(Correspondence of the Gazette.)

The reeve and council were elected by acclamation on nomination day, and Messrs. W. H. Cullis and A. E. Minthorne, the retiring trustees, are succeeded by Mr. E. Beacock and Mr. Robert McGee.

The school opened here on the 3rd of this month, with Mr. A. Greenaway in charge, and up-to-date the new broom is sweeping clean.

The farmers are taking advantage of the good sleighing, and wood is being drawn to the Falls at a lively rate.

Mr. E. Beacock intends having a sale to dispose of his surplus stock of cattle about February 15th.

A great many of the young people around here are expressing a desire to attend one or more of Torry and Alexander's meetings in Toronto; and those who have money and time will have an opportunity next week of going from Lindsay to Toronto at reduced rates.

We could not commence to enumerate all the visitors who came from a distance to spend Christmas in this vicinity; but there were several family reunions. One of the most numerous attended was at the Daniel homestead, another at the home of Mr. Wesley Childley, and another at Mr. J. S. Brown's.

If you want to read the weekly or daily Globe this year, give your order for it to the postmaster at Powles' Corner, who can get it for you cheaper than you can get it yourself.

It is a little late, but we wish the Gazette and all its readers a very happy and prosperous New Year.
