INSIDE INFORMATION.

Gazette Readers' Chance for Profit—Everyone Ought to Grasp this Opportunity.

To have even a simple case of indigestion is to have "inside information" of suffering that warns of serious trouble in the future, unless the digestive system is strengthened.

If you cannot eat and digest three good, square and satisfying meals each day without discomfort, your stomach needs Mi-o-na tablets. They are not a mere temporary relief, but are composed of valuable medicinal agents which strengthen the digestive organs and cure and prevent stomach troubles.

When there are pains or distress after eating, headaches, belching of gases, a sour taste in the mouth, dizziness, heart burn, specks before the eyes, furred tongue, sleeplessness, nervousness or back ache, the stomach needs the help of Mi-o-na.

Every reader of the Gazette should grasp the opportunity offered to try Mi-o-na. Just one little tablet out of a 50-cent box of this remedy before each meal for a few days, and you will soon have a strong stomach and perfect health.

If you cannot obtain Mi-o-na of your druggist, it will be set by mail, post-paid, on receipt of price. Write us for advice on your case from a leading stomach specialist, which will be sent free. The R. T. Booth Company, Ithaca, N. Y.
