Board of Trade Meeting.

The annual meeting of the Board of Trade was held in the council chamber on Tuesday night, and a fair representative was present. In the absence of the vice-president, (Dr. Wilson,) Mr. R. M. Hamilton occupied the chair, and the following executive was elected:

President, Dr. Wilson; Vice-President, J. L. Arnold; Secretary, Dr. Sims.

The above, with the following gentlemen, will constitute the council for the ensuing year: J. H. Brandon, R. M. Hamilton, Dr. Gould, Dr. Mason, W. H. Robson, Thos. Graham, Thos. Robson, M. H. McCallum, J. H. Stanton, F. McDougall, Wm. Campbell and W. T. Junkin. Messrs. Hamilton and McCallum were appointed auditors. The secretary was instructed to correspond with the G. T. R. authorities with regard to better railway service, and with the owner of the steamer Kathleen re giving C. P. R. connection. On Tuesday night, March 5th, a joint meeting of the village council and the Board of Trade will be held in Twomey's hall, when the boat people will be asked to place their proposition before the meeting.

Fatal Railway Accident Near Lindsay.

About 7.30 on the evening of Friday last, the 22nd inst., the cutter in which Mr. and Mrs. Alfred Primeau, of Lindsay, were driving towards home, was struck by the regular C. P. R. train at a crossing about two miles south of the town. Mrs. Primeau was instantly killed, her neck being broken, Mr. Primeau sustained a bad cut on his head and a compound fracture of his left leg, the horse was killed and the cutter smashed into small pieces. At the inquest held by Coroner Blanchard it was proved that the train hands were not in any way responsible for the accident. As there was bright moonlight, the cutter was seen at a considerable distance from the crossing, and every effort was made to avoid a collision, the whistle being repeatedly blown, the bell rung and the brakes applied. We are told that Mr. Primeau admitted that he heard the train, but thought he would have time to cross the track. The accident cast quite a gloom over Lindsay, as the couple are old residents of the town and much liked and respected. Mrs. Primeau, who was 51 years old, leaves a family of eight children, some of them, of course, quite young. Mr. Primeau, who is doing well in the Ross Hospital and likely to recover, was kept in ignorance, up to Wednesday, of his wife's death, and possibly has not yet been told of it.

(Correspondence of the Gazette)

On Sunday afternoon last the Church of England congregation held their initial service in the old Methodist church building, Rev. Mr. Chafee, of Cobocook, officiating. There was a very good attendance, and the members were much gratified at having the opportunity of enjoying the services of the Ancient Church once more. Mr. Chafee intends holding service every alternate Sunday, with an occasional service in between, in the same place until further notice. Too much credit cannot be given this gentleman for his devotion and self-sacrifice in coming from Cobocook to give these services entirely free of cost to the congregation, the collections being applied to the building fund of the new church. The collectors of this fund are now canvassing for subscriptions of either money, time or material; and we bespeak from our readers a cordial reception for them; and if any of you should be inadvertently omitted, a post-card naming your subscription or requesting a call, and mailed to the treasurer, Miss M. Reynolds, Rosedale, or any of the other members, will receive prompt attention.

Miss McFadyen returned home on Saturday last from a three weeks' visit to Toronto and Oakwood.

Miss Laura Russell left on Tuesday on a visit to Toronto.

While at the Falls last week, Mr. Sam Smithson's team met with an accident which might have been very serious, but fortunately not much damage resulted. Better to be born lucky than rich, Sam.

Miss Ruby Goodman and Miss Viola McIntosh are spending a few days in Fenelon Falls, the guests of Mr. and Mrs. W. T. Junkin.

HOCKEY.—The Omomeo hockey team played a game with the Fenelon Falls seven on the local rink on Wednesday evening. The visitors played a fast game, and within fifteen minutes of the finish had a lead of three goals. The Falls boys then let out a little speed they had saved up, and scored five goals within about ten minutes, and then Omomeo scored one just before time was called, the final score being 10 to 11 in favor of the home team. Following was the line-up:

Omomeo.—Goal, Mitchell; point, Bradley; cover, McPherson; rover, Sherin; centre, Parsons; right wing, Mitchell; left wing, McGee.

Fenelon Falls.—Goal, Main; point, Pearce; cover, Lansfield; rover, W. McDougall; centre, McCallum; right wing, B. McDougall; left wing, Nichols. Referee, A. J. Gould.

RUNAWAY.—Last Friday afternoon a gray team, owned by Mr. Sam Smithson, of Fenelon, took fright at something while a id n; in front of the stone mill and ran away. Crossing the swing bridge, they ran up Colborne street until they overtook Mr. W. L. Robson's delivery sleigh, into which one of them jumped, knocking out the driver, Leslie McKendry, who fortunately escaped with a few bruises and a big scare.

A GOOD CONCERT.—A programme of exquisite beauty was presented to those of the music lovers of Fenelon Falls who attended the concert given on Wednesday evening in Twomey's hall by the London Trio Concert Co. Too much cannot be said in approval of the class of music rendered by this company. The trio consists of Miss Annie Reid, soprano, Miss Alice M. Halls, contralto, and Mr. J. Parnell Morris, tenor. The blending of these three voices in their trio numbers was unusually perfect. The duet and solo numbers were each a treat, and those who failed to attend the concert missed an opportunity not often afforded our citizens of hearing a really first-class musical programme. The company was assisted by Mrs. G. Perry, reader, and Miss Lillian Wilson, of Fenelon Falls, who acted as accompanist, sustaining her reputation as an accomplished pianist. She also gave two beautifully rendered piano solos. We might add that Mr. Morris is well known in Fenelon Falls, and his many friends were pleased to see and hear him again.
