ALWAYS IN SEASON.
 Some people have a notion that honey is just a cold weather article of food, and only to be used in the winter, or else they think it will spoil quickly in warm weather.
 Other people know better, and use it right along.
 Honey is always seasonable, and if properly kept, never deteriorates in quality. Get in with the crowd who use it every day.
E. G. HAND.
 APIARIST, FENELON FALLS.

GET OUT YOUR WAGGON.
 If it requires any repairing, bring it to my shop on Francis-street east, and the work will be done the way it should be done.
 And I can show you some Buggies that will make you glad you didn't buy a buggy elsewhere before you saw them.
