with the church here. For some time past the old shed has been found a great deal too small. We attribute this state of affairs to the Rev. Mr. Garbutt's great ability as a preacher and his love for his congregation.

Mr. Thos. Mark has recently sold a handsome young Keswick one-year-old for a good figure.

Miss E. Leman, of Kilworthy, is visiting at Mr. E. Kendall's.

Mrs. O. Gaspell has gone to Berlin to visit relatives for a month.
