

GRAND CALLITHUMPIAN PROCESSION, AQUATIC AND ATHLETIC SPORTS, ETC. ETC.

from all parts of the county. He straightens cross eyes without cutting or drugging. He relieves headaches with glasses, and brings sight to eyes that have never known good vision. The new and wonderful system which he is teaching to other opticians is to "look into the eye" and measure the defect, be it great or small. In order that the people of Fenelon Falls and surrounding country may have the same grand opportunity of consulting this expert without any cost for his services, Mr. C. Hughan will at his own expense bring Dr. Montgomery, the eye-sight specialist, to Fenelon Falls for one day and evening, at the Twomey House. Both village and country people should avail themselves of this, perhaps the one chance in a lifetime, to consult an optician who stands at the head of his profession. Never again will you have an opportunity like this. All who suffer with headache, painful vision or poor sight should consult this man.—Ad.
