

Vernon H. Emory, of Bowmanville, were attentively listened to and much appreciated by all who heard them. The fowl supper on Monday evening was much appreciated too, as in our opinion it well deserved to be; and many years' constant practice at eating similar suppers ought to make us a good judge of them. After it was over, a very interesting and instructive address was delivered in the body of the church by Mr. Emory, the subject being his recent trip to the old country. The reverend gentleman, who has an effective voice and a good delivery, spoke for a full hour; and Rev. C. Coon, of Boboaygeon, who is also a good speaker, addressed the audience for about twenty minutes. Excellent music was furnished by the orchestra, led by Mr. Edward Chambers, and by the choir, which was ably assisted by Mrs. E. A. McArthur, Miss Alberta Graham and Mr. H. W. Morden. The receipts amounted to the handsome of \$137 90.

TO CATARRH SUFFERERS.

Hyomei Cures by Breathing Medicated Air.

The popularity and increase in the use of Hyomei are unique in the annals of medicine. Such astonishing cures have been made by this remedy that its sale is steadily increasing every year. The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a life-time, and if one bottle does not cure, an extra bottle of Hyomei can be obtained for 50 cents. It is the most economical of all remedies for the cure of catarrh, and is the only one that follows nature in her method of treating diseases of the respiratory organs. Breathe through the inhaler for a few minutes four times a day and your catarrh is cured. That's all. If you cannot obtain Hyomei of your dealer, it will be forwarded by mail, postage paid, on receipt of price. CUT ORDER CARPETS.

Having secured for this locality the exclusive selling agency of the Adams "Cut Order" Carpet Line, we beg to announce that we are now open for business.

WHAT IT MEANS.

It means this—that we have in our store samples of Carpet in 1½ yard lengths (being sufficient to show the full length of pattern) in such quantity and in such a variety of qualities and patterns that to visit our store and look over the line is equivalent to an inspection of the stocks of the large dealers in the cities. All that is required of you is that you bring in size of room or rooms to be carpeted, and select your pattern. Ourselves and the Adams Company do the rest—cut and match, sew if desired, and deliver it express free at your door. PROMPTNESS and PRICES are the key-words—48 hours or sooner if urgent will fill an order, and, as to prices, WE ABSOLUTELY GUARANTEE THE VALUES. Not only can we successfully compete with the biggest of stores in the large cities, but we CAN and DO under-sell them. This plan means that the ordinary retail expense of doing business is eliminated. It is a proposition on a wholesaler's basis of profits, and YOU are the gainers.

All prices in PLAIN FIGURES, and ONE PRICE to all.

You cannot afford to miss seeing these goods—we know they are right. This store is yours, and it is our aim always to be of such good service to our customers that when you think of Carpets, or the hundred and one other lines which we carry, that you will think of US.

If not convenient to come to the store, send us the word and we shall be pleased to wait on you with a range of samples at your home.
