JOSEPH HEARD, FENELON FALLS, SALES AGENT.

The Fenelon Falls Gazette.

Friday, Aug. 30th, 1907.

Telephone Organization Meeting.

A meeting for the purpose of organizing an independent telephone company will be held at Burnt River to-morrow, Saturday, at 2 o'clock p. m. Fenelon Falls should be well represented at this meeting, as it is of the utmost importance that the new line, which will certainly grow into a large system, shall come first to the Falls. What say you, local business men?

Hymeneal.

A very pretty wedding was solemnized at the home of Mrs. Lois Hill, near Powles' Corner, in Fenelon township, on August 21st, when her youngest daughter, Ada Mae, was united in the holy bonds of matrimony to Mr. Harry Torrance, of Fenelon Falls, the ceremony being performed by the Rev. W. J. M. Cragg, of Fenelon Falls. Precisely at two o'clock the bride entered the drawing room on the arm of her brother, Mr. Walter Hill, to the strains of Lohengrin's wedding march, played by her nephew, Mr. Douglas Hill. The bride looked charming in a beautiful gown of white tulle silk trimmed with chiffon ruching. She was attended by her friend, Miss May Daney, who also looked charming in a dress of old rose cashmere and white silk, with trimmings of ribbon and insertion. Miss Jean Hill made a very pretty little flower girl, dressed in white silk and carrying a basket of white flowers. The groom was assisted by his brother, Mr. Joseph Torrance.

After the ceremony, a party of sixty guests were ushered to a sumptuous tea which awaited them, after which the happy couple took their departure on the five o'clock train, amid showers of rice and old boots, to extend their wedding tour to Toronto, Hamilton and Gordon Harbor. The bride's travelling suit was blue ladies' cloth, with white satin trimmings and hat to match.

Numerous and costly presents manifested the high esteem in which the young couple are held by their many friends. Friends from Penetanguishene, Little Britain and Lindsay were present. Mr. and Mrs. Torrance will have in their journey through life the highest and best wishes of a host of friends.

Personals.

The Misses Curle, of Campbellford, are visiting at Mr. Martin Stillman's. Miss Jeanie Quibell left on Saturday last to take in the Toronto Exhibition. Mr. W. H. Robertson, of the Peterborough "Times," was at the Falls over Sunday.

Mrs. John C. Brandon went to Toronto last week to visit her daughter and will return to-day.

Mr. Wm. B. Brandon left on Monday to spend a fortnight's holiday at Owen Sound and Toronto.

Miss Maeniven and her brother Mr. James Maeniven, of Cayuga, spent the past week with friends at the Falls.

Mrs. Wm. Tompkins, of Cambray, has been at the Falls since Saturday, the guest of her sister, Mrs. (Dr.) Gould.

Mr. and Mrs. J. J. Townley left on Monday for Toronto, and before they return, which will be about the middle of next week, Mr. Townley will take a business trip to the city of New York.

Miss Lily Terrill returned on Thursday of last week from a month's visit to relatives and friends at Colborne and Wooler. She was accompanied by her friend, Miss Tuttle, of Colborne, who remained at the Falls until yesterday morning.

Mr. Thos. West, who left about three months ago for Vancouver, B. C., came home on Monday. He says that Japanese are very numerous in Vancouver, and that, though active and industrious, the great majority of them are such little bits of fellows that it takes two or three of them to do as much heavy work as a full-sized white man.

Powles' Corner.

(Correspondence of the Gazette)

Mr. Mitchell Herron has sold to Mr. George Perrin the farm he purchased a few years ago from Mr. George Black. The farm is the old homestead on which Mr. Perrin spent his childhood. We hear that the price paid was \$5,000, and that Mr. Perrin has leased the farm to his brother.

This week the seventeenth beef will be killed and dressed for the beef ring. Three more weeks will bring the season of twenty weeks to an end; but the time may be extended a few weeks longer, as it was last fall.

During the long spell of dry weather the grasshoppers have been busy on a great many farms. These insects have destroyed the oat crop to a great extent, and done more or less damage to all kinds of grain and roots.

The many friends and acquaintances here of Mr. John Richards, of Lindsay, will be sorry to hear of his sad affliction. He went up to see his daughter, who is in the Sanitarium at Gravenhurst and is nearly at death's door; and now the sad news has come that Mr. Richards has had a paralytic stroke, and that there is no hope of his recovery. Only a few weeks ago his little boy died of brain fever.

Mr. and Mrs. A. Jackson, of Enterprise, are visiting their daughter, Mrs. J. C. Wagar.

Miss Lizzie Davis, of Lindsay, spent a week visiting at Mr. W. Lamb's.

Some of the farmers have finished cutting, and have put their binders away until next season.

When the farmers are drawing in their turnips, this fall, they will need a very tight waggon box, as the turnips are going to be unusually small.

WOMEN'S INSTITUTE.—A meeting of the Women's Institute will be held at the residence of Mrs. Wm. Welsh, in Verulam, this (Friday) afternoon.

LABOR DAY.—Monday next, September 2nd, will be a public holiday.—Labor Day. Farmers please take notice, as stores and banks will be closed.

ST. ANDREW'S CHURCH.—The Rev. Dr. Macdonald, of Inverness, Scotland, will preach in St. Andrew's church here on Sunday next, morning and evening.

STR. KAWARTHA.—After this week the regular trips of the "Kawartha" to Coboconk will be discontinued. Trips to Rosedale will be made two or three times a week for some time yet.

DUCK SHOOTING.—The duck shooting season opens on Monday next, Sept. 2nd, and local Nimrods are making preparations for the occasion. Ducks are reported to be plentiful this year.

TENNIS.—Fenelon Falls once more defeated Bobcaygeon on Thursday of last week at the latter village, winning five out of nine events. Owing to lack of space, we are unable to publish scores.

AUCTION SALE.—Mr. John Hodgson, of Burnt River, will hold an auction sale of farm stock and implements on Tuesday, Sept. 17th. Mr. James Mansfield will be the auctioneer. See bills for particulars.

A LONG CANOE TRIP.—Messrs. A. L. Townley and R. H. McDougall, of the Falls, and Jas. Dougan and Herb Paton, of Lindsay, paddled from Fenelon Falls to Dorset and back last week, leaving here on the 19th and returning on the 26th. They travelled 140 miles, caught a number of trout, and had a good time.

SCHOOL.—The village schools will reopen on Tuesday next, with an almost complete new staff of teachers, the only former ones remaining being Miss Nevison and Miss Cameron. The new teachers are Mr. A. A. Cameron, of Port Whitby, principal, Mr. H. Carson, of Waterdown, Mr. Rupert Wagar, of Fenelon Falls, and Miss Minnie Podd, of Kemptville.

NEW SIDEWALK.—A new piece of sidewalk is being laid on the south side of Francis street east, from Reeve Mason's residence to Colborne street. Instead of plank, the new walk is being made of fine stone screenings from the Burnt River quarries, held in place by cedar stringers, and faced with a composition something the nature of asphalt. It will no doubt make an excellent walk.

A BLACK WOODCHUCK.—A woodchuck, or groundhog, with a coat as black as the proverbial ace of spades, was killed in Mr. E. C. Edwards' livery yard on Wednesday afternoon. This is the first animal of this kind ever seen in this vicinity, except one which Mr. E. Fitzgerald received from his brother at Parry Sound some time ago and had for a while in a half tame condition on his premises, where it was killed by a dog a few weeks ago.
