NEWSPAPER LAW.

1. A post-master is required to give notice by letter (returning the paper does not answer the law), when a subscriber does not take his paper out of the office, and state the reasons for its not being taken. Any neglect to do so makes the postmaster responsible to the publisher for payment.
2. If any person orders his paper discontinued he must pay all arrears, or the publisher may continue to send it until payment is made, and collect the whole amount whether the paper is taken from the office or not. There can be no legal discontinuance until the payment is made.
3. Any person who takes a paper from the post-office, whether directed to his name or another, or whether he has subscribed or not, is responsible for the pay.
4. If a subscriber orders his paper to be stopped at a certain time and the publisher continues to send it, the subscriber is bound to pay for it if he takes it from the post-office. This proceeds upon the ground that a man must pay for what he uses.
5. The courts have decided that refusing to take newspapers and periodicals from the post-office, or removing and leaving them uncalled for, is *prima facie* evidence of intentional fraud.

MR. A. E. PETERS

President of the Record Foundry and Machine Co., of Moncton, N.B., and Montreal, P.Q.

Mr. A. E. Peters was one of the original incorporators of this business in 1882, when it was reorganized into a joint-stock company.

Perhaps the Records Foundry and Machine Co. are known in more homes in Canada as the manufacturers of the celebrated "Penn Esther" ranges and "Admiral" and "Caloric" furnaces, than for any other reason. Their "Penn Esther" range is of the highest possible merit, and a standard to be followed by every other stove manufacturer in the Dominion.
