**INSIDE INFORMATION.**

**Gazette Readers' Chance for Profit—Everyone Ought to Grasp this Opportunity.**

To have even a simple case of indigestion is to have "inside information" of suffering that warns of serious trouble in the future, unless the digestive system is strengthened.

If you cannot eat and digest three good square and satisfying meals each day without discomfort, your stomach needs Mi-o-na tablets. They are not a mere temporary relief, but are composed of valuable medicinal agents which strengthen the digestive organs and cure and prevent stomach troubles.

When there are pains or distress after eating, headaches, belching of gases, a sour taste in the mouth, dizziness, heart burn, specks before the eyes, furred tongue, sleeplessness, nervousness or back ache, the stomach needs the help of Mi-o-na.

Every reader of the Gazette should grasp the opportunity offered to try Mi-o-na. Just one little tablet out of a 50-cent box of this remedy before each meal for a few days, and you will soon have a strong stomach and perfect health.

If you cannot obtain Miona of your druggist, it will be set by mail, post-paid, on receipt of price. Write us for advice on your case from a leading stomach specialist, which will be sent free. The R. T. Booth Company, Ithaca, N. Y.

**SYNOPSIS OF CANADIAN NORTH-WEST HOMESTEAD REGULATIONS.**

ANY even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Entry may be made personally at the local land office for the district in which the land is situate, or, if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the local agent, receive authority for some one to make entry for him.

The homesteader is required to perform the conditions connected therewith under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.  
(2) If the father (or mother, if the father is deceased) of the homesteader resides upon a farm in the vicinity of the land entered for, the requirements as to residence may be satisfied by such person residing with the father or mother.  
(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.
