

NEWS OF THE NEIGHBORHOOD

Powles' Corners.

(Correspondence of the Gazette.)

The three young couples who have recently been united in marriage have our very best wishes for a happy and prosperous future.

Mr. and Mrs. Robert Cooper, of Lindsay, were down last Wednesday to attend the wedding which took place at the residence of Mr. James Powles.

The Rev. R. Woodworth, of Toronto, occupied the pulpit here on April 26th.

The social evening at the residence of Mr. William Cooper was numerously attended by the young people of the vicinity, and all seemed to thoroughly enjoy themselves.

Mr. Jas. Pollard, of Cameron, has leased the Robe farm as a summer resort for a number of cattle of different ages.

A short time ago quite a number of wild geese were wandering around Sturgeon lake, and occasionally settled on Mr. Nathan Day's fall wheat, which was not improved by their visits.

Mr. A. J. Pearson and Mrs. D. F. Milloy, of Oakwood, called on friends here last week.

Quite a number of friends of Mr. and Mrs. R. Cochrane called on them last Friday evening, and offered congratulations and good wishes.

Dr. H. H. Graham, of Fenelon Falls, came out one day last week on a professional visit to Mr. Thos. Daniel, Sr., who is not enjoying very good health.

Great sympathy is felt here for Mr. and Mrs. Andrew Torrance, of Fenelon Falls, in the loss of their son Joseph on Saturday last.

The high land is getting dry enough for the farmers to commence seeding, and they will be kept busy for a week or ten days if the present fine weather continues.

Rosedale.

(Correspondence of the Gazette.)

The Rev. Mr. McDonald, of Latchford, Ont., is at present visiting a few friends in this vicinity.

Mrs. J. Lamb, of Lindsay, paid a short visit to her daughter, Mrs. R. Arkwright, of this place, last week.

Mrs. P. Pordue had her right leg broken on Friday last, by being blown from an approach to one of the out buildings. Dr. Graham, of Fenelon Falls, set the broken bone and the patient is at present doing well.

Mr. F. J. Goodman, of this place, was quietly married, on Wednesday last, to Miss Minnie Arkwright, also of this place. The ceremony was performed by the Rev. A. B. Chafee, of Cobocok. Your scribe joins in congratulating the young couple.

Some of our citizens enjoyed a moonlight excursion one night last week in search of a missing cart, which it was found had taken refuge in the river, apparently to escape hard usage. It was finally recaptured and brought back to shore, after several unsuccessful attempts. We are sorry for the cart.

Mr. McDonald's staff has been considerably increased and work is beginning on a large scale.

Haliburton

(Correspondence of the Gazette.)

We have been in the grip of frosty weather for the past eight or ten days, which has greatly retarded garden work. To-day, Tuesday, is much more spring-like, so we are expecting fine weather in the near future. Notwithstanding the cold, disagreeable weather just past, the first drive of logs for the season passed under the bridge and over the slide yesterday, the 4th inst., on its way to Malloy's mill. The drive was managed by Mr. Ed. Robertson, foreman, who is said to be one of the most expert rivermen in the highlands of Haliburton.

The Austin Bros. are making preparations to start sawing at an early date. Mr. Laking's mill is to be put in motion next week.

Mr. Dutton's team ran away one evening last week. They ran at full speed towards the village but failed to turn at the bridge and consequently were precipitated into the water. A number of men were at work in the immediate vicinity and rescued them from their perilous position, very little the worse for their plunge. The waggon and harness were considerably damaged.

A change has taken place in the round-house here. Mr. Eason, who has for the past few months had charge of "the iron steed" during the silent hours of the night, has resigned and Mr. Robert McBrien has succeeded him. It will be part of Mr. McBrien's duty to see that the monster is properly groomed, watered and fed before leaving on its journey to Lindsay each morning.

Dr. Soady performed a very clever operation for appendicitis on a youth fifteen years of age, son of Mr. Johnston Smith, of Glamorgan. The patient is said to be doing well.

(Correspondence of the Gazette.)

Our school has been closed this week because of the teachers being sick.

Mr. James Plett, Sr., is on the sick list at present.

The egg and cream waggons are again on the route.

Miss Gertie Elliott, of Fairbairn, was visiting friends in this vicinity this week.

Everyone is busy seeding and the ground is drying very fast.

Mr. John Lamb is preparing to remodel his barns this summer.

Cobocok.

(Correspondence of the Gazette.)

Dr. Bowerman, of Beaverton, was in Cobocok on Wednesday, a guest at the Pattie House.

Mrs. Taylor has returned to Orillia, after spending some time with friends in town.

Mrs. Albert Phillips has left for Toronto, where she intends residing in the future. She will be much missed by a large circle of friends, as she had been a resident of Cobocok for some years.

Mrs. Rod. Grant, of Woodville, has returned home, having spent a few days in town with her aunt, Mrs. W. Bain.

We regret very much the sad news received by Mrs. McGregor, of Lindsay, who was soon to become a resident of Cobocok. On Monday morning Mr. McGregor went down to Lindsay to bring back the furniture (Mrs. McGregor having come to Cobocok some days previous) intending to return Monday night.

Nothing was heard of him until Tuesday evening about 5.30 o'clock, when Mrs. McGregor received a telegram saying her husband was dying. She left immediately for Lindsay. The cause of his sudden illness is unknown.

Master Russell Graham, of Lindsay, formerly of Cobocok, has returned to town and become an employee of the Cobocok livery.

Mr. Jim Pearsoll, who has been for some time past in Toronto, has returned to Cobocok, intending to spend the summer here. Glad to see Jimmie back.

The first ice cream parlour opened to-day by Mr. W. Moore. Another will be opened next week by Miss A. Richman.

Mr. Brethens, of Toronto, was in Cobocok on Tuesday on business.

The silver wedding at Mr. Jos. Wake-lin's on May 2nd, was largely attended. The presents received were numerous as well as very pretty.

Use Your Watch Right

What would you think of an engineer who ran his engine two or three years, night and day, without cleaning or oiling?

What would you give him for his machine after a few years of such use.

And yet you subject your watch—a far more delicate piece of machinery, to just this treatment.

Don't you think it would pay you to have it cleaned and oiled up once a year.
