### ADDRESS TO THE ELECTORS.

To the free and independent Electors of  
the Riding of Victoria and Haliburton:  
Gentlemen:—

In accepting the nomination as  
candidate in the interests of the Reform  
Government, I have no apology to offer,  
inasmuch as I have never sought the po-  
sition, although I have been previously  
interviewed in regard to it on more than  
one occasion.

I have lived in the riding—in the vil-  
lage of Fenelon Falls—for 30 years, and  
have during that time not been asleep  
as to the various conditions of things, of  
the chief actors, and of the role taken  
by them in the political drama enacted  
on the stage of our fair Dominion.

If elected as your representative to  
the House of Commons on the 26th day  
of October, I pledge myself to ever stand  
by the principles of the confederation of  
the provinces—each controlling her own  
local affairs of government, and all united  
in one great Dominion of Canada as a  
part of the British Empire.

I promise to support any measure that  
I may consider to be for the benefit of  
the people—of the Dominion generally—  
or of this riding particularly.

I favor the policy of the present Gov-  
ernment—first in the British preference,  
and the closer relations of Canada with  
the British Empire, as well as their  
methods of extension of trade and the  
reduction of the tariff with foreign na-  
tions, wherever that tariff may benefit

the Canadian consumer.

I endorse the policy of the Govern-  
ment in the opening up of the western  
and the great north-western provinces  
by the construction of the transconti-  
ental railway, the Grand Trunk Pacific,  
and their emigration policy in connec-  
tion therewith.

I admire the foresight and business  
ability of the Government, the Depart-  
ment of Public Works, by the improve-  
ment of our harbors, the deepening of  
the canals, in the deepening of the St.  
Lawrence river, permitting the largest  
vessels to load and unload at Montreal,  
and diverting nearly all of the western  
grain trade through Canada to the mar-  
kets beyond the Atlantic.

In the Post-Office Department I delight  
to draw your attention to the great ben-  
efit it has been to the people of Canada  
by the reduction from 3 cents per letter  
to 2 cents, that has been no doubt grate-  
fully appreciated by every citizen of our  
Dominion. They have not only reduced  
the cost of postage, but are now prepar-  
ing to put in operation in some thickly  
populated parts the rural mail delivery,  
which within a few years will have be-  
come systematically established all over  
Canada.

In the Department of Agriculture I ad-  
mire the action of the Government in  
opening up avenues of trade with Britain  
and foreign countries, in providing cold  
storage in warehouses and steamships  
for the preservation of those perishable  
exports, butter, cheese, eggs, fruit and  
fowl—dressed and undressed.

In the Militia Department I am satis-  
fied that the Hon. Sir Frederick Borden  
has built, is building and will build as  
good a construction as the foundation  
built by the past government will allow;  
that is, a militia of defence and protec-  
tion, carefully avoiding the danger of  
drifting into militarism, like the nations  
of Europe.

Believing that I can be of benefit to  
the people of the riding as a member of  
the House of Commons, both in the mat-  
ter of general legislation and in watch-  
ing and caring for the interests of the  
people of Victoria and Haliburton, I con-  
fidently solicit your votes and your in-  
fluence in the election now pending.

Yours obediently,

ARCHIBALD WILSON.
