Powles' Corners.

(Correspondence of the Gazette.)

It is some time since the readers of the Gazette heard from Powles' Corner, and, no doubt, some events have since occurred that are now too old for publication. One great event we have to report is the Thanksgiving Services last Sabbath, and on Monday night an entertainment was given, which consisted of vocal and instrumental music. On Sunday the Rev. Mr. Leitch, of Port Perry, preached two excellent sermons, and gave an address on Monday night. The Rev. W. J. M. Cragg and the Rev. C. S. Lord, of Fenelon Falls, also gave addresses, which were much appreciated. Master Willie Powles read and recited, and was heartily applauded, and Miss Myrtle Powles and Miss E. Worsley favored the audience with two solos. The admission fee of 10 and 15 cents on Monday night and the collections and offerings amounted to nearly \$97. The officers and congregation of the church were highly favored with fine weather.
The trustees of the church here are intending to build an addition to the shed, as the old one is not nearly large enough, and Mr. James Fell has kindly offered a site for another. Our beloved pastor, Rev. W. J. M. Cragg, draws such large congregations that more room for vehicles is absolutely necessary.
There are only two more issues of the Gazette before election day. Do not forget to give Dr. Wilson a birthday present of a majority of 200 on the 26th inst. He is the man to elect, and will be a credit to Victoria and Haliburton. He is a gentleman, and, if elected, will serve the free and independent electors wisely and well. He is a man to cheer for on the evening of the 26th.

Special Prizes For Victoria Farmers.

The following special prizes will be awarded to Victoria farmers at the Ontario Provincial Fair at Guelph, on December 7th, 8th, 9th, 10th and 11th, 1908.
The annual "Fat Stock Show" at Guelph is unique among fairs in the many educational features which it offers. In the judging ring, the judges give reasons for their placings, and answer all questions from exhibitors and onlookers. Prominent specialists in all lines of agriculture are present to deliver addresses during the several days of the fair. The exhibit of beef cattle, dairy cattle, sheep, swine, poultry and seed grain is in itself a great inspiration and silent educator—save for poultry.
In order to induce more of our farmers to become exhibitors, the Executive of the Fair this year appealed to a number of the county councils to offer special prizes to amateur exhibitors of beef cattle. The Victoria county council offers to amateur exhibitors of beef cattle, residents of the county of Victoria, the following prizes for the best beef animal, any age, any breed, grade or cross of any breed, age to be considered along with quality in awarding prizes: 1st, \$20; 2nd, \$15; 3rd, \$10. Animals competing for these prizes will also be eligible for competition for other prizes of the Fair. The freight rates for the Fair are regular tariff rates to Guelph, and return free.
An amateur is defined as follows: Animals to be eligible to compete in the amateur classes in the beef cattle department, must be owned and have been fed by someone who has never won a first prize, or who was not a member of a firm at the time of the firm winning a first prize at exhibitions held at Toronto, London, Ottawa, or the provincial Winter Fair at Guelph; or, if exhibited by a firm, no member of the firm shall have won a first prize, or have been a member of a firm at the time of the firm winning a first prize on beef cattle at exhibitions at Toronto, London, Ottawa, or the Provincial Winter Fair at Guelph. Any person who has lived with or has been employed for a term of one year by any of the persons disqualified above, will not be entitled to compete unless he has been living independently for at least two years. A statutory declaration will be required from each exhibitor competing for amateur prizes, that he is entitled to compete under the above regulations.
The above prizes are offered as a special inducement to bring out new exhibitors for the Fat Stock Show. With this strong inducement, some of the amateur feeders of beef cattle in Victoria county should this year be prize winners at the Provincial Winter Fair.
For prize lists and any further information, address A. P. Westervelt, Toronto, or F. H. Reed, Lindsay.
