

# COLD BROUGHT ON KIDNEY DISEASE

BRANTFORD LADY SUFFERED TILL CURED BY DODD'S KIDNEY PILLS.

Mrs. A. H. Thomson had Heart Disease, Lumbago and Rheumatism, and Tells How She was Restored to Health.

Brantford, Ont., Oct. 12 (Special)—How Colds, La Grippe and other minor ills settle on the Kidneys and develop Rheumatism, Heart Disease, Bright's Disease and other terribly dangerous ailments; and how any and all of them are cured by Dodd's Kidney Pills is fully shown in the case of Mrs. A. H. Thomson, whose home is at 48 Albion Street, this city.

Mrs. Thomson was, some years ago, taken with Cold and La Grippe and Straining, which affected her Kidneys, and the result was Backache, Lumbago, Rheumatism and Heart Disease, which caused both her and her friends grave anxiety.

She had suffered some years when she heard of cures effected by Dodd's Kidney Pills, and bought a box, which she used with such splendid results that she continued to take them till she was cured. Since then she has used Dodd's Kidney Pills in her own family and recommended them widely to her friends, all of whom have warm words of praise for the Standard Canadian remedy, Dodd's Kidney Pills.

Heart Disease, Rheumatism, Lumbago and Bright's Disease are all Kidney Diseases or are caused by diseased Kidneys. You can't have any of them if you keep your Kidneys sound. Sound Kidneys strain all the impurities out of the blood.

## WHY THE NEIGHBORS SMILE.

Little Willie was a perfect "dear"; at least, so thought his mother till recently. She missed the youngster one day for some time, and when he reappeared she asked:

"Where have you been, my pet?" "Playing postman," replied the pet. "I gave a letter to all the houses in our road. Real letters, too."

"Where on earth did you get them?" questioned his mother, in amusement.

"They were those old ones in your wardrobe drawer, tied with ribbon," was the innocent reply.

Willie now wants to know what he was spanked for.

## SCORED OFF TOMMY.

A young Irish lad on a market day in an Irish town was minding an ass attached to a cart awaiting the exit of his parent from a business establishment.

His arm was thrown around the neck of the animal when two recruiting sergeants passed by. One of them seeking to make fun of the youth, said: "What are you hugging your brother so tightly for?" "Cause," was the ready rejoinder, "I was afraid he'd 'list."

**A Successful Medicine.**—Everyone wishes to be successful in any undertaking in which he may engage. It is therefore, extremely gratifying to the proprietors of Parmelee's Vegetable Pills to know that their efforts to compound a medicine which would prove a blessing to mankind have been successful beyond their expectations. The endorsement of these Pills by the public is a guarantee that a pill has been produced which will fulfil everything claimed for it.

Fifty police visited Kilbarry district and arrested in their beds twelve young men on a charge of intimidating and preventing Captain Barton, of the Connaught Rangers, and a party from shooting over the preserves of the Frederick estate.

When a young man goes around looking as though he hadn't a friend on earth it is either a case of love or indigestion.

## RAILWAY TO SACRED CITY.

Where Mahomet's Tomb is Now Lighted with Electricity.

The Hedjaz Railway is a remarkable undertaking. Not only does it link Damascus with Medina, the city that in the eyes of Mahomedans is second only in sanctity to Mecca itself, but it has been regarded from its inception as a sacred work, says the London Illustrated News.

It is perhaps the only Turkish enterprise in which bribery and corruption have not had place, for those concerned in it, from the highest to the lowest, dared give nothing but their best to an enterprise so closely associated with their religion. The line, moreover, was built with the money subscribed by Mahomedans the world over.

It is likely that the line will be continued to Mecca, and in his speech at the inauguration Mukhtar Bey promised that he would use every endeavor to secure the end. The actual opening ceremony was performed by the Grand Mufti of Damascus, and some interesting speeches followed.

In the course of his remarks Ali Kamil said: "We are to-day celebrating three great events—the pilgrimage to Medina, the opening of the sacred railway, and the first constitutional anniversary of the Khalif of Islam. The Prophet did not permit the railway to reach the Holy City before the Khalif had granted a constitution to his people."

It was after the line had been inaugurated that the special mission visited the electric plant which has been installed to supply electric light to the mosque that contains the tomb of the Prophet. Later in the day the events of the hour were celebrated still further in that most modern method, by the letting off of fireworks and by illumination.

Medina, like Mecca, is forbidden to all but Mahomedans, but the barrier has been broken on two or three occasions. The railway is by no means the only modern thing that has reached the sacred city. Electricity too has come to it, as already noted. In the mosque in which the tomb of Mahomet has its place the lights are hidden in many strange shades, including some of ostrich eggs and others of Venetian and Bohemian glass.

## KEEP BABY WELL.

No matter whether baby is sick or well Baby's Own Tablets should always be kept in the house. They not only cure the minor disorders of childhood, but prevent them and should be given whenever the little ones show the slightest signs of illness. Children take the Tablets as readily as candy, and they are absolutely safe. Mrs. Geo. Howell, Sandy Beach, Que., says: "My baby was greatly troubled with colic and cried night and day, but after giving him Baby's Own Tablets the trouble disappeared. I advise all mothers to use this medicine." Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Cumso—"The doctor says I must take plenty of exercise. I don't know whether to try Indian clubs or dumb-bells." Mrs. Cumso—"I wish you would come out with me, and wheel the perambulator a little way." Cumso—"Um; no, Maria. I don't want to overdo the thing at first, you know."

"I am proud to say that my grandfather made his mark in the world," observed the conceited youth. "Well, I suppose he wasn't the only man in those days who couldn't write his name," replied his bored companion.

The native purity and delicious flavor of "Salada" Tea are preserved by the use of sealed lead packets. Never sold in bulk. It is richer, more fragrant and stronger than other teas.

## SHE KNEW.

"Have you any letters for me?" inquired old Mrs. Brown, bustling breathlessly into the village post-office.

"No letters," replied the post-master.

"Dearie me!" said Mrs. Brown. "I was expecting a letter or a post-card from my daughter Martha to say when she was coming."

"Well, I'll see," said the post-master.

Then he called to his wife in the kitchen, "Here's Mrs. Brown wanting to know if there's a postcard from her daughter Martha telling her when Martha's coming."

"Yes, there is," replied the post-master's wife. "Martha is coming next Tuesday."

The smallest screws are those made in watch factories. An ordinary thimble would hold 100,000 of them.

## Magistrate and School Commissioner Healed by Zam-Buk.

Zam-Buk by its healing power has earned the praise of men and women in the highest stations of life. One of the latest prominent gentlemen to speak highly in Zam-Buk's favor is Mr. C. E. Sanford, of Weston, King's Co., N.S. Mr. Weston is a Justice of the Peace for the county, and a member of the Board of School Commissioners. He is also deacon of the Baptist Church in Berwick. Indeed, throughout the county it would be difficult to find a man more widely known and more highly respected. He says: "I had a patch of eczema on my ankle, which had been there for over twenty years! Sometimes also the disease would break out on my shoulders. I had taken solution of arsenic, had applied various ointments, and tried all sorts of things to obtain a cure, but in vain. Zam-Buk, unlike all else I tried, proved highly satisfactory, and cured the ailment. I have also used Zam-Buk for itching piles, and it has cured them completely. I take comfort in helping my brother man, and if the publication of my experience of Zam-Buk will lead other sufferers to try it, I should be glad. For the cure of piles or skin diseases, I know of nothing to equal Zam-Buk."

Zam-Buk also cures burns, cuts, ulcers, blood poisoning, ringworm, scalp sores, chapped hands, cold sores, and all skin injuries and diseases. Rubbed well on to the chest in cases of cold it relieves the tightness and aching. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, for price, 3 boxes for \$1.25.

## TOUCHING.

"The touch of a friend," remarks a contemporary, "may hurt more than the cut of an enemy."

"No doubt about it. Especially if the friend forgets the amount he touches you for."

The efficacy of Bickle's Anti-Consumptive Syrup in curing coughs and colds and arresting inflammation of the lungs, can be established by hundreds of testimonials from all sorts and conditions of men. It is a standard remedy in these ailments and all affections of the throat and lungs. It is highly recommended by medicine vendors, because they know and appreciate its value as a curative. Try it.

**A Nagging Cough drives sleep and comfort away. You can conquer it with Allen's Lung Balsam, which relieves hard breathing, pain in the chest and irritation of the throat. Give it freely to the children.**

A man got into a train with a bag of fruit in his hand, and at the first station he called out to a porter: "I say, porter, do you like fruit?" Porter—"Rather!" "Then" said the man, "chew the date off my ticket."

Why go limping and whining about your corns when a 25 cent bottle of Holloway's Corn Cure will remove them? Give it a trial and you will not regret it.

Daughter—"I love him. He is the light of my life." Father—"Well—that's all right; but I object to having my house lit up by him after midnight."

**There is No Such Thing as a harmless cough. The trouble goes from bad to worse unless checked. Allen's Lung Balsam cures the worst of colds. It allays inflammation and clears the air passages.**

## ENGLAND ON THE WATER WAGON.

Charles Roberts, M. P., in his book on "The Time Limit and Local Option" brings out the fact, revealed by the Home Office returns, that of the 12,995 civil parishes in rural districts in England and Wales there are 3,903 (more than 30 per cent.) in which there is no license. In the county of Lincolnshire 45 per cent. are no license parishes.

"My dear," remarked a gentleman, opening the dining-room door, "the girl has left the vegetables on the hall table." "Don't be so stupid," exclaimed his wife "That is my new hat"

In some parts of Germany glass telephone-poles, reinforced by wire, are in use.

Miss Woody—"So Mr. Smart really said he considered me very witty—eh?" Miss Know—"Not exactly; he said he had to laugh every time he met you."

Mother Graves' Worm Exterminator is pleasant to take, sure and effectual in destroying worms. Many have tried it with best results.

## NOT HIM.

"Jimmie, your face is dirty again this morning," exclaimed the teacher, "What would you say if I came to school every day with a dirty face?"

"Huh," grunted Jimmie, "I'd be too polite to say anything."

## A REST CURE.

In giving due credit to the wonderful remedial Springs of Europe we are apt to lose sight of the value of the ones nearer home. About one thousand springs of various medicinal virtues exist in America. Of one of them Hare's System of Therapeutics (1891), page 523, thus speaks: "A number of Saline Springs exist in America and Europe, very strong water of this kind being the St. Catharines Well in Canada, which contains about 275 grains sodium chloride to the pint, as well as 135 grains calcium chloride. Its prototype in Europe is the celebrated Kreuznach Springs in Prussia, which contains about 110 grains sodium chloride (Kurbunnen)." Other references are Encyclopaedia, The Allbutts System of Medicine, etc. The Grand Trunk Railway System's trains run direct to St. Catharines and further information can be obtained from their representatives. Apply to J. D. McDonald, District Passenger Agent, Toronto.

Anxious Mother—"How is it that you have so much trouble with your housekeeping? You told me your wife could cook." Adult Son—"She can." "Then what is the matter?" "She won't."

**A Liniment for the Logger. —**Loggers lead a life which exposes them to many perils. Wounds, cuts and bruises cannot be altogether avoided in preparing timber for the drive and in river work, where wet and cold combined are of daily experience, coughs and colds and muscular pains cannot but ensue. Dr. Thomas' Electric Oil, when applied to the injured or administered to the ailing, works wonders.

Regularly prepared manuscript-sheets were circulated as newspapers in China, Rome and Venice long before the invention of printing.

**No Substitute for "The D & L" Menthol Plaster, although some unscrupulous dealers may say there is. Recommended by doctors, hospitals, clergy and everybody for pleurisy, stiffness, etc.**

Ada—"No; Priscilla will never marry unless she finds her ideal." Ida—"What sort of a man is her ideal?" Ada—"A man who will propose."

**A Carefully Prepared Pill. —**Much time and attention were expended in the experimenting with the ingredients that enter into the composition of Parmelee's Vegetable Pills before they were brought to the state in which they were first offered to the public. Whatever other pills may be, Parmelee's Vegetable Pills are the result of much expert study, and all persons suffering from dyspepsia or disordered liver and kidneys may confidently accept them as being what they are represented to be.
