

## NOT FOR MONEY SAYS MR. QUIRK

WOULD HE BE WITHOUT  
DODD'S KIDNEY PILLS.

They Cured His Lumbago of Twenty Years Standing, and Made Him Feel Twenty Years Younger.

Fortune Harbor, Nfld., Dec. 7.—(Special.—Sixty years of age but hale and hearty and with all the vigor of a young man, Mr. Richard Quirk, well known and highly respected here, gives all the credit for his good health to Dodd's Kidney Pills.

"I suffered for over twenty years from Lumbago and Kidney Disease," Mr. Quirk says, "and after consulting doctors and taking their medicines, made up my mind I was incurable. I was unable to work when I was persuaded to buy a box of Dodd's Kidney Pills. To my great and happy surprise I had not taken half a box when I experienced great relief. Seven boxes cured me. That was in 1900, and I am still cured. I would not be without Dodd's Kidney Pills for any money. I am twenty years younger than before I took them."

Dodd's Kidney Pills cure the Kidneys. Healthy Kidneys strain all the impurities out of the blood. That's why they cure Rheumatism, Sciatica and other diseases caused by the presence of uric acid in the blood.

"I pay as I go!" declared the pompous citizen. "Not while I am running these apartments," declared the landlord. "You'll pay as you move in!"

### A REMARKABLE PROPOSITION.

The manufacturers of Orange Meat (which is a high class whole wheat flaked food, every flake being rich in proteids) are rewarding their patrons with a very generous gift. The sum of seven hundred dollars in cash or a life annuity of fifty-two dollars, equal to one dollar per week, will be paid to the winner of the prize contest. Get full particulars on a private post card to be found in every package of Orange Meat.

It is easier, cheaper and generally pleasanter to get married than it is to get unmarried.

A Magic Pill.—Dyspepsia is a foe with which men are constantly grappling but cannot exterminate. Subdued, and to all appearances vanquished in one, it makes its appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrument in which even a breath of air will make a variation. With such persons disorders of the stomach ensue from the most trivial causes and cause much suffering. To these Parmelee's Vegetable Pills are recommended as mild and sure.

"As I understand it, an X-ray will go straight through a man's head. There is nothing quite so penetrating, is there?" "Oh, I don't know. Did you ever hear my daughter sing?"

Missionaries in All Lands are friends of Painkiller. Hundreds of letters testify to the fact. For accidents and sudden emergencies, such as sprains, cuts and bruises, they find it invaluable. Avoid substitutes, there is but one "Painkiller". —Ferry Davis—25c and 50c.

### READY EITHER WAY.

"So I hear you've made a lot of money on the Stock Exchange?" said the young man's uncle.

"Yes, sir."

"That shows how one may, with proper pluck and promptness, succeed if he will only take advantage of his opportunities."

"But I lost that and several thousand more to-day."

"Young man, how often have I told you that such transactions are merely gambling, and that you are bound to come to grief sooner or later if you dabble in them?"

### UNLUCKY TUESDAY.

There is a Spanish proverb that "on Tuesday one should never travel or marry," and this superstition is so ingrained that even in Madrid there are never any weddings on Tuesdays, and trains are almost empty.

Many inherit weak lungs, and as disease usually assails the weakest point, these persons are continually exposed to attacks of cold and pulmonary disturbances. The speedy use of Bickle's Anti-Consumptive Syrup will be found a preventive and a protection, strengthening the organs so that they are not so liable to derangement from exposure or abrupt atmospheric changes. Bickle's syrup is cheap and good.

"I suppose you did not see the lovely sunrise this morning?" said Mr. Earlybird to Mr. Nightowl. "Of course not," was the latter's reply, in a rebuking tone. "I was abed long before that. You should cultivate better hours, sir."

Month After Month a cold sticks, and seems to yearn holes in your throat. Are you aware that even a stubborn and long neglected cold is cured with Allen's Lung Balm?

Father—"You can't have him!" Daughter—"Oh, papa, you once said you could deny me nothing!" Father—"Well, he comes as near being 'nothing' as anything I know of."

The Demon Dyspepsia.—In olden times it was a popular belief that demons moved invisibly through the ambient air, seeking to enter into men and trouble them. At the present day the demon, dyspepsia, is at large in the same way, seeking habitation in those who by careless or unwise living invite him. And once he enters a man it is difficult to dislodge him. He that finds himself so possessed should know that a valiant friend to do battle for him with the unseen foe is Parmelee's Vegetable Pills, which are ever ready for the trial.

"I hope, driver, you will not run away with me?" "Bless yer, no, mum! I've got a wife and six kids at home already!"

"A Grave-yard Cough" is the cry of tortured lungs for mercy. Give them mercy in the form of Allen's Lung Balm, which is used with such good effect even in consumption's early stages. Never neglect a cough.

### BLIND MEN SELDOM SMOKE.

Blind men seldom smoke. Those who were inveterate smokers in their sighted days find that after losing their sight a pipe or a cigar has no attraction for them. The man who has no eyes to watch the smoke curl and drift about his head apparently has no use for a cigar. Smoking to the absolutely blind is something different from smoking in the dark. Besides, few persons smoke in total darkness. Usually there is starlight or firelight enough to enable a man to keep track of the smoke. When deprived of that fascinating pastime the cigar loses its charm, and the man who is blind resigns himself to a smokeless old age.

### 5 DOCTORS GAVE HER UP!

Ulcers and Sores Defied all Treatment.

Zam-Buk has Worked Complete Cure.

Miraculous indeed is the cure which Zam-Buk has worked in the case of Mrs. Jane Beers, of L'Original (Ont.). "I began to suffer," she says, "from ulcers and skin-sores. These broke out on my legs and different parts of my body, and spread to an alarming extent, causing me great pain. They defied all remedies I applied to try and heal them, and remained suppurating open wounds."

One medical man after another gave my case up, until I had consulted five different doctors, and they were all baffled by my case. Then I went into hospital and was there five months, and came away very little better. The sores were so extensive and I was so weakened that I had to walk with a stick and a crutch. This was my condition when first I began to use Zam-Buk. I applied it to the sores, and in a few days I thought I saw an improvement. I persevered with the balm and, to cut a long story short, the wonderful balm did what all the doctors had failed to do—healed my ulcers. I have now put away my stick and crutch, the ulcers and sores are healed, and I take this opportunity of strongly advising all who suffer from sores, ulcers, or open wounds to give Zam-Buk a proper trial."

It is by affecting such impressive cures as this that Zam-Buk has established its world-wide reputation. In every country to which it has been introduced it has become the leading family balm and embrocation. This surely is proof of exceptional merit!

Purely herbal in nature it supplies the housewife with a handy and effective cure for the hundred-and-one injuries to which she or the children or the husband are liable.

Zam-Buk is also a sure cure for eczema, ringworm, scalp-sores, cold-sores, chapped hands, sores due to blood-poisoning, piles, cuts, burns, bruises, and all skin injuries and diseases. All druggists and stores sell at 50c a box, or post free from Zam-Buk Co., Toronto, for price. Beware of cheap and harmful imitations sometimes offered as "just as good."

The Lady—"Generally speaking, women are..." The Cynic—"Yes, they are." The Lady—"Are what?" The Cynic—"Generally speaking."

It is the Farmer's Friend.—The farmer will find in Dr. Thomas' Electric Oil a potent remedy for wounds or pains in the body or for affections of the respiratory organs and for household use generally. He will also find it a convenient friend in treating injured horses, cattle, etc., or relieving them when attacked by colds, coughs or any kindred ailments to which they are subject.

"It's easy enough to make friends," said Spenders, bitterly, "but pretty hard to keep them." "Oh, I don't know," replied Lenders. "I've got a number of friends who seem perfectly willing to let me keep them."

All Women Know what is to have violent pain. Some take one thing and some another. Our advice is to place "The D & L" Mouth Plaster over the seat of the pain; it will do more to give you comfort than anything.

### THEN THE PROFESSOR GLARED

A certain professor in a medical college had a most exasperating student.

"You see, Mr. Smith," said the professor to this young man one day, "the subject of this diagram limps, because one of his legs is a trifle shorter than the other. Now, what should you do in such a case?"

"I should limp, too, I think, sir," replied the student, with an expression of perfect innocence on his stupid face.

"Come on, Bill," whispered the old burglar in disgust. "It's no use wasting time here." "Don't you think those lovers will get off the steps soon?" queried the new burglar. "No. I just heard him say that was the last kiss, they'll be an hour yet."

Hostess—"What portion of the chicken would you like, Jimmie?" Hungry Youngster—"Oh, half of it will be plenty, thank you."

### BEST PLACE, TOO.

A farmer was troubled by boys robbing his orchard, so one evening he lay in wait behind the hedge to catch them.

After waiting some time, a boy's head appeared through the hedge, the boy creeping through an opening.

"Where are you going, lad?" said the farmer, who thought he had caught the culprit.

Instantly came the reply: "Back again, mister," and the boy disappeared.

### NERVOUS PROSTRATION.

Of nervous prostration we hear much nowadays, and it is comforting to know that there are places specially equipped and located for combating this phase of modern life. On the main line of the Grand Trunk Railway System, at St. Catharines, Ontario, are located the curative Saline Springs known as the "St. Catharines Well." Connected with the Springs is "The Welland," where treatments for nervous prostration, rheumatism, etc., are given by skilled attendants in charge of a resident physician.

St. Catharines is the mildest point in Canada during the winter months. For further information and all particulars apply to J. D. McDonald, District Passenger Agent, Toronto.

### The Hospital for Sick Children

REMEMBER That Every Sick Child in Ontario Whose Parents Cannot Afford to Pay for Treatment is Treated Free.

The Hospital is not a local institution, but provincial. The sick child from any place in Ontario, who can't pay, has the same privileges as the child living in Toronto.

The Hospital had last year in its beds and cots 1,245 patients—368 of these were from 211 places outside of Toronto. Seventy-five per cent. were children of poor people who could not afford to pay.

This Charity appeals to fathers and mothers of Ontario for funds to maintain the hundreds of sick children that it nurses every year.

Since its foundation the Institution has treated 14,458 children. 10,800 of these were unable to pay and were treated free.

HAPPY WITH HER DOLL.

BE ORN. AFTER. There were 51 cases of club feet treated last year.

If you know of any child in your neighborhood who is sick, or has any deformity, send the parent's name to Secretary.

The Hospital's Cry is not for itself, but for the Children, as your Dollars go not to the Hospital but to the Children.
