THE BEST WAY TO WINNIPEG.

The Great Northern Railway Company is now running a magnificent fourteen-hour night train from St. Paul to Winnipeg. This new train, "The Winnipeg Limited," is one of the very finest in the Northwest. It is equipped with the newest and best compartment library observation cars most luxuriously furnished and the comfort of the passenger is catered to in every detail. This train has already made a name for itself for running right on time and connections are made at Winnipeg for all points in the Canadian Northwest.

Until this service was instituted the trip was of eighteen to twenty hours duration. It is now possible to reach Winnipeg by way of Grand Trunk to Chicago and North Western to St. Paul in practically the same time as by Canadian Pacific direct. This route possesses the added interest of a day in either Chicago or St. Paul, with less time wasted in day travelling.

The uniform excellence of the Grand Trunk service to Chicago is too well known to need any comment and too much cannot be said of the elegance of the equipment of the "Northwestern Limited" run by the Chicago and North Western Railway between Chicago and St. Paul. These western roads can give many a pointer to the older ones in the east in looking after the passengers comfort.

GUARDING THE KAISER.

The Berlin Police Practice a Plan of Campaign.

Berlin, Germany, has made elaborate arrangements to suppress any popular demonstration that may be contemplated against the Government.

Owing to the effects of the Russian revolutionary movement upon the Socialists of Germany, the city has been divided into square sections, by the organization of which the police could put down effectively any attempt by a mob to march toward the Emperor's palace and the Government offices.

The plan of campaign is rehearsed as often as festive occasions attract immense crowds to the centre of Berlin. On such occasions the extraordinary skill of the police in disposing of the crowds, which they drive, block by block, out into the suburbs, has been commented upon. One side of each organized square is left open, and this is always the side facing the suburbs, so that the crowd may drift in that direction.

In the case of a popular uprising, the fourth side of each square would be left open or closed, according to the gravity of the situation.

If it became necessary to suppress the rising by the most severe measures, the fourth side of each square could be closed, so that the rebels within it would be enclosed within impenetrable lines of fire and steel, and could be shot down or bayoneted to the last man.

MUCH WISER.

HE CAN ATTEND TO HIS WORK NOW

MANITOBA MAN CURED BY DODD'S KIDNEY PILLS.

He Echoes a Statement Made by Thousands of the People of the Prairies.

Giroux, Man., Dec. 18.—(Special).—Mr. Philias Normandeau, a well-known resident of this place, is one of thousands of Manitobans who have found relief from the pains and aches of Kidney Disease in Dodd's Kidney Pills. Mr. Normandeau is always ready to say a good word for the remedy that brought back his health.

"Yes, I can tell you Dodd's Kidney Pills made a cure of me," he says. "I had Kidney Disease for three years. At times I got so bad I could hardly attend to my work. I took just five boxes of Dodd's Kidney Pills and my pains and aches are all gone and I can work as well as anybody. To anybody who has trouble with their kidneys all I can say is 'use Dodd's Kidney Pills.'"

Dodd's Kidney Pills always cure sick kidneys. With well kidneys you can't have Bright's Disease, Diabetes, Dropsy, Rheumatism, or any of those other fearful and fatal diseases that spring from sick kidneys.

ALL IN IT.

Binks—"If you're worried so much about your debts, why don't you join a 'don't worry club?'"

Jinks—"I did, and found that most of my creditors belonged to the same club!"

No Alcohol in It.—Alcohol or any other volatile matter which would impair strength by evaporation does not in any shape enter into the manufacture of Dr. Thomas' Electric Oil. Nor do climatic changes affect it. It is as serviceable in the Arctic Circle as in the Torrid Zone, perhaps more useful in the higher latitudes, where man is more subject to colds from exposure to the elements.

Daughter—"Mamma, if I must write to Mr. Bray about his extortionate bill, should I say, 'Dear Mr. Bray?'"

Mamma—"Certainly, under the circumstances."

Just a Word of caution: Where the skin is destroyed by burns or scalds apply Weaver's Cerate immediately: the sooner the better.

POOR, BUT HAPPY.

It is better to hear a baby crying in the kitchen than to hear a French poodle barking in the parlor.

Worms derange the whole system. Mother Graves' Worm Exterminator deranges worms and gives rest to the sufferer. It only costs 25 cents to try it and be convinced.

Husband—"Don't you think it would be as well to save the money for a rainy day?"

Wife—"Good gracious, no! I can't go shopping on a rainy day."

Dr. Agnew's Ointment Cures Piles.—Itching, Bleeding and Blind Piles. Comfort in one application. It cures in three to six nights. It cures all skin diseases in young and old. A remedy beyond compare, and it never fails. 55 cents.—63

He (admiringly): "You're not the sort of girl to give yourself away." She (insinuatingly): "No, but you might ask father."

To discern and deal immediately with causes and overcome them, rather than to battle with effects after the disease has secured a lodgment, the chief aim of the medical man, and Bickie's Anti-Consumptive Syrup is the result of patient study along this particular line. At the first appearance of a cold the Syrup will be found a most efficient remedy, arresting development and speedily healing the affected parts, so that the ailment disappears.

FATHERLY CARE.

"So your daughter is having her voice cultivated?"

"Well," answered the parent, "that's the way her mother and the girl put it. But, between you and me, I engaged a professor in the hope of getting it cured."

A Casket of Pearls.—Dr. Von Stan's Pineapple Tablets would prove a great solace to the disheartened dyspeptic if he would but test their potency. They're veritable gems in preventing the sealing of stomach disorders by aiding and stimulating digestion.—60 of these health "pearls" in a box, and they cost 35 cents. Recommended by most eminent physicians.—64

A HUMAN COMPASS.

Little Jack—"What did papa mean by saying that he was the captain of this ship?"

Ma—"Oh! that is only his way of saying that he is the head of the house."

Little Jack—"If pa is captain, then what are you?"

Ma—"Well, I suppose I am the pilot."

Little Jack—"Oh, yes; and then I must be the compass?"

Ma—"The compass? Why the compass?"

Little Jack—"Why, the captain and pilot are always boxing the compass, you know!"

QUICK AT SOMETHING.

A clerk was discharged. He asked the reason.

"You are so awful slow about everything," said his employer.

"You do me an injustice," responded the clerk. "There is one thing that I am not slow about."

"I should be delighted to hear you name it," sneered the proprietor.

"Well," said the clerk slowly, "nobody can get tired as quick as I can."

Father (meditating on time's changes)—"Ah, yes, the fashion of this world passeth away!"

Daughter—"Indeed, it does, papa. I shall want a new hat next week."

SURPRISED.

"What interested me most in my travels," said Henpeck, "was the mummy of a queen I saw in Egypt."

"Wonderful, eh?" asked his friend.

"Yes, it's wonderful how they could make a woman dry up and stay that way."

The Greatest Tonic is "Ferrovin." It is pleasant in taste and contains just the nourishment and strength-giving qualities that are needed by those who are sick and weakly.

Lawyer: "I really hope I don't annoy you with all these questions?" Fair Client: "Not at all. I'm used to it. I have a six-year-old son."

Suffer no More.—There are thousands who live miserable lives because of the faculties and shadows existence with the cloud of depression. One way to dispel the vapors that beset the victims of this disorder is to order them a course of Parmentier's Vegetable Pills, which are among the best vegetable pills known, being easy to take and are most efficacious in their action. A trial of them will prove this.

"Well, Fritz, you got birched in school to-day?" "Yes, but it didn't hurt." "But you certainly have been crying?" "Oh, I wanted to let the teacher have a little pleasure out of it."

Kidney Experimenting.—There's no time for experimenting when you've discovered that you are a victim of some one form or another of kidney disease. Lay hold of the treatment that thousands have pinned their faith to and has cured quickly and permanently. South American Kidney Cure stands pre-eminent in the world of medicine as the kidney sufferer's trust friend.—62

Jack: "I say, Jim, why aren't you calling on Miss Jones any more?" Jim: "Don't ask me, Jack. The reason is a parent."

A lady writes: "I was enabled to remove the corns, root and branch, by the use of Holloway's Corn Cure." Others who have tried it have the same experience.

Waiter—"Two sausages for Herr Bierhuber." Landlord—"Only give him one; he is already intoxicated, and sees everything double." Waiter—"I've already seen after that. He ordered four."

A Recognized Regulator.—To bring the digestive organs into symmetrical working is the aim of physicians when they find a patient suffering from stomachic irregularities, and for this purpose they can prescribe nothing better than Parmentier's Vegetable Pills, which will be found a pleasant medicine of surprising virtue in bringing the refractory organs into subjection and restoring them to normal action, in which condition only can they perform their duties properly.

IRISH TYPES.

Three types at least are observable in the South of Ireland—first the dark Italian looking Celt, also found in Devon; secondly, the tall, yellow-haired Danish type, and, thirdly, the aboriginal Aryan of the Volga, with red or auburn hair and blue or green eyes, who may also be found in Cornwall. The dark aquiline type of Wales differs considerably from that of the Irish, and the Irish language is nearer akin to Cornish than to Welsh. The traditional Irishman of caricatures is not often seen in the South, though this type is not unknown even among the upper classes. The soft features and bright eyes of the modest peasant women present many varieties of beauty, and the mingled race of Cork and Kerry—fairer, as a rule than that of the far west—is as vigorous as any in Scotland or in Yorkshire.—Blackwood's Magazine.
