

## NEWS OF THE NEIGHBORHOOD.

### Baddow.

(Correspondence of the Gazette.)

Mrs. Herbert Barber, of Beaverton, is spending a week with relatives here. Miss A. Cochrane, of Fenelon Falls, is visiting her sister, Mrs. John Wilson, Jr. Mr. Joseph Heard, of Newcastle, is the guest of Mr. H. Watson during the hunting season.

Miss Zillah Suggitt entertained a few of her friends on Halloween.

Mr. H. Wilson, Mr. J. Burness, Miss O. Townsend and Miss Z. Suggitt attended the fowl supper at Fenelon Falls on Monday evening.

Mrs. G. Perryman, of Glendown, spent Tuesday with friends in Baddow.

### Norland.

(Correspondence of the Gazette.)

Miss Winnie Lunney, of Lindsay, is the guest of her friend, Miss Nellie Allety, for a week or two.

Mr. Jack Bowins, of Pontypool, is visiting his aunt, Mrs. Wellington Wilson, for a couple of weeks.

Miss Maggie Wallace, of Haliburton, is visiting her aunt, Mrs. Owen Wessells. Mr. Hugh McIntyre, of Fenelon Falls, paid Norland friends a flying visit on Sunday last.

Miss Pearl LeCraw entertained a number of her lady friends last Saturday afternoon.

Mr. and Mrs. Robt. Delaney and baby girl, of Toronto, are visiting friends in our little village.

A number of our young men have gone back to the rocks for the hunting season. We wish the boys luck.

### Rosedale.

(Correspondence of the Gazette.)

Messrs. Wm. Smith and R. Brooks, of this place, left on Saturday to enjoy two weeks' hunt, and we wish them every success.

The little herrings have made their appearance this week, and a great many fishermen are trying their hands at the nets.

Mr. R. McDonald, of Toronto, spent a few days in Rosedale last week on business.

Mr. A. J. Grant, of Peterborough, Superintendent Engineer of the T. V. C., was in our burgh on Friday last, looking over the work being done here.

Mr. Archie McKendry, of Cobourg, but at present the guest of his parents at Fenelon Falls, wheeled up to Rosedale on Tuesday last, and spent a few hours renewing old acquaintances.

Rev. Mr. French and family, of Fenelon Falls, spent a few hours looking over the works here on Tuesday.

### Haliburton.

(Correspondence of the Gazette.)

Deer hunting, this beautiful weather, seems to be the sport of the times, and hunters are here from different parts of the province. Among the late arrivals I notice Mr. Franklin Austin, of Hamilton, and Mr. F. Dover, of Peterborough. Many hunters with dogs, guns and camping outfits necessary for their work have gone north, and many others are going.

Mr. Walter Austin has completed his contract on the river near the village. He has certainly made a good job of it, considering the limited amount of money allowed for the work.

Building operations have not been so brisk during the past summer as was anticipated earlier in the season. This, perhaps, was partly due to the very high price of building materials and the cost of labor. Notwithstanding these facts, Mr. Wm. Clark has erected a fine residence on his lot in the northern part of the village, which is a great improvement to the street.

Messrs. Spear & Hadley have a number of men engaged in chopping wood on their limit near the village. The liberal price the firm pays per cord makes it an easy matter for them to obtain all the help they require.

Mr. Udy, who spent the summer here, has returned to his home at Fenelon Falls, and will be greatly missed by his many friends here.

### District Notes.

Fishery Inspector Watt, of Peterborough, saved the life of a small boy who fell into the Otonabee from the C. P. R. bridge on Saturday.

The main shaft in Flavelle's mill at Lindsay snapped in two last Thursday evening. The break was repaired in about 24 hours by machinists from the Madison Williams foundry. The shaft is about 4 1/2 inches in diameter.

The Cavendish Lumber Company are busy, and expect to bring out of the woods between seven and eight million feet of logs. They have two camps, besides two jobbers, busy cutting in Cavendish and Anstruther.

The Peterboro Lumber Co. have three camps cutting this season, under the supervision of Mr. A. Simpson. The foremen of the camps are E. Windover, E. P. Cresswell and N. Windover. They expect to bring out three million feet.

The evaporating plant of the Whitty Fruit and Vinegar Company was badly damaged by fire on Tuesday night of last week. The entire upper part of the building was destroyed. Loss about \$2,000, with no insurance.

Samuel W. Cawker, a Whitty butcher, committed suicide by hanging at his home on Thursday, Oct. 22nd. He had been drinking heavily for some time.

The total amount of cheese sold on the Peterborough cheese board during the past year was 2,602,640 pounds.

Jacob Eaton, of Windermere, was killed by the accidental discharge of his gun while driving home on Saturday.

John Butler, the oldest voter in Ontario, who lives with his daughter, Mrs. John Collins, on Durham street, at the head of Victoria-ave., again registered his vote yesterday. Mr. Butler is well over a hundred years old, and it is estimated that his age reaches the amazing number of one hundred and six years. This remarkable man has lived in Lindsay for upward of forty-five years, and has many interesting reminiscences to relate of the early history of the town. At present he is in fair health, and his vitality is marvelous.—Lindsay Warder.

**Prominent Canadian Breeder.**  
Country Gentleman gives the portrait of the president of one of the most important cattle breeders' societies on this continent, R. R. Ness, and says: "He has the largest Ayrshire herd in the Dominion, has won more prizes than any other Canadian breeder and has imported nearly 200 head during

R. R. NESS.  
[President of Canadian Ayrshire Breeders' Society.]

the past four years. He is also a good farmer, as he lately won the gold medal for having the best worked farm in twenty-two counties in Quebec."

The exchange quoted also notes that the regulations for the Ayrshire home dairy test for 1908 are printed and may be had on application to the secretary, Charles M. Winslow, Brandon, Vt.

### Unappreciated Feeds.

According to Messrs. Marshall and Burns of Texas, Kaffir corn and milo maize are not properly appreciated in the feed trade.
