

CORRESPONDENCE.

Unreliable Correspondents.

To the Editor of the Fenelon Falls Gazette
 During the time of the Russo-Japanese war many despatches appeared from day to day, only to be contradicted perhaps on the following day or inside of a week at the longest. The cause of this no doubt was due to the festive imagination of the newspaper correspondents. While this kind of news was served up to a considerable degree in the far east and we took but little notice of it, we are not disposed to look on local correspondence with as little concern. It is to these correspondents that we look for the news correctly stated from each locality; and in fact they must be reliable if they intend to be quoted as an authority for authentic news from their respective localities. Sometimes events are exaggerated, while again items that are published have not a semblance of truth; and further, the correspondent may hold a grudge against some person in the neighborhood, and that person is subjected to some nasty cuts. Or a person may perform some act which is worthy of being chronicled, but, owing to malice and hatred aforesaid, the correspondent fails to be generous enough to mention it. We might just take the Orange concert given here as an example of this. In this very excellent programme all those who took part got special mention in the *Watchman-Warder* correspondence from here save one lady who contributed greatly to the programme by her excellent singing, and anyone who was there can testify that her singing brought forth round after round of applause and encors. This lady has sung very acceptably before Fenelon Falls audiences on several occasions, and it is up to the *W-W* to tell the public the reason she is never mentioned. This rambling account of the concert says Twomey's hall instead of Dickson's hall. What has Mr. Dickson done that his hall is cut out of the report? Let the whole news be given truthfully and without prejudice, and cut out those old dry jokes which are seldom understood by anyone save their writer.

CON.

TO CATARRH SUFFERERS.

Hyomei Cures by Breathing Medicated Air.

The popularity and increase in the sales of Hyomei are unique in the annals of medicine. Such astonishing cures have been made by this remedy that its sale is steadily increasing every year.
 The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a life-time, and if one bottle does not cure, an extra bottle of Hyomei can be obtained for 50 cents. It is the most economical of all remedies for the cure of catarrh, and is the only one that follows nature in her method of treating diseases of the respiratory organs.
 Breathe through the inhaler for a few minutes four times a day and your catarrh is cured. That's all.
 If you cannot obtain Hyomei of your dealer, it will be forwarded by mail, postage paid, on receipt of price. Write to-day for consultation blank that will entitle you to the services of our medical department without charge. The R. T. Booth Company, Hyomei Building, Elkhon, N. Y.
