CURE FOR HAY FEVER.

W. H. Robson says Hyomei will Give Relief—Sold Under Guarantee.

W. H. Robson wishes to announce that when Hyomei is used as a preventative or a cure there will be no hay fever. He advises daily treatment with Hyomei for two or three weeks before the usual time for the appearance of hay fever. If this is done, the attack will be prevented. However, if the preventative treatment is not started soon enough, and the disease makes its appearance, use Hyomei six or seven times daily, and relief will be given at once. There is no stomach dosing when Hyomei is used. Breathed through the neat pocket inhaler that comes with every outfit, its medicated air reaches the minutest air cells, killing all germs and soothing and healing the irritated mucous membrane. The complete outfit costs but \$1, extra bottles 50c. It is the only treatment for hay fever sold by W. H. Robson under a guarantee to refund the money if it does not give satisfaction. 29.

GUARD AGAINST GERMS.

Keep Well by Strengthening the Stomach in Summer with Mi-o-na.

Everyone with weak digestion should use Mi-o-na at this season and so strengthen the stomach that disease germs can have no effect whatever. This remarkable remedy puts the whole digestive system in so healthy, clean and sweet a state that fermentation of the food cannot exist, that any disease germs which may enter the stomach will be destroyed, and food will be so rapidly assimilated that a rapid and healthy increase in flesh will result. Nervousness and sleeplessness come more often from a weak stomach than from any other cause; headache, backache and rheumatic pains are directly caused by an acid condition of the stomach. Mi-o-na corrects all this, prevents the formation of acids, and nervousness, kidney trouble or rheumatism is quickly cured. Ask W. H. Robson to show you the guarantee under which he sells Mi-o-na. Price 50 cents. It costs nothing unless it cures. 29.
