KEEP YOUR FEET DRY.

Keep them warm, too.

Any care that you give your feet at this time will well repay you.

A maxim says that if your feet are right you are all right.

A good deal of truth in it, too.

There are felt shoes, rubbers, overshoes and moccasins here that will fit any foot. They are new goods, strong and durable. Put a pair on and your feet will never guess that the weather is cold or the ground wet or slushy.

Prices always right.

J. L. ARNOLD.

Our reputation and business has been built up on the best of materials and workmanship, and we still wish to maintain it. Hence this notice.
