

LECTURE AND OYSTER SUPPER.—The members of L. O. L. No. 996 have arranged with the Rev. W. H. A. French to give a lecture on the Gunpowder Plot, in Dickson's hall, on the evening of Tuesday next, the 5th inst. The Parish Workers of St. James' church have kindly consented to provide an oyster supper for the occasion. Supper served from 5 to 8 p. m. Lecture will begin at 8 o'clock. All cordially invited. Tickets 25 cents.

WOMEN'S INSTITUTE.—The meeting of the Women's Institute, held last Friday afternoon at the home of Mrs. G. J. Nie, was a decided success, about twenty members being present. Mrs. French gave an excellent talk on "Thanksgiving," showing that at this season of the year we ought to be more thankful for the abundance of everything which has been bestowed upon us to provide for the coming dreary months of winter than at any other time. After a vote of thanks to Mrs. French, the meeting was closed by singing the National Anthem. The next meeting will be held in December, when Dr. Annie Backus, of Aylmer, will speak at both afternoon and evening sessions. We trust that as many members as possible will be present, along with those who are not members, as the meeting promises to be one of the best ever held in this riding. Notice will be given later on as to the place of meeting.

LEARN DRESSMAKING BY MAIL

In Your Spare Time at Home, Or Take a Personal Course at School. To enable all to learn, we teach on cash or installment plan. We also teach a personal class at school once a month—class commencing last Tuesday of each month. These lessons teach how to cut, fit and put together any garment, from the plainest shirt waist suit to the most elaborate dress. The whole family can learn from one course. We have taught over 7,000 dressmakers and guarantee to give \$500 to anyone who cannot learn between the ages of 14 and 40. You cannot learn dressmaking as thorough as this course teaches it if you work in shops for one year. Beware of imitations, as we employ no one outside the school. This is the only experienced Dress Cutting School in Canada, and excelled by none in any other country. Write at once for particulars, as we have cut our rate one-third for a short time. Address
