The Fenelon Falls Gazette.

The New Postmaster-General.

Hon. A. B. Aylesworth, K. C., was sworn in on Monday as Postmaster-General of Canada, in place of Sir William Mulock, resigned. The Globe tells us that he is in his fifty-first year, having been born at Newburg, Ont., on November 27th, 1854. Until he ventured into politics during the last election, when he successfully contested Durham, he had applied himself almost entirely to the practice of his profession, and, although a strong Liberal, was seldom seen in political campaigns. He is a great lawyer, one of the foremost in Canada, and those who know him intimately say he will prove to be a great administrator.

The Fenelon Agricultural Show.

The Fenelon Agricultural Society's fall Show, held here on Wednesday and Thursday of last week, was a fairly good one, though of course not equal to what it would have been under favorable conditions. Rain fell almost continually throughout the first day, and the sky was threatening and gloomy and there were a few slight showers during the second; but, in spite of these drawbacks, the exhibits were up to the average in number and the attendance good, especially on Thursday afternoon. The entries in the secretary's books were greatly above the average, and, had the weather been fine, this year's show would no doubt have been eminently satisfactory. Unless we are mistaken, the exhibit of horses, cattle and sheep was about equal to that of last year; but there were only eight pigs in the pens, and the show of poultry was far below the average. The display of grain, roots, vegetables etc., on the ground floor in the hall was a very good one; but up-stairs, in the ladies' department, the exhibits were not so numerous as usual—probably on account of the rain. The chief attraction of the show was, as it always is, the horse racing; and the "event" compared to which the others sank into insignificance was the matched race for a purse of \$100 between "White Blaze," a pacing mare owned by Dr. Johnston, of Peterborough, and Mr. John Aldous's "Dan Finister." The mare took the first heat, but Dan was ahead in the second, third and fourth, thus taking the race and the purse. Horn Bros.' special exhibit was much admired, as also was Mr. Stanton's very attractive display of photographs. The following is the

Personals.

Mr. Arthur Cullon, of Toronto, visited his relatives in this locality last week. Mrs. F. A. Metcalfe and her two children are visiting relatives in Lindsay this week.

Miss Cecil Swanton, of Port Perry, is at the Falls visiting her aunt, Mrs. John H. Brandon.

Miss Morrin, who has been visiting her sister, Mrs. William Campbell, left on Tuesday for her home in the county of Two Mountains, Quebec.

Miss Maud McFarland, of Verulam, returned home on Friday last from a three weeks' visit to her sister, Mrs. Julius Groudy, at Newtonville.

Powles' Corner.

(Correspondence of the Gazette.)

A fowl supper, which is an annual event, will take place in the basement of the church on the 13th of November, and anniversary sermons will be preached on Sunday, the 12th, by some one not yet known. Every effort will be put forth to eclipse every anniversary which has been held in the past.

The farmers are a very busy class of people just now, plowing and taking up the root crop, which is a very good one.

Mr. Thos. Daniel will sell his farm stock and implements on lot 14, con 8, on the 27th inst.

All those who heard the lecture which Rev. V. H. Emory gave last Monday evening at Fenelon Falls were well pleased.

Any farmer who sends his cream to a creamery and is so unreasonable as to expect the drawer to let down a fence and put it up again twice a week for five or six months, is nothing but an impostor. There is no excuse for a farmer without a gate.

The Fenelon Falls Fair is held ten or twelve days too late every year. We have been told that the squash which took first prize weighed only 40 pounds, while the one that took second weighed 125. Let right be done.

The population in this section is increasing.

The T. Eaton Co. of Toronto is doing a larger mail order business. The merchants in this county will have to look sharp and bring down the prices a little.

Mrs. E. R. Riley, of Waubausene, is visiting her sister, Mrs. Jas. Powles.

THANKSGIVING DAY.

—Thursday next, the 26th inst., will be Thanksgiving Day, and, of course, a public holiday; of which our country readers should make a note, if they have not already done so.

LAD OVER.

—We have received the proceedings of the Verulam council, which met on the 12th inst.; but are forced to lay them over until next issue, on account of the agricultural prize list taking up so much room.

POCKETTS.

—Anyone in want of fence-pickets will see, by an advertisement in another column, that Mr. J. J. Navison, has a lot of them to dispose of. Though second-hand, they are nearly as good as new, and will be sold at a greatly reduced price.

GOING TO CURL?

—Any person who intends to curl this winter, and is not already a member of the club, should make application to the secretary or to one of the managing committee before the end of next week, in order that his name may be registered with the Ontario Curling Association and that he may receive a copy of the "Annual."

CATTLE BY AUCTION.

—Mr. W. H. Stevenson has instructed Mr. Jas. Eowar to sell seven valuable cattle by auction, and the sale will be held in the North Star roller mill yard, at the corner of Colborne and Bond streets, on Tuesday, the 31st inst., commencing at 2.30 p. m. sharp. For description of the animals, and terms of sale, see posters surmounted by the likeness of a shorthorn bull.

OPENING OF HOUSE OF REFUGE.

—The council of the County of Victoria have pleasure in announcing that the House of Refuge will be opened on Wednesday, October 25th, at 2.30 p. m. The council earnestly desire this notice to be taken as a special and general invitation to all official and private citizens of the county to be present on the occasion. Hon. W. J. Hanna, Provincial Secretary, will be present and will address the meeting.

AS USUAL.

—The annual services in the Methodist church on Sunday last, and the subsequent proceedings on Monday evening, were, as usual, very numerously attended, not only by Methodists but by members of all the other denominations. The church was crowded both morning and evening, and the excellent services delivered by the Rev.
