"call" anyone who thinks different-
ly from Mr. Dickson on these subjects
should read his article in the August
"Rod and Gun."

COMING, ALL RIGHT.—A month ago the
Gazette informed its readers that there
was a likelihood of Mr. Jesso Perrin,
the well known boat builder of Lindsay,
relocating to Fenelon Falls. One of our
Lindsay contemporaries at that time
thought that we were a little previous
with our news, but another of them, the
Free Press, gave the rumor confirmation
last week in the following item: "It has
been learned on good authority that the
popular boat builder, Mr. Jesso Perrin,
has sold out his factory and machinery
here and will move to Fenelon Falls in
the autumn. He has been in business in
Lindsay for many years, and will be
greatly missed by the residents of the
town. Mr. Perrin feels that he can con-
duct a better business at the Falls and
will have a larger number of craft for
hire as well as for sale. In Lindsay
he has been unable to carry on his busi-
ness advantageously, and was forced to
give up renting last year." Mr. Perrin
brought up a launch and about a dozen
skiffs and canoes on Friday last, and has
been in town most of the time since,
making arrangements for accommodation
for his craft and his business.

Terrill Bros. Gigantic Sale has been
extended ten days to August 15th.

Farm Laborers' Excursions.
25,000 Men Wanted for Western Har-
vesting.

To meet as far as possible the unusual
demand for farm laborers in Manitoba,
Saskatchewan and Alberta, the Canadian
Pacific Railway will run special second
class excursions from all Ontario sta-
tions. Cost of one way ticket to Winni-
peg is \$10.00, and from Winnipeg to
points where laborers contract to work
they will be carried without charge.
After at least one month's work in the
harvest field, a ticket back to Ontario
starting point will be issued at \$18.
Tickets are only good on Farm Laborers'
special trains, and will be issued to
women, but no half-rate for children.
Leaving dates of excursions are as
follows:—

August 14th and September 8th, from
all stations in the territory between
Toronto-North Bay line and Toronto-
Sarnia line.

August 19th and Sept. 9th, from all
stations on Toronto-Sarnia line and
south thereof (in Canada).

August 22nd and Sept. 11, from all
stations east of Toronto-North Bay line,
to and including Kingston.

For the three excursions in August
special trains will be run from all points
on the C. P. R. If you are in any doubt
as to date of excursion from your dis-
trict apply to local C. P. R. agent, who
will also furnish times of special trains,
or write to C. B. Foster, District Passen-
ger Agent, C. P. R., Toronto.

Use Your Watch Right

What would you think of an
engineer who ran his engine
two or three years, night and
day, without cleaning or oil-
ing?

What would you give him
for his machine after a few
years of such use.

And yet you subject your
watch—a far more delicate
piece of machinery, to just this
treatment.

Don't you think it would
pay you to have it cleaned and
oiled up once a year.
