

## RAINY RIVER MAN HAD TROUBLES

TILL DODD'S KIDNEY PILLS  
CURED HIS KIDNEYS.

Then His Rheumatism and Other  
Pains Vanished Once and for all  
—His Case only One of Many.

Barwick, Ont., June 20.—(Special).  
That Dodd's Kidney Pills will cure  
Rheumatism, or any other disease re-  
sulting from disordered Kidneys is  
the experience of many of the settlers  
in this Rainy River country. The  
case of William John Dixon of this  
place is a fair sample of the work  
the great Canadian Kidney Remedy  
is doing.

"I had Rheumatism so bad I had  
to use a stick to walk. I had pains  
in my back and right hip and I had  
no comfort in sleeping.

"I could no more than dress or un-  
dress myself for nearly two months,  
and I was for nearly three weeks I  
could not lace my right shoe.

"My brother advised me to try  
Dodd's Kidney Pills and I did so.  
After taking three boxes I could walk  
around and lace up my shoes and do  
my work. Six boxes cured me com-  
pletely."

Dodd's Kidney Pills are the one  
pure cure for sick Kidneys. Sick  
Kidneys are the cause of nine-tenths  
of the ills the human family suffers  
from.

### ROTHSCHILD'S REBUKE.

Baron Rothschild, one of the most  
magnificent millionaires, has a  
fry way of administering a deserved  
rebuke which is appreciated by every-  
body except the recipient of the re-  
buke.

Not very long ago he was entertain-  
ing at luncheon a distinguished  
party. The meal went on admirably.  
Nothing marred the general en-  
joyment save the loquacity of one  
young man.

This young man insisted on mono-  
polizing the conversation. He in-  
sisted on talking about himself—  
about his books, his work, his love-  
affairs, his motor-car.

Finally he jumped to his feet.  
"By Jove!" he said—"I must show  
you all my sleeve-links and studs. I  
got them this morning. They are  
malachite."

And he passed from one guest to  
another, exhibiting the studs, which  
were neither beautiful nor costly  
nor in any way out of the ordinary.  
"Malachite!" he kept repeating—  
"genuine malachite."

Baron Rothschild watched the  
young man's progress with a faint  
smile. When the studs reached him  
he touched them with his finger su-  
perciliously, and drawled:

"Ah, malachite—eh? It is a  
handsome stone. I have always liked  
it. I have a mantlepiece of it  
in the next room!"

### THE FIFTY MILLION DOLLAR WORLD'S FAIR ST. LOUIS.

District Passenger Agent McDonald  
of the Grand Trunk Railway who  
recently returned from St. Louis,  
states that it is hard to find suit-  
able language to describe the magni-  
tude and beauty of the greatest Ex-  
position ever held.

The site of 1240 acres being two  
miles long and one mile wide, is  
covered with beautiful buildings,  
broken with lagoons, canals, grand  
courts, monuments, statuary, parks,  
etc., all forming a picture that must  
be seen to be realized.

An Electrical railway, called the  
Intramural, makes it easy to get  
from one part of the grounds to  
another, and follow out the daily  
programme, enjoying an hour listen-  
ing to "Sousa's" or other famous  
bands, or taking in a lecture or ad-  
dress, or Art Gallery.

When you consider the immensity  
of the buildings, one alone having  
over 20 acres of floor space, and re-  
fect that they are filled with the  
choicest of exhibits from all over  
the world, one exhibitor vying with  
another to obtain the coveted Gold  
Medal, it seems to suggest the  
thought of what a grand opportuni-  
ty and an education it will be, to  
the young men and women of our  
land, to spend a week or two at  
St. Louis this year. Really no in-  
telligent man, woman or child can  
afford to miss this great World's  
treat.

The beautiful Electric lighting of  
the Pan American Exposition, which  
few thought would ever be approach-  
ed is entirely eclipsed by this Mon-  
ster Fair.

One of the features of the fair, is  
the "Inside Inn," a hotel accommo-  
dating 6,000, splendidly run, and at  
reasonable rates.

The total expenses of a trip to St.  
Louis based on half railway rates,  
is within the reach of all and per-  
mits stop over at Chicago, and other  
points, and the trip is made quickly  
and comfortably.

It is the intention of the Grand  
Trunk to run through cars from  
Montreal and Toronto to St. Louis,  
commencing June 13th, and possibly  
before.

The Canadian Press Association  
were unanimous in their praise of the  
Grand Trunk and Illinois Central  
route, and with the Exposition.

Eternal vigilance isn't always the  
price of liberty—sometimes it's \$10  
and costs.

### NINE MILLION ACRES

Government Lands For Home-  
steaders.

In Western Nebraska near the Union  
Pacific Railroad in section lots of 640  
acres each, for almost nothing. The  
salubrity of these lands is something  
remarkable. Distance from railroad  
is three to thirty miles. There will  
be a grand rush of homesteaders. This  
is the last distribution of free homes  
the United States Government will  
ever make in Nebraska. Write for  
pamphlet telling how the lands can  
be acquired, when entry should be  
made, and other information. Free  
on application to any Union Pacific  
Agent, or H. F. Carter, 75 Yonge  
Street W., Toronto.

### THE GUESS DOLL.

An English non-conformist clergy-  
man, of whom the London Telegraph  
tells, is the victim of a rarely profit-  
able absent-mindedness. At a fair  
held by the women of his church one  
of the "attractions" was a beautiful  
doll, handsomely dressed, which was  
to be given to the person who guess-  
ed its name. There was an en-  
trance fee, and the choice of the  
doll's name was left to the clergy-  
man.

At the close of the fair it was  
found that the guess doll had  
brought in more than one hundred  
pounds; but as the name had not  
been hit upon by any one, clergyman  
suggested that it be appointed a  
parish visitor, and call regularly up-  
on the children in the hospitals in  
the town. This was readily agreed to.  
Then somebody said:

"You must have given it a very  
odd name!"

"Ah, that reminds me!" exclaimed  
the clergyman, looking confused but  
still cheerful. "I did not name it  
at all."

She—"What if I have loved an-  
other, dear? Don't you know it has  
only prepared me for the greater,  
higher love I have for you?" "That's  
all right, but how do I know that  
the love you now have for me isn't  
preparing you for a greater, higher  
love for someone else?"

Watts—"Does your wife ever scold  
when you have been out late at  
night?" Potts—"Oh, no, she never  
says a word! She gets up the next  
morning about four o'clock and prac-  
tises on the piano, and I don't say  
a word."

"Before I give you my answer,"  
said the fluffy-haired girl, "I would  
like to know if you are in a position  
to keep me in the style to which I  
have always been accustomed." "If  
the styles don't change too often, I  
am," replied the wise youth. "Other-  
wise, the odds are in favor of my go-  
ing broke."

"Young Spenderly has been flying  
high since the death of his million-  
aire uncle." "Yes; he has found  
it smooth sailing since he came into  
his heirship."

There never was greatness without  
gratitude.

### Keep Minard's Liniment in the House.

He—"Do you think blondes have  
more admirers than brunettes?" She  
—"I don't know. You might ask  
Miss Turner; she has had experience  
in both capacities."

For Over Sixty Years  
Mrs. WINSLOW'S SCORFING SYRUP has been used by  
millions of mothers for their children while teething.  
It soothes the child, softens the gums, allays pain, cures  
wind colic, regulates the stomach and bowels, and is the  
best remedy for Diarrhoea. Twenty-five cents a bottle.  
Sold by druggists throughout the world. Be sure and  
ask for "Mrs. WINSLOW'S SCORFING SYRUP." 22-01

"George! You horrid thing! If  
you try to kiss me again I'll call  
papa, and he'll bring the bulldog in."  
"Iuh! I don't want to kiss the bul-  
dog."

Ask for Minard's and take no other.

### MUSIC IN THE HAIR.

Someone has drawn attention to  
the fact that music exercises an in-  
fluence on the growth of the hair in a  
most curious manner. Consistent  
playing for some years on metal in-  
struments, the trombone in particular,  
will cause baldness; while the  
playing of the piano, violin, and  
violinello rather increases than other-  
wise the growth of the hair. Flute  
and clarinet players are not supposed  
to be influenced either way.

The Adorer—"It's wonderful, old  
man, what love will enable a fellow  
to see in a girl that he never saw  
before!" The Onlooker—"No doubt!  
But it's equally wonderful what it  
won't let him see that he'll see later."

There are very few cleans-  
ing operations in which Sunlight  
Soap cannot be used to advan-  
tage. It makes the home bright  
and clean. 1B

### HAUNTS OF FISH AND GAME.

Attractions for Sportsmen on the  
Line of the Grand Trunk.

The Grand Trunk Railway Company  
has issued a handsome publication,  
profusely illustrated with half-tone  
engravings, descriptive of the many  
attractive localities for sportsmen on  
their line of railway. Many of the  
regions reached by the Grand Trunk  
seem to have been specially prepared  
for the delectation of mankind, and  
where for a brief period the cares of  
business are cast aside and life is  
given up to enjoyment. Not only do  
the "Highlands of Ontario" present  
unrivalled facilities for both hunting,  
fishing and camping, but the 30,000  
Islands of the Georgian Bay, Thou-  
sand Islands and St. Lawrence River,  
Rideau River and Lakes, Lake St.  
John, and the many attractive lo-  
calities in Maine and New Hamp-  
shire, present equal opportunities for  
health, pleasure and sport. All these  
localities are reached by the Grand  
Trunk Railway System, and on  
trains unequalled on the continent.  
Abstracts of Ontario, Michigan, Que-  
bec, New Hampshire and Maine fish  
and game laws are inserted in the  
publication for the guidance of  
sportsmen. The Grand Trunk Rail-  
way has also issued descriptive il-  
lustrated matter for each district sepa-  
rately, which are sent free on ap-  
plication to the agents of the Com-  
pany and to Mr. J. D. McDonald,  
District Passenger Agent, G. T. R.,  
Union Station, Toronto.

### OVER THE WABASH.

To the Great World's Fair St.  
Louis, Mo., everything is now wide  
open, round trip tickets on sale until  
December 1st, at lowest first-class  
one-way fare, good fifteen days, fare  
and a third good sixty days. Now is  
the time to see this, the greatest of  
all Expositions in the history of the  
world. The great Wabash is the  
Banner Line, the shortest and quick-  
est route from Canada to St. Louis.  
The through trains on the Wabash  
are the admiration of all travelers  
going to St. Louis.

For time tables and descriptive fol-  
der, address J. A. Richardson, Dis-  
trict Passenger Agent, Northeast  
corner King and Yonge Streets, To-  
ronto.

"Is that dog of yours a pointer?"  
asked the station-master at the vil-  
lage station. "No," replied the  
weary sportsman, who was return-  
ing with an empty game-bag; "he's  
a disappointment!"

Dear Sirs.—Within the past year  
I know of three fatty tumors on  
the head having been removed by the  
application of MINARD'S LINIMENT  
without any surgical operation and  
there is no indication of a return.  
CAPT. W. A. PITT.  
Clifton, N. B. Gondola Ferry.

"And now, dear," said the delig-  
hted youth, "when may I speak to your  
father?" "You won't need to do  
that, George," replied the sweet  
young thing, who had just accepted  
him. "He told me to-day that if you  
didn't speak to me to-night he'd  
speak to you to-morrow."

Wash greasy dishes, pots or pans  
with Lever's Dry Soap a powder. It  
will remove the grease with the  
greatest ease.

When every day is Sunday,  
Oh, won't it be heyday?  
But oh, it will be better still  
When every day is pay day!
