LEARN DRESSMAKING BY MAIL

In Your Spare Time at Home, Or Take a Personal Course at School.
To enable all to learn, we teach on cash or instalment plan. We also teach a personal class at school once a month—class commencing last Tuesday of each month. These lessons teach how to cut, fit and put together any garment, from the plainest shirt waist suit to the most elaborate dress. The whole family can learn from one course. We have taught over 7,000 dressmakers and guarantee to give \$500 to anyone who cannot learn between the ages of 14 and 40. You cannot learn dressmaking as thorough as this course teaches it if you work in shops for years. Beware of imitations, as we employ no one outside the school. This is the only experienced Dress Cutting School in Canada, and excelled by none in any other country. Write at once for particulars, as we have cut our rate one-third for a short time. Address

KEEP YOUR FEET DRY.

This is the cold-catching season. Colds are dangerous customers. Nearly all colds are caused by wet feet. Keep your feet dry with a pair of good rubbers. And when buying the rubbers, select them from my stock—a stock that has value for every cent of the money you spend, and variety to make selection easy and satisfactory.
