## LEARN DRESSMAKING BY MAIL

In Your Spare Time at Home, Or Take a Personal Course at School.  
 To enable all to learn, we teach on cash or installment plan. We also teach a personal class at school each month. These lessons teach how to cut, fit and put together any garment, from the plainest shirt waist suit to the most elaborate dress. The whole family can learn from one course. We have taught over 7,000 dressmakers and guarantee to give \$500 to anyone who cannot learn between the ages of 14 and 40. You cannot learn dressmaking as thorough as this course teaches it if you work in shops for years. Beware of imitations, as we employ no one outside the school. This is the only experienced Dress Cutting School in Canada, and excelled by none in any other country. Write at once for particulars, as we have cut our rate one-third for a short time. Address
