Miss Etta Hall has returned to her home at Gore Bay, after spending some time with her friend, Miss Adelaide Richman.

Our little burgh was awakened from its peaceful slumbers on Tuesday night by fire, which had caught in the lime kilns owned by Mr. R. C. Callan.

The fire had gained considerable headway before help arrived, and it was with difficulty the blaze was got under control.

The fire started from sparks that had alighted in the dry wood. It broke out about midnight, and it was about three o'clock before it was safe to leave it. About \$400 would cover the damage.
