### The Trent Valley Canal Outlet.

The following special despatch from Ottawa to the Globe appeared in Monday's issue:

The long outstanding question as to whether the outlet of the Trent Valley Canal would be at Trenton or Port Hope has at last been decided in favor of Trenton. Careful surveys have been made of both routes by the Department of Railways and Canals, and the result has been to indicate that Trenton, on the whole, has more in its favor as an outlet for this waterway than has Port Hope. The surveys show that the difference between the two routes, so far as construction is concerned, is not very material. In this respect Port Hope has a somewhat stronger claim. The distance, compared with Trenton, is somewhat shorter. The cost of construction therefore would be, according to the engineer's report, about \$40,000 less to Port Hope than to Trenton. But this does not take into account the land damages and water-power privileges, in which respect the Trenton route is found to be better. One great factor in favor of Trenton is that barges can be taken from Midland through the Trent Valley Canal to Montreal with perfect safety, being land-locked all the way. If Port Hope had been selected as the outlet, these barges would have to be towed for a considerable distance out in the open lake, a rather risky, if not impossible, experiment in severe weather.

### Rev. Mr. Sinclair.

Owing to the serious illness of his father claiming his presence at Carleton Place, the Rev. R. C. Sinclair, B. A., did not occupy the pulpit of St. Andrew's church last Sunday. As his resignation takes effect early in March, it is doubtful whether he will again address the people of this place, and—however regretfully—he must now be spoken of in the past tense. During his seven years' pastorate of St. Andrew's church here, Mr. Sinclair has made numerous warm friends in the congregation and apart from it, though his innate modesty has always prevented him from obtruding himself upon the public. His manly, straight-forward and honest character, his high ideals, unswerving love of truth and fearless condemnation of wrong-doing, his generous sympathy with every good cause, and his exceptional liberality in a financial way to his own church, have endeared him to the friends who understand and appreciate these rare qualities.

### A Letter of Condolence.

The following is the concluding portion of a letter of condolence received a few days ago by Mr. Thomas Junkin, of Verulam, from Mr. Wm. E. Agnew, of Lindsay, a friend and fellow student of Mr. Junkin's eldest son, the particulars of whose tragic death were given in our last issue:

"Having been so closely associated with Albert in our student days, I think I can say that I knew him better than any other fellow of my acquaintance, and I can truthfully say that there was none that I so thoroughly liked. He was genuine, the same through and through; no mere 'put on.' I think I never knew any other fellow that was so entirely free from self conceit. Often I have noticed that when I would be simply disgusted with the shams and make-believes of ordinary men in general, that it was most refreshing and encouraging to turn to Albert Junkin and feel that there was at least one genuine, one altogether true and always the same. And, best of all, I believe that he was a thorough Christian. His spirit was ever the Christ-like spirit; and I believe that he had more religion than many who make much more ado about it. Knowing and believing this, can we not rest assured that all is for the best, and that he is far better off than if he were still with us. May God give you all the comfort of his sustaining spirit. We have not yet heard the particulars of the accident. If we do not see any of you soon, we would like to get a few lines of explanation, if you could give them to us.

"Yours on behalf of the Agnew family,  
"WM. E. AGNEW."

### Syrup and Sugar Bulletin.

For the purpose of distributing a bulletin on the manufacture of pure maple syrup and sugar, the Department of Agriculture at Ottawa has undertaken to collect a list of maple sugar makers from each county in the Dominion. If by chance any names of sugar makers, or any interested in the manufacture, have been omitted from the list, or the copy already mailed has gone astray, the Department will be glad to send to all who apply, or to anyone who may wish to send in a list of names with post-office addresses, a copy of the maple sugar bulletin just issued. This bulletin not only deals with the manufacture of pure maple syrup and sugar, but also explains the sections of the Adulteration Act having reference to maple syrup and sugar, and like ingredients, and gives a "Form of Warranty" which has to be signed by the sugar maker himself and handed on to the wholesaler, retailer and consumer, thus giving the purchaser assurance that the goods sold as "pure maple syrup" or "pure maple sugar" are what they are represented to be.

### Powles' Corner.

(Correspondence of the Gazette)

The farmers have been very busy getting their wood home, and the good

sleighing has been a great help to them.

One of our farmers reports a loss of 18 head of cattle from various causes inside of five months. Those who possess are those who have something to lose.

We doubt whether there is one family in this section that has entirely escaped the measles, and a few have had them a second time.

The post-master here has had an unusually large sale of Dr. Thomas's Electric Oil and Bickel's Syrup, which can be had any hour of the day or night. No house should be without Electric Oil.

Mr. Thomas O. Brown and his little daughter, of Sault Ste. Marie, spent a few days visiting relatives here.

Mr. W. H. Hill, of Penetanguishene, and his niece, Miss M. Newberry, of the same place, are visiting relatives in this locality.

Mr. W. H. Bowles, of the township of Tiny, spent a few days in the beginning of this month visiting his brother-in-law, Mr. O. Glaspell.

Mrs. M. Herron spent a week visiting her daughter, Mrs. Koovn, in Eldon.

Mrs. Thos. Greaves, of Eldon, visited at Mr. J. B. Powles's about two weeks.

Mrs. J. Moore enjoyed a week's visit to Mr. and Mrs. McNeil, of Ops.

The happy young couple, Mr. and Mrs. F. Maunder, left on Monday, the 11th inst., for their new home, which is situated near the Rocky Mountains.

Owing to the epidemic of measles in this section, the attendance at the day school has diminished to some extent.

The Rev. Mr. Emory, of Bownanville, preached the missionary sermon here on Sunday, the 10th. The reverend gentleman is a good speaker, and holds the attention of his congregation from the beginning to the end of his sermon.

Messrs. Cullis & Lane purchased a car-load of corn a short time ago; and another car-load (by shares) is talked of.

**SOCIAL AT ROSEDALE.**—A social and entertainment in aid of the Presbyterian church, Rosedale, will be held at the home of Mr. Thomas Smith, Rosedale, on the evening of Thursday, February 28th. Sleighs will be provided free, leaving Mr. W. L. Robson's store at 7 p. m. Admission 25c.

**BAPTIST Church.**—On Sunday next the Pastor will preach morning and evening. Subject, a. m., "Personal Work"; p. m., "Treading the Old Highways." The following Sunday, March 3rd, the Rev. W. T. Tapscott will commence Evangelistic meetings in the Baptist church. The meetings will continue every night throughout the following week. Mr. Tapscott is a gifted speaker and a very successful evangelist. Be sure to attend the meetings. All are cordially invited.

**SNOW.**—The first heavy snowfall of the winter commenced about 7 p. m. on Wednesday, coming straight out of the north, which is an unusual occurrence. About eight inches fell and drifted considerably. As a consequence, the train from Haliburton on Thursday morning was three and one-half hours late, reaching the Falls at 11.30. The noon train from the south was about an hour behind its regular time.

**WANT HIM TO STAY.**—The Official Board of the Fenelon Falls Methodist church, at a meeting held recently, extended a unanimous invitation to their present pastor, the Rev. H. B. Kenny, whose three years' tenure of that position expires in June, to remain for another year, holding out as a special inducement a raise of \$100 in salary, which would bring it up to \$1,000. Mr. Kenny has not yet given the Board his answer.

**CURLING.**—A rink of local curlers went to Peterborough on Tuesday morning to play in the big bonspiel in that city. In the preliminary round they won from a Peterborough rink skipped by Mr. James Bogue by 13 shots to 10. In the second round they had a very close game with another Peterborough rink, skipped by Mr. R. Hicks, who won out on the last end, the score being 14 to 12. The Falls rink was composed of Messrs. J. L. Arnold, J. H. Stanton, F. A. McDiarmid and R. M. Hamilton skip. They returned home on Wednesday afternoon.

**FAX IS COMING.**—Most people know James Fax, the comic singer and entertainer, and those who don't will have a chance to hear him in the near future. He will appear in Dickson's hall, Fenelon Falls, on the evening of Monday, March 5th, and will be assisted by some of the best local talent. Mr. Fax is one of the very best strictly high-class comic singers on the road, and is assured of a full house, such as he always had on his former visits to the Falls. This is what the Ottawa Citizen says of him: "Mr. Fax has no peer in Canada, and is the equal of the world's best. He was repeatedly recalled last night. His remarkable lightning-like changes of costumes were by no means the least interesting part of the performance and quite caught the crowd. Mr. Fax knows how to render character songs, and nature has endowed him with very exceptional talent."

**A GRAND MUSICAL TREAT.**—The London Concert Trio, under the direction of Mr. J. Parnell Morris, sang in Chatham on the 4th inst. The press of that city says in reference to the Trio: "Protect us," by the company, in ensemble, was something not soon to be forgotten. The beautiful blendings of the voices was superb." Of Miss Hall it says, "Miss Hall possesses a contralto voice of rich mellow and vibrant tone. She pleased most in the song 'Genevieve,' and an encore was demanded. She also possesses a refinement of musical diction that easily made for her many friends." In their Fenelon Falls concert this company will be assisted by Miss Lillian G. Wilson as accompanist, and Mrs. G. Perry as reader. This high-class company will be heard in Twomey's hall on Wednesday next, the 27th. Tickets 25 and 35 cents. Plan of hall can be soon at W. H. Robson's drug store.

**PERSONALS.**—Mr. John H. Carnegie, M. P. P., was at the Falls from Saturday until Monday, the guest of Mr. Thomas Cashore. Mr. Carnegie's two children and their nurse, Miss Moore, have been at Mr. C. shore's since the 3rd inst. Mr. John J. Townley left on Monday for Toronto and New York, and is expected to be home to-day or to-morrow. Mr. J. K. Lambert left on Tuesday for his home at Winnipeg, after a fortnight's visit to relatives and friends in this vicinity. Mr. Wm. Davey, now of Vancouver, B. C., was at the Falls on Saturday last until Tuesday. Mr. Cornelius Curtis, of Toronto, was at the Falls on business this week. Mr. Wesley Junkin, who came home from Rossland, B. C., with his brother Albert's body on the 12th inst., left for that city yesterday morning. Dr. Gould left on Wednesday for a few days' visit to his brother in Toronto. Mr. Alvin Gould spent Sunday last in Lindsay, the guest of his aunt, Mrs. H. J. Lytle. Miss Dickson visited friends in Cobocok from Friday last until Monday. Mr. Joseph Irwin, of Manitoba, who has been visiting relatives and friends at the Falls and elsewhere since Christmas, left for the West on Tuesday. He was accompanied as far as Lindsay by his aunt, Mrs. Edward English, of Fenelon. Mr. and Mrs. T. Robson left for Toronto on Thursday, and will be home early next week.
