Address and Presentation.

Rev. S. A. Kemp, for the last two years pastor of the Methodist church at Baddow, has been transferred to Plainfield, not far from Belleville; and on Monday evening last, at a farewell meeting at-tended by sixty-four of his parishoners in Mr. Richard Suggitt's house at Baddow, the reverend gentleman was presented with a purse of money, contributed by the Baddow members of the congregation, and the following address: Dear Mr. and Mrs. Kemp,-

We gather together on this our last opportunity of meeting you, that we may express in a small way our appreciation of you and your work. It is with deep regret we contemplate your removal from our midst; but we remember that the testing of our devotion is our response when duty's call is heard. We take sincere pleasure, however, in even thus slightly expressing our heartfelt appreciation of your ministry among us for the past two years. We feel that they have been years whose influence and results will go on ever widening as time rolls on, and at last gain, with stars, the crown of life reserved for you. We who remain behind will pray that an ever-increasing measure of that reward which is sweetest to the Christian gleaner may be yours in your new field of labor. Your path will be as all paths must be along the lonely plain, and also on the clear heights of the mountain top, where the soul reaches forward eagerly to the Eternal Beyond. The future is veiled, but whatever may be shadowy to us is all clear to Him whose purposes must, from the necessities of His own nature, be all goodness and love. Our paths diverge, but, treading our separate ways, we shall remember you and breathe a prayer for your success, and will always be pleased when you are permitted to visit our Circuit. You will please accept this purse, and may it help the more to keep us in your mind.

Signed, in behalf of many friends at Baddow, by three members of the con-

gregation. Rev. Mr. Kemp made a feeling reply to the address, after which a pleasant evening, in the course of which refresh-

ments were served, was spent by all present.

Dominion Day passed off rather quiet- long or cut to order. ly this year. A few went to the pic-nic at Glenarm, some to Ball Point and some to the strawberry patch; and, as the 1st of July fell on washing day, some diverted themselves for a few hours with wash tubs and chothes wringers. About ten times out of twelve a person is better at home than abroad on a holiday.

The recent showery weather and warm sunshine are pushing vegetation of all kinds ahead at a great rate; and by the 15th of this month we will be able to show timothy hay three feet in height.
