

ROSEDALE LOCK.—As will be seen by an advertisement in this issue, the Government is calling for tenders for the construction of the Rosedale section of the canal. This is good news.

THANKSGIVING SERMON.—The Rev. C. S. Lord gave a very interesting patriotic thanksgiving sermon in St. Andrew's church on the evening of Sunday last. Mr. Lord is very original in his discourses, and his hearers may look for something new each Sabbath.

SELLING OUT.—Mr. F. H. Magee has decided to go out of business in Fenelon Falls, and offers his entire stock of harness, fur coats, robes, trunks, valises, etc. etc., at genuine bargain prices. Any person requiring anything in these lines should take advantage of this sale.

ACCIDENT.—While Cora Pearn, fourth daughter of Mr. Henry Pearn, of the Falls, was entering the school-house on Wednesday afternoon, she was accidentally pushed or jostled by another pupil and fell on the stone door-step, which inflicted a nasty cut on her right knee. She was taken to her home, where Dr. Wilson dressed the wound, after putting in a couple of stitches.

District Notes.

Beaverton wants a High School, and the citizens are taking steps to get one built there.

Mr. H. J. Lytle has resigned the position of manager of the Lindsay branch of the Bank of Montreal, and will be succeeded by Mr. H. B. Black, of Almonte. Mr. Lytle will continue to reside in Lindsay.

Coons are reported numerous in south Verulam. That's nothing; there is a Coon running a laundry at the Falls.

Two Peterborough hotel keepers were each fined \$95 and \$5 costs for selling liquor on Sunday, October 6th. Now will they be good?

Here's the way a letter goes from Corson's Siding to Cobocok, a distance of six miles. It goes to Kirkfield, then to Lorneville, on to Blackwater, over to Lindsay, up to Fenelon Falls, and by stage to Cobocok—about 107 miles altogether. This is quite a nice ride for your letter. —*Watchman-Warder Corr.*

The farmers around Dunsford are talking of forming a "beef ring" for the winter months. Beef rings have generally proved successful, and it is hoped that the organization in Dunsford will be formed. —*Post Corr.*

Mr. E. Elcome, taxidermist, has in his possession a white robin. It was captured by a gentleman from California while walking along the old Chemung railway the other day. The robin has a normal red breast and dark back, but the head and other portions of the body are abnormal in color, being white. Mr. Elcome has had this rara avis mounted, and anyone desiring to see it may do so at his place on Harvey street. —*Peterboro Review.*

About Quinces.

The Borgate quince has not been extensively grown in America, but it has been tried enough to prove that it is a good variety. Van Deman has not proved, as far as I know, to be any improvement on the Orange and other varieties we have been growing. It is later than several of them. Orange is generally considered the best one to grow. —*H. E. V. D. in Rural New Yorker.*

Making Sure.

Dentist—I've filled all of your teeth that have cavities, sir.
Mahoney—Well, thin, fill th' rist av thim, too; thin whin th' cavities come they'll be already filled, b'gobs! —*London Tit-Bits.*

The first farmer was the first man, and all historic nobility rests on possession and use of land. —*Emerson.*

NEWSPAPER LAW.

1. A post-master is required to give notice by letter (returning the paper does not answer the law), when a subscriber does not take his paper out of the office, and state the reasons for its not being taken. Any neglect to do so makes the postmaster responsible to the publisher for payment.
2. If any person orders his paper discontinued he must pay all arrearages, or the publisher may continue to send it until payment is made and collect the whole amount whether the paper is taken from the office or not. There can be no legal discontinuance until the payment is made.
3. Any person who takes a paper from the post office, whether directed to his name or another, or whether he has subscribed or not, is responsible for the pay.
4. If a subscriber orders his paper to be stopped at a certain time and the publisher continues to send it, the subscriber is bound to pay for it if he takes it from the post-office. This proceeds upon the ground that a man must pay for what he uses.
5. The courts have decided that refusing to take newspapers and periodicals from the post-office, or removing and leaving them uncollected for, is *prima facie* evidence of intentional fraud.
