## THE RECORD ADMIRAL FURNACE

Is fitted with the improved Record Triangular Grate--the most perfect furnace grate on the market. Of the four triangular grate bars, each bar is operated by the use of a handle applied to either of the two centre bars. To remove this handle after shaking is impossible until the grate bar has been returned to its original position, flat and in place, without any of the cogs sticking up. The result is that the bars are always flat under the fire and that it is impossible for lumps of coal to drop through and be wasted. The Record Triangular Grate can be entirely removed from without without lying on stomach or bothering with a light. 104

### Lift Lock to be Opened on July 6th.

The "Gazette" received on Wednesday, from J. H. McClelland, Esq., Superintendent of the Trent Canal, Peterborough, a letter stating that the Kirkfield lift lock will be formally opened by the Hon. Mr. Lemieux, Postmaster General, at 1.30 o'clock on the afternoon of Saturday, July 6th.

### Women's Institute Meeting.

A very interesting meeting of the Fenelon Falls branch of the Women's Institute was held on Thursday, the 13th inst., in Dickson's hall, two speakers being present, Miss Isabel Rife, of Hespeler, and Miss McIntyre, of Bright, New Brunswick. At the afternoon session, which was taken principally by Miss McIntyre, a talk was given on "Meats and Soups," with demonstrations. The meats were to show how the toughest of meats could be made tender and palatable; and, with regard to soups, the chief object was to show that soups could be made of vegetables without meat as well as with meats. Miss Rife spoke for a few minutes on the work of the Institutes.

The evening session, which was the first meeting of the Women's Institute has held without being connected with the Farmers' Institute, was also of great interest to all present. Miss Rife spoke on the "Attitude of the Home to the School," and it is to be regretted that more of the parents and children of our humble burg were not present to listen to an address so ably and thoughtfully given. She spoke of the school as the training of our children for the world, and the home to fit them for the training; that if a child is allowed to speak slightly of his or her teacher instead of being reproved, he will in time acquire the habit of slighting everything that comes in his way. She also urged parents to put down the habit of "Don't care" which is taking hold of nearly every child in the whole of this bright Canada of ours, and make it a habit of "I do care," thus that bye-and-bye, when the youth of our country shall have reached manhood and womanhood, they will look for the best that is in our country, instead of saying, "I don't care, it is good enough."

Miss McIntyre spoke a few minutes on the objects of the society and what it was doing to promote a better system of living. During the afternoon and evening Miss Alice Hand, Misses Worsley and Quibell and Messrs. Taylor and Moore contributed to the musical programme; also little Miss Marjory McDougall gave an instrumental on the violin, and the way in which she handled the bow held her hearers spellbound, and reflected great credit on her teacher, Mrs. Adamson. The members of the Institute wish to thank all those who were so kind as to take part in the programme. The meetings were fairly well attended, but not so well as they should have been.

### Kinmount.

#### (Correspondence of the Gazette.)

Strenuous efforts are being put forth by the members of the C. O. F. here to make July 1st next a day of rare enjoyment. A splendid programme of athletic and aquatic sports has been arranged, and generous prizes are offered for canoe races and running and jumping contests, and for the best turn-out in the callithumpian procession, with which the long list of sports will be commenced at 9.30 a. m.

Several of our citizens are this summer proving the truth of the adage that "Where there's a will there's a way." Three boat houses have made their appearance on the shore of the river, which

until very recently has been but little used as a means of enjoyment, owing to the large amount of timber which must pass through here each summer.

The government has been very generous in granting money for the improvement of the Bobcaygeon road just outside of this village. A sharp bend around a large rock which completely hides one part of the road from the other, with the river on the opposite side, has ever been a dangerous point for the meeting of vehicles, though as yet no serious accidents have occurred. This week men are engaged in blasting out the rock, and when completed the road will be much wider and less dangerous.

Rev. T. France is in Brooklyn this week, attending the Baptist Association, Mrs. Askey and daughter, of Wayville, came to Kinmount on Saturday last, and will make their home here.

Mr. Fred Wilson is home from the west. Miss Bird Clark, of Fenelon Falls, spent Sunday with her sister, Mrs. (Dr.) White.

### Rosedale.

#### (Correspondence of the Gazette.)

The new Presbyterian church opening on Sunday and Monday last was a very successful affair. The weather was fine, though very hot, and the attendance was large, both at the services on Sunday, when excellent sermons were delivered, and at the tea and addresses on Monday afternoon. The new church is a very nicely finished building, large enough for all requirements, and our Presbyterian friends are justly proud of their new place of worship.

The next big event will be the opening of the new Anglican church on Sunday and Monday, the 22nd and 23rd inst. Rev. Mr. French, of Fenelon Falls, will preach in the morning, and Rev. Mr. Skye, of Toronto, will conduct the afternoon and evening services. The choir of St. James' Fenelon Falls, is expected to assist. On Monday evening there will be the usual tea, etc., and a good time is assured. Boats will run from Fenelon Falls and Cobocook.

SCHOOL EXAMS.--The promotion examinations commenced yesterday, and the Entrance examination will come on next week. Then the holidays.

A CALL.--The congregation of St. Andrew's Presbyterian church here have extended a unanimous call to the Rev. W. H. Andrus, a promising graduate of Knox College, Toronto. Mr. Andrus has not yet accepted the call.

HOT.--Ninety-four in the shade on Monday; ditto on Tuesday. Where are all the people who were kicking about the cold weather a few weeks ago? Also where are the weather prophets who said the cold weather would last until the end of June?

LAWN SOCIAL.--Under the auspices of the Ladies' Aid of the Baptist Church, a lawn social will be held on Mr. William Golden, in Fenelon, on the evening of Thursday next, the 27th inst. Admission, adults 15 cents; children 10 cents. For further particulars see small bills.

METHODIST CHURCH.--The Rev. J. M. Cragg, B. A., B. D., of Frankford, will be the Rev. H. B. Kenny's successor as pastor of the Methodist church here. Mr. Kenny expects to leave on July 2nd. For his new station at Belleville. Next Sunday evening Mr. Kenny will preach a sermon to men.

RUNAWAY.--On Friday last a span of horses owned by Mr. James Graham, of Verulam, and hitched to a waggon, ran away while left unattended at Mr. Tiers' planing mill and headed for home. While crossing the long iron bridge they met a buggy in which Miss Lily Brooks and Miss Helen McDougall were taking a drive, but fortunately passed it without a collision, and were caught and stopped on Colborne street.

BARN RAISING.--The frame of a barn 55 x 100 feet, on a stone foundation, was raised on Mr. Thomas Graham's farm at Sturgeon Point on Wednesday afternoon. Quite a number went down from the Falls per steamers "Kawartha" and "Dauntless." A thunderstorm delayed the start and made the timbers so wet and slippery that the raising was more than ordinarily difficult, but the work was completed before dark without misadventure.

AN ESCAPED PRISONER.--Mrs. J. Twomey, Jr., has a beautiful young canary--a clear, bright yellow in color and a fine singer--which escaped on Tuesday morning in consequence of the bottom of its cage falling out. After enjoying the sweets (or sour) of liberty until about 1.30 p. m., it was captured on Colborne street by Mr. Ernest Pearce, who put his cap over it, picked it up, and carried it to its owner, and it is again behind prison bars.

FARMERS' AND WOMEN'S INSTITUTES.--The annual meetings of the East Victoria Farmers' and Women's Institutes will be held in Dickson's hall, Fenelon Falls, tomorrow, Saturday, the 22nd inst. The farmers' meeting will be held at 11 a. m., and the women's meeting at 2.30 p. m. A large attendance at each meeting is requested. A special seed meeting in connection with the Farmers' Institute will be held at 2 p. m., and should be attended by every farmer in the section.

VOLUNTEERS.--The local contingent of the 45th regiment of volunteers left on Monday morning to join their regiment at Lindsay, and are now in camp at Kingston, undergoing their annual drill. Those who went from the Falls were Messrs. Thos. Stevens, G. Cresswell (sergeants), F. McPhee, G. Wilson, F. Keast, S. Pogue, J. Chatten, J. Barry, W. Chambers, V. Chambers, -- Everson, E. Junkin, -- Thurston. The boys will return on the 29th inst.

TRA OUT OF DOORS.--Perfect weather and liberal patronage combined to make a pronounced success of the 10c. tea which was held at the residence of Mrs. J. J. Townley, under the auspices of the Parish Workers of St. James' church, on Friday evening last. The ladies of this organization purpose giving a series of these pleasant little functions, and the next one is booked for July 4th, at the home of Mrs. George Wilson.

ST. PETER'S CHURCH, VERULAM.--A large number of the parishoners met at the church on Tuesday and gave it a thorough cleaning. They also mowed the grass in the cemetery and trimmed the graves. After a picnic dinner on the grounds, a meeting was held at which the Rev. W. H. A. French presided, and it was resolved to hold a garden party and festival on the grounds of Mr. R. Wilkinson in the near future. This congregation is to be commended for the care taken of the graves of the dead and the beautiful appearance of the cemetery.

SUN-STROCK.--While hoeing potatoes, last Monday evening, on the Syndicate farm, of which Mr. John Aldous is now the owner, Mr. Edward Wilkinson was prostrated by sun-stroke, from the effects of which he is still lying at the residence of his son-in-law, Mr. Percy Aldous, who lives on the farm. It was feared, for a time, that his condition was critical; but he is steadily recovering, and will no doubt be all right in a few days. On Tuesday Mr. John Dennie was sun-struck, but so slightly that he was able to be out next day.

FISHING.--The season opened on Monday, and a good many of our villagers were out bright and early for the elusive lunge. The fish were not disposed to bite at all freely, and no very large catches were made, though most people had more or less luck. Mr. L. L. Cooke caught one that weighed 14 lbs., which was probably the largest taken on the opening morning. On Wednesday morning Mr. Lewis Manning landed a 20½ pounder in the eddy below the falls. That makes Lew the "champion" so far, and gives the other local fishermen something to practise on. Who'll be the first one to beat it?

RUNAWAY.--On Wednesday evening Mr. Wm. Golden's two sons and their brother-in-law, Mr. Charles E. Graham, left the farm in Fenelon to drive to the Falls. When about half way down Jordan's hill the bit broke and the colt that was drawing them ran away. Mr. Graham and John Golden managed to alight from the buggy unhurt, but Will kept his seat. As the runaway neared Brooks' hotel three or four men ran out into the road; but the colt swerved to one side and broke through or jumped over the fence in front of Mr. Paul Oullette's lot, and was then easily caught. Some damage, though not much, was done to the fence and the cover of the buggy.

SEE TO THE SIDEWALKS.--The Evening Post says that Mrs. Breaud, of Cobocook, while walking on Sussex-st., Lindsay, a few weeks ago, was tripped by a board which flew up, and fell so heavily on the sidewalk that she was very badly bruised, besides sustaining a nasty wound on the cheek from a nail in the walk against which she fell, and for some time was in a precarious condition. A similar accident may happen here at the Falls at any moment, as there are several loose planks that fly up if a person steps on either of their ends. We have pushed two or three of them into place more than once within the past few days, and they should be spiked down "good and tight" as soon as possible. Those we temporarily adjusted are on Francis-st. east, but there are no doubt many others.

### MARRIED.

BELL-COWAN.--At the residence of the bride's parents, by Rev. W. T. Hallam, on Wednesday, June 12th, 1907, Mr. Thomas Daniel Bell, of Barrie, to Martha Caroline, only daughter of Mr. W. J. Cowan, of Canington.

HALL-RYAN.--At the residence of Mr. Geo. Quibell, Fenelon Falls, by Rev. H. B. Kenny, on Wednesday, June 12th, 1907, Mr. Wilfred Hall, of the township of Somerville, to Miss May Ryan, of the township of Seugog.

DEYMAN-McCALL.--At the residence of the bride's parents, by Rev. H. B. Kenny, on Thursday, June 20th, 1907, Mr. Peter Cecil Deyman to Mary Elizabeth, eldest daughter of Mr. Walter McCall, all of Fenelon Falls.

DEYMAN-IRVINE.--At the residence of Mr. John K. Irvine, of Fenelon, by Rev. A. F. Webster, of Oakwood, on Wednesday, June 19th, 1907, Mr. R. H. Deyman, station agent at Gooderham, to Miss Lillian M. Irvine, of Cambray.
