Majority for Hughes, 1038.
Total vote polled, 7582.

Fenelon Council.

Council met pursuant to adjournment, all its members present, minutes of last meeting read and approved.

A letter was received from J. Hay stating that he had procured 128 loads of gravel from the lake for his concession, and asked council to pay him 30c. a load or \$38.40 for the work.

The Collector, Mr. T. H. Smitheram, was present, and signed his declaration of office, also his bond, and received the roll from the clerk. The clerk was instructed to ask those erecting wire fences this season to send in the number of rods built.

The following motions received the assent of the council:

Tolmie-Cragg.—That the clerk write to the clerk of Eldon, asking pay for half the cost of culvert built by R. Hargrave on the Victoria Road, \$2.60; and half cost of extra work by Wm. Marsh on boundary, \$2.50; total, \$5.

Cragg-Palmer.—That D. Sinclair's bill of \$420.35, for rebuilding Shire's bridge, be paid.

Tolmie-Moynes.—That the clerk write to Mr. Hay for particulars of the work of gravelling done by him.

Palmer-Cragg.—That the following bills be paid: N. Parrington, 83 loads of gravel, \$4.15; John Jackson, extra work on road, \$2.50; E. D. Hand, advertising re voters' list, \$2; C. D. Barr, registering by-law and deed of Cooper's road, \$4.50; W. Pethie, 47 loads gravel, \$2.35; John Eade, 15 loads of gravel, 75c.; W. H. James, culvert and gravel for his beat, \$11.40; Peter Hewie, work on culvert on his beat, \$1; W. H. Cullis, for cedar for above culvert, \$2; W. Parrington, building bridge on his beat, \$14; Thos. Shire, 151 loads of gravel, \$7.55; W. B. Feir; use of Orange hall for meeting, \$2; M. Wood, bolts for bridges, \$2; J. T. Palmer, trip to Rosedale, \$1; H. F. Cragg, inspecting roads and bridge, \$2; T. Parkin, inspecting bridge, \$1.

Moynes-Tolmie.—That this council adjourn to meet at Cameron on Nov. 12th.

Personals.

Mr. Archie McKendry, of Cobourg, is visiting his parents at the Falls.

Mr. A. J. Campbell, of Lindsay, was at the Falls last Friday on business.

Miss Mabel Nevison, of Iona, Michigan, is visiting at Mr. Jas. H. Thurston's, in Fenelon.

Messrs. John D. Smith, of Port Hope, and G. H. G. MeVity, of Toronto, were at the Falls last week.

Mrs. Wm. Heard will receive for the first time on November 9th, from 4 to 6, at her residence on Louisa street.

Mrs. F. A. McDiarmid and Mrs. R. J. Moore, of Lindsay, attended the fowl snapper at the Methodist church here on Monday evening.

The Rev. C. S. Lord, B. D., is spending this week in Queen's University, Kingston, taking post-graduate work. He will return on Saturday.

The Rev. W. J. M. Cragg was in Cobourg on Wednesday evening assisting in the programme in connection with the fowl snapper given by the choir of the Methodist church of that village.

Mr. A. A. Cameron, principal of our public schools, left on Monday morning for Whitby, having received word that his mother had died on Sunday afternoon. Mr. Cameron has the sympathy of his many friends at the Falls in his bereavement.

DRESSMAKING.—Mrs. Calder has resumed dressmaking at her rooms over the Public Library.

ST. ANDREW'S CHURCH.—There will be a special thanksgiving service in St. Andrew's church next Sabbath. Special music will be provided by the choir.

THANKSGIVING DAY.—Monday next, the 9th inst., will be thanksgiving day, and consequently a public holiday. Intending shoppers will kindly make a note of it.

ST. JAMES' CHURCH.—Instead of holding service on Thanksgiving Day, as has been customary in the past, special thanksgiving services will be held in St. James' church on Sunday, Nov. 8th.

STABLE BURNED.—A small stable on the rear of a lot on Bond street west was completely destroyed by fire on Sunday afternoon about 2.30 o'clock. The cause of the fire is unknown. The building was used by Mr. William Martin as a home for his cow, and contained a quantity of hay.

GETTING READY.—The management of the skating rink are preparing for the approaching winter. They had three or four men employed for a few days lately straightening up a few of the side posts of the frame of the building which had been spreading at the bottom during the past year or two.

WON A PRIZE.—In the Mail and Empire a few days ago there appeared a figure of a woman composed of dots, and a prize was offered for anyone who could give the correct number of dots. On Monday, Mrs. Wm. Burgoyne, who counted the dots, received a cheque for \$25, she being one of the correct counters.

AUCTION SALE.—On Friday, Nov. 20th, Mr. Thos. Hewie, of lot 14, com 6; Fenelon, will hold an auction sale of a very attractive list of farm stock and implements, which should be attended by all farmers in need of anything in that line. The sale will commence at one o'clock sharp, and will be conducted by Mr. Thos. Cashore, auctioneer.

MORE HUNTERS.—Quite a number of men from the Falls and vicinity left at the end of last week for the woods to hunt deer. Among the number were Messrs. A. Tiers, Martin Haskill, E. C. Edwards, Ed. Beteau and Geo. Calder, of the Falls, Messrs. Wm. Smith, R. Brooks, and Chas. Sackett, of Fenelon, and Mr. W. S. Goodhand, of Baddow.

CORRECTION.—Our correspondent at Powles' Corner last week sent an item stating that the post-master at that place had grown fifty bushels of onions from six ounces of seed, but the item as it appeared in the Gazette read fifty bushels turnips. Our correspondent will probably come to the conclusion that our compositors are all pumpkin heads if any more mistakes of this kind occur.

A GOOD SUPPER.—The fowl supper served in the basement of the Methodist church on Monday evening was very numerous attended, well served, excellently managed and in every way highly successful. The subsequent meeting in the church was very enjoyable, the music by the choir and the address by the Rev. J. P. Wilson being all that could be desired. The proceeds amounted to about \$140.

ST. ANDREW'S GUILD.—On Tuesday evening of last week the young people of St. Andrew's church met in the basement of the church and organized a society to be known as "St. Andrew's Guild," from which it is expected much benefit and entertainment will be derived by the members during the coming winter. The officers of the organization are as follows: Hon. President, Rev. C. S. Lord; Pres., A. Sutherland; Vice Pres., Miss E. Robson; Sec., Miss F. C. Brandon; Treas., F. W. Warren.

FENCE BURNED.—The final act of the celebrated "fence" case which has aroused so much interest in Fenelon township lately, and in which Mr. Chas. Everson, of that township, was the successful defendant, took place on Friday, the 23rd ult. On the morning of that day Mr. Everson discovered that the fence, which was built of rails, had been set on fire during the previous night, and was completely destroyed. Mr. Everson is justly incensed at this act of incendiarism, and is offering a reward of \$20 for the apprehension of the perpetrators.

LOCAL OPTION.—Considerable agitation has taken place lately in the direction of having a local option by-law submitted to the ratifiers of Fenelon Falls this year. A meeting was held in the Baptist church at which it was decided to circulate the necessary petition to have the by-law submitted. A further meeting was held in the basement of the Presbyterian church on Friday evening last, when those who had charge of the matter reported the outlook very satisfactory. The time for effective work between now and the end of the year was considered rather too short, however, considering the great handicap of three-fifths majority vote required to carry the by-law. In view of this, and of the proposition made by the local hotel keepers that they would, if given an opportunity for another year, endeavor earnestly to remove, as far as possible, the most objectionable features of the traffic in the village, it was decided by the meeting to let the matter stand over until next year. The hotelmen thus have a chance to make good, if such be possible, and the temperance workers have ample time ahead of them for complete organization and to carry the local option by-law next year if necessary. The decision arrived at is very fair to all concerned.

CORRESPONDENCE.

Rosedale Silver Mine.

A MONUMENT OF PUBLIC IDIOCY.

To the Editor of the Fenelon Falls Gazette:

Sir,—

As an example of idiotic action on the part of the council of Fenelon township, this, the latest, stands pre-eminent. A few months ago this benevolent body passed a by-law granting certain parties mining rights on a part of the 8th concession line, the said parties not having any stake in the community. This by-law was granted at a private meeting of the council, held, I understand, at their own expense, and at which those opposing it had no opportunity, or not sufficient notice, to be present. It was also granted against the expressed will of nearly all those in the immediate neighborhood, and whose property would be most affected thereby.

The site of the alleged "mine" is bordered on each side by private dwellings. Nevertheless this wise and august body,

headed by the prince of all wise men, granted the right to damage and destroy the property of, and otherwise inconvenience the ratepayers of the district, for the munificent sum of \$1 per year (that is to say, that is the township gets out of it) and the very remote chance of ten per cent. royalty. Last week two "miners" began operations, but got so disgusted with the ridicule and other remarks that they threw up the job in disgust. This week two "new miners" commenced operations, and they brought things to a climax by putting in a shot which hoisted a stone about 75 pounds in weight clear through the roof of the writer's home, and about six feet away from where his wife was standing.

Now, Mr. Editor, I claim that the council is primarily responsible for this in giving and allowing the public road to be used for this purpose. It has been frequently remarked that the council, as well as some of the promoters, should be examined for insanity, and put away. Personally I think it would be a good thing, as far as the council is concerned, to put them all in the "mine" and cover them up. It would certainly be a gain to the community as far as their public value is concerned.

How long is the community going to stand for this sort of thing? This wise and august body has allowed every road leading to the river on the north side of the bridge to be fenced in by private parties, and are now giving away the only other available road to the water. In this connection I would like to ask a few leading questions of Mr. Taylor Parkin, as representing the council:

1. What are you personally getting out of this in the event of the company striking mineral?
2. Why was the meeting at which this by-law was passed held in the secret fashion it was, and without due notice being given to the opposers of the by-law?
3. Why were not the proceedings of this meeting given to the press for publication, as is usually done?
4. Why were not notice, agreement and by-law published in the press?
5. If you have no personal interest in the undertaking, why did you go to so much trouble to help the promoter, at the loss of your time and, possibly, some of the township money?
6. Who paid for drawing up the plan?
7. What is the amount of legal expenses the township has been put to during your terms of office?

F. J. GOODMAN.

MARRIED.

CORSTON-McDIARMID.—At the Baptist church, Fenelon Falls, by the Rev. James Fraser, on Wednesday, the 4th Nov., 1908, Dr. James Robert Corston, of Halifax, to Frances Baldwin McDiarmid, of Fenelon Falls.
