Notice is hereby given that the **Municipal Council** of the Corporation of the County of Victoria will meet in the Council Chamber, Court House, Lindsay, —on— Tuesday, January 23rd, A. D. 1906, at 2 o'clock in the afternoon. J. R. McNEILLIE, County Clerk.

FALL CATARRH.

Disease Prevalent Now, but can be Quickly Cured With Hyomei. A great many people suffer more with catarrh during the fall months than at any other season of the year, the changes in weather seeming to have a bad effect upon the disease. Some of the cures made by Hyomei seem marvellous when one remembers that the patients had suffered from catarrh since childhood and that for years they had been unable to get a good night's sleep, on account of the disagreeable tickling and dropping at the back of the throat caused by this offensive disease. A few days treatment brought quick relief, and its continued use made a complete and lasting cure. By breathing Hyomei through the pocket inhaler that comes with every outfit, all the air passages of the lungs and throat are filled with air laden with nature's own remedies for the cure of catarrh. All disease germs are killed, and the irritated mucous membrane is healed. The complete outfit costs but \$1.00, extra bottles 50 cents. Compare this small expense with the fees charged by specialists. If you cannot obtain Hyomei of your dealer, it will be forwarded by mail, postage paid, on receipt of price. Write to-day for consultation blank that will entitle you to services of our medical department without charge. The R. T. Booth Company, Hyomei Building, Ithaca, N. Y.
