The square will make a very desirable pleasure ground when fixed up, and now that a start has been made, it is hoped that a good and complete job will be made of it.

#### District Notes.

Ernest Riley, of Beaverton, was last week fined \$5 and costs for killing bass out of season.

At Woodville, on Thursday evening, the 28th ult., James Holmwood, an Englishman, engaged as a farm hand, was killed by lightning, which struck and shattered a pitchfork he was holding, and melted a gold watch in his pocket. Colin Graham, his employer, 20 feet away, was stunned. Holmwood was 22 years of age, and belonged to the 45th regiment. Last winter he completed a course in Stanley Barracks.

On Friday, May 29, while little Evelyn Bowyer, of Norland, was playing at the bottom of a hill just below Mr. Wm. Emery's house, she accidentally got hanged in the swing which was put there for the use of Mr. Emery's children. The rope was twisted around the child's neck. Mrs. Emery, on going to the hill to see that the child was all right, saw her hanging in the swing apparently lifeless. About an hour after the child was taken from the swing and some of the neighbors had worked over her, she began to show signs of life. The doctor was phoned for and came at once, and the child is all right again.—*Watchman-Warder Corr.*

#### NEWSPAPER LAW.

1. A post-master is required to give notice by letter (returning the paper does not answer the law) when a subscriber does not take his paper out of the office, and state the reasons for its not being taken. Any neglect to do so makes the postmaster responsible to the publisher for payment.
2. If any person orders his paper discontinued he must pay all arrearages, or the publisher may continue to send it until payment is made, and collect the whole amount whether the paper is taken from the office or not. There can be no legal discontinuance until the payment is made.
3. Any person who takes a paper from the post office, whether directed to his name or not, is responsible for the pay subscribed or not, is responsible for the pay.
4. If a subscriber orders his paper to be stopped at a certain time and the publisher continues to send it, the subscriber is bound to pay for it if he takes it from the post-office. This proceeds upon the ground that a man must pay for what he uses.
5. The courts have decided that refusing to take newspapers and periodicals from the post-office, or removing and leaving them uncalled for, is prima facie evidence of intentional fraud.
