THE RECORD CALORIFIC

Our warm air heat producer for churches and large public buildings, possesses a very important feature in the fact that it has two air courses—the air travels up through both the inner and outer castings. All products of combustion and completely

come in direct contact with surround the hot air columns, thus making the largest amount of heating surface to every square foot of grate surface ever achieved in a warm air heater. The flue construction admits of heat being forced direct to the most distant and most exposed part of the building to be warmed.

Fatal Dynamite Accident.

A terrible accident by which Mr. Jas. Rettie, of Somerville, met his death, and his eldest son was seriously injured, took place on his farm in that township about 6 o'clock last Friday evening. He had been at work for some time past blasting out a ledge of rock to level a site for a barn he intended to build; and the charge of dynamite that killed him exploded while he was on his knees tamping it into a hole drilled in the rock for its reception. The consequences were terrible. Part of his left hand was torn off and the remainder of it reduced almost to a jelly, his left arm was broken above the wrist, two or three fingers of his right hand were split, the flesh was stripped off the right side of his face and his right eye blown from its socket, his chest was injured, and his throat, chin, lips and brows were badly lacerated by fragments of rock. Notwithstanding his dreadful condition, Mr. Rettie walked to the house, sat down and asked for a glass of water. All the doctors from the Falls were in attendance as soon as possible, and having administered chloroform—up to which time their patient had retained consciousness—amputated his left arm between the elbow and wrist and dressed his ghastly wounds. At the time of the accident, Mr. Rettie's three boys were standing near him watching him work, and the eldest, about twelve years of age, was struck in the face, and one of his eyes so badly injured that its sight may be destroyed; but his brothers escaped almost unhurt. On Saturday morning father and son were placed on the train from the north, to be taken to the Lindsay hospital, but Mr. Rettie died just before it was reached. Deceased, who was about forty years old, leaves a wife and six or seven children; and it is almost unnecessary to say that they have the sympathy of the whole community. The boy, who is still in the hospital, is doing well and his recovery is considered certain.

Fenelon Council.

An adjourned Court of Revision and general business meeting was held at Cameron on June 10th. The minutes of the Court of Revision at Cambray, on May 28th, were read and approved.

The adjourned matter of placing a business tax of \$250 each on threshers was then taken up, and, after being thoroughly discussed, the following motion was passed; the chairman, Mr. Parkin, voting "ay":

Moved by Mr. Palmer, and seconded by Mr. Moynes, that we do not put a business assessment on threshing outfits owned in this township.—Carried.

On motion of Messrs. Cragg and Webster, James Jackson's assessment was reduced \$600 and H. E. Feir's \$200.

Moved by Mr. Moynes, seconded by Mr. Palmer, that Thos. Graham's assessment on buildings be reduced \$200, owing to his barn being destroyed by fire; also that John Bates be assessed for the premises in Cameron lately occupied by J. Robertson; and that the assessment roll as now confirmed be the roll for 1907.—Carried.

General business was then taken up, and the following motions passed:

Webster—Moynes.—That \$1.25 a day be charged those not performing their statute labor.—Carried.

Palmer—Moynes.—That the township printing be given to R. J. Moore at the same rate as last year.—Carried.

Webster—Palmer.—That a by-law be now introduced for expending certain sums on the roads of the township, and appointing commissioners to expend the same.—Carried.

The by-law was introduced and passed in the usual way; Mr. Palmer occupying the chair.

Cragg—Palmer.—That a by-law be introduced to authorize the reeve and treasurer to borrow \$600 for township purposes.—Carried.

The by-law was introduced, read three times, signed and sealed; Mr. Moynes in the chair.

Moynes—Webster.—That the following bills be paid: Robert Eyles, for 103 loads of gravel, \$5.15; Thomas Endicott, bonus on 30 rods wire fence, \$7.50; E. McNish, for getting 14 stumps pulled in his beat, \$10; J. E. Fital, for postage as collector, \$5; Jas. W. Griffin, for grading on his beat, \$29.87; John S. White, cedar for Cambray bridges, \$62.15; A. F. Cragg, work on Cambray bridges, \$8.75; W. Arksey, braces for Cambray bridges, 80 cts; A. F. Cragg, repairs to grader, \$1.90, and for services re Cambray bridges, \$1—total, \$2.90; T. Parkin, services re McLaren's bridge, \$3; M. Maybee, use of Orange hall for this meeting, \$2; R. J. McLaughlin, law costs re McLaren's and Rosedale-bridges, \$101.58.—Carried.

Council then adjourned, to meet at call of the reeve.

Somerville Council.

Council met at Burnt River on June 22nd, pursuant to adjournment; all the members present and the reeve in the chair. The minutes of the last meeting were read and confirmed.

Mr. J. Hodgson asked leave to place telegraph poles on the roadside. Leave was granted.

The collector submitted sheet of statements on the roll of 1906, and abatements to the amount of \$407.67 were allowed.

Moved by Messrs. Rumney and Carew that George Hughes repair culverts on the Kinmount road in the 10th, 11th and 12th concessions.—Carried.

The following grants were made on the roads: On Cavanagh's division, \$15; on the side-line, lots 3 and 4, 1st and 2nd cons., \$30, Wesley Aldred commissioner; on the road near J. Akister's \$12, Wm.

Dodd commissioner; on Mr. Brown's road, \$10; on the base line across the 10th and 11th cons., \$25, Wm. Heasman commissioner.

Moved by Messrs. Maconachie and Carew, that a petition be sent to the government, asking that the bridge that was taken away by the high water in the spring of this year be re-built.—Carried.

The Reeve and Mr. Rumney were authorized to have the bridges on the road from Burnt River to Cobocoonk repaired.

Moved by Messrs. Carow and Davis, that the following accounts be paid: George Hughes, fence bonus, \$18; John Rumney, work on the roads, \$10; Geo. Murray, expenditure on roads, \$31.56; I. L. Cooke, hammer, 96c.; George Train, salary and postage, \$47; A. B. Townsend, salary as assessor, \$75, and as collector, \$90; S. Suddaby, salary, \$39; E. D. Hand, \$11; Brodie & Forester, \$6.—Carried.

Council adjourned, to meet at Burnt River on Monday, 19th of August next.

Personals.

Mr. Ernest Pearce left on Friday last for Omence.

Miss Helen McDougall is visiting friends in Lindsay.

Mrs. Koylo, of Lindsay, is visiting at Mrs. Hugh McDougall's.

Miss Flossie Jones, of Bracebridge, is visiting her friend, Mrs. F. H. Magee.

Miss Ethel McLean, of Lindsay, has resumed her old position in Mr. J. L. Arnold's store.

Mrs. R. J. Moore and four children have returned to the Falls, after a three weeks' visit to North Bay.

Mrs. Rogers, Mrs. Weir and Mrs. Wylie, of Omence, attended the annual district meeting of the East Victoria Women's Institute at the Falls on Saturday last.

Miss Irene McDougall returned home on Thursday last from Whitty Ladies' College, having finished her course in that institution. Miss McDougall is receiving the congratulations of her friends on having won the Whitty citizen's gold medal, presented to the pupil of the college taking highest standing at graduation. She also receives her diploma from the Toronto Conservatory of Music, and adopts the title of "A. T. C. M."

Powles' Corner.

(Correspondence of the Gazette.)

The garden party that took place at Mr. J. B. Powles' on the 13th of this month was very numerously attended. A spirited game of base-ball was played between the team here and the Cambray nine, the latter team being victorious. Tea was then served, and vocal and instrumental music was given. The proceeds amounted to \$30.

Those who are pasturing their sheep on the road here should share up the profits with those who are annoyed by the animals.

Mr. H. W. Johnston raised his barn on Saturday, the 15th inst. The dimensions are 45 by 75 feet. It was quite late at night when the work was finished, and some of the men exchanged coats when starting for home. There is one coat awaiting the rightful owner at the post office here.

On Thursday, the 20th, the steamer "Kawartha" was chartered by a few young men around here, and about twenty-five young people had a very pleasant trip up to the lift lock at Kirkfield. Mr. and Mrs. R. Day, from the North-west, were among the number.

Mr. and Mrs. J. Moore, who are on a trip to the Old Country, have arrived safely at Dublin, after a rather rough passage across the Atlantic. They will learn with a certain amount of regret, no doubt, of the loss of one of their cows, which became mired in the beaver meadow creek, and was in too long to be restored.

The cow that Mr. John S. Brown had injured by a neighbor's team in the barn yard was hurt so badly that it had to be killed.

The statute labor was performed last week on Mr. James Shea's division from Powles' Corner to Styles' creek. There was \$25 expended in addition to the statute labor. Mr. Shea makes a good overseer, and the men worked hard. They will have the benefit in the future.

Mr. A. Pearson landed a few weeks ago from England to join his brother Norman, who is in the employ of Mr. John S. Brown.

Miss May Dancy is attending the marriage of her cousin, Miss E. Germyn, at Dunsford this week.

The farmers are glad that the rain came, but sometimes we get extremes that are not beneficial.

Mr. James Knox, of Cobocoonk, paid his aged mother a short visit the first of last week.

Mr. and Mrs. W. H. Day, of Guolph, are visiting at Mr. N. Day's, Lakeview Farm.

Rosedale.

(Correspondence of the Gazette.)

The opening service in St. John's Anglican church on Sunday morning was not largely attended, owing to the very heavy rain, but those who were present were well rewarded, the service and sermon being very enjoyable and instructive. The afternoon service was well attended, and in the evening, by which time the weather had cleared, the church was filled, and, as in the morning, the service and sermon were all that could be desired. The assistance rendered by the choir of St. James', Fenelon Falls, was very much appreciated. The tea on Monday evening was largely attended, despite the threatening weather, and, at the conclusion of the programme which followed, the announcement was made that the net receipts for the two days had been more than sufficient to pay off the last dollar of indebtedness on the church. Our Anglican friends are to be congratulated upon the

highly successful completion of their undertaking, and upon the appearance of their new church.

DOMINION DAY.—Monday next, July 1st, will be Dominion Day, and, as usual, a public holiday. A celebration will be held at Kinmount.

BOAT TO KIRKFIELD.—On Saturday, July 6th, the steamer "Manita" will run to Kirkfield lift lock opening, instead of to Cobocoonk, leaving at the usual time (11.15 a. m.) Single fare for return trip.

TEA.—A tea, under the auspices of the Parish Workers of St. James' church, will be held at the residence of Mrs. George Wilson, Oak street, on the evening of Thursday, July 4th. Tea served from 5 until 8 o'clock. Admission 10c.

HOLIDAYS.—The promotion examinations in the schools are over, the holidays have begun, and the small boys and girls are full of impatience to know whether they have passed or not. Results of the exams will be published next week.

GRAND MASTER C. O. F.—At the annual meeting of the Grand Lodge of the Canadian Order of Odd-Fellows, held in Lindsay last week, Mr. W. T. Junkin, of the Falls, was elected Grand Master for the ensuing year. Congratulations, Tom.

SINGLE FARES.—On Dominion Day, July 1st, the steamer "Manita" will issue tickets at single fare for return passage between all ports of call on the Lindsay-Cobocoonk route. On steamer Esturion, one-half regular return fare rates will be issued. Valid returning date of issue only.

C. O. O. F. CHURCH PARADE.—The members of Front Valley Lodge, Canadian Order of Odd-Fellows, will attend divine service in St. James' church on Sunday morning, the 30th inst. The annual decoration ceremonies of the Order will be held on the afternoon of the same day.

WOMEN'S INSTITUTE OFFICERS.—At the annual meeting of the East Victoria Women's Institute, held in Dickson's hall on Saturday afternoon last, the following officers were elected for the ensuing year: President, Mrs. Wm. Poll; vice-president, Mrs. Weir; secretary, Miss Emily L. Nis; Directors, Mrs. Rogers, Mrs. Wylie, Mrs. James Lamb, Mrs. Suggitt, Mrs. Stewart, Mrs. Cosh.

ALFALFA.—Mr. W. H. Powles, of Powles' Corner, Fenelon, brought to the "Gazette" office on Tuesday a couple of stalks of alfalfa clover from a plot of about a quarter of an acre which he has growing on his place. The seed was sown in the spring of 1906, at the rate of about 20 pounds to the acre, and Mr. Powles expects to get at least three cuttings this summer, and says that the first cutting, which will be made in a few days, will yield a ton or more of hay. He thinks farmers who have suitable land are making a mistake in not growing alfalfa. The plant has excellent feeding properties, is a rapid grower, and is unaffected by dry weather, the samples left in by Mr. Powles being 36 inches high.

LIGHTNING'S WORK.—During the storm Saturday afternoon, Mr. Joseph Welsh's house in Fenelon, near the village boardwalk, was struck by lightning, which ripped some boards off the rear end, demolished a chimney, threw down a whole lot of stove-pipes, and then bored a hole in the dining-room floor and jumped down into the cellar, where it disarranged a few of the foundation stones, and finished by badly damaging the door-jamb. An insurance company will pay for the repairs. On the same afternoon a horse owned by Mr. Walter Everson of Verulam, was struck and killed. It was insured for \$75. The storm raged violently over the Falls; but the only damage the lightning did, as far as we know, was to knock a few bricks off one of the chimneys of the Rectory.

MARRIED.

PURDY-EDGAR.—At St. James' Rectory, Fenelon Falls, by the Rector, the Rev. W. H. A. French, on Tuesday, June 25th, 1907, Mr. Bertram C. Purdy, of Cobocoonk, to Miss Minnie E. Edgar, of Red Rock, Verulam.
