RULES.

- (1) When a Rink is incomplete, the player taken on must not rank higher than the absent player. For the violation of this rule a penalty of one mark for each grade he ranks in his rink—viz., second stone two, third stone three, skip four. Under no circumstances must a skip substitute above second stone. (By way of explanation, if a vice-skip substitutes for a lead, the opposing rink counts three points.)
- (2) Schedule games shall be forfeited against the absent skip if the game is not started by 7.45.
- (3) Twelve ends shall constitute a game.
- (4) First skip at the rink shall have the choice of ice. The skips scheduled to play to have choice of ice over skips who come to play postponed or "scrub" games.
- (5) If a skip finds it impossible to play a game he must give notice to the opposing skip not later than five o'clock on the evening on which the game was to be played, when they may arrange to have the game played at some other time; otherwise the game shall count as a default as above stated, and must be counted against the defaulting skip.
- (6) If a dispute arises over a game, the matter must be referred to the Managing Committee, through the Secretary, and the Committee's decision shall be final.
- (7) As this competition is for the cup donated by Mr. J. H. Brandon, it is essential that all scores be handed to the Secretary to enable him to keep a correct record of the games. The Managing Committee therefore have had printed score cards, which will be furnished to the vice-skips; and the score, signed by both skips, must be handed to the Secretary. At the end of the season he shall declare the winner of the cup. The Secretary's count will be the only one considered at the end of the season. The skips will therefore see the necessity of handing in the score cards of every game.
- (8) The rovers, who are M. Haskell and T. Robson, and any other member joining as such, are entitled to play on any rink without penalty of any description. In case of vacancies a rover must be played if possible to get him.
- (9) A bonus of two games will be added to the score, at the end of the schedule games, of the skip who has played his own rink the most. Playing a rover will not be considered as an incomplete rink.
- (10) Rules of the Ontario Curling Association to govern all games.
By order of the Managing Committee.

CHANGE IN BUSINESS.—It is reported on good authority that Mr. F. McDougall has sold his butcher business to Mr. John Copp, of Balsam Grove.

CORRECTION.—In the list of nominations in the Gazette last week the name of Dr. Sims appeared as the seconder of his own nomination. This was a mistake of the types. Dr. Sims was seconded by Mr. Thos. Graham.

COMING.—The Animatograph Co., showing the Animatograph talking moving pictures, is billed to appear in Twomey's hall here three nights, commencing Jan. 14th. Regarding this entertainment the Lindsay Post says: "A large audience greeted the Animatograph Co. in their talking moving picture specialties last evening at the Academy. This is the first time that a company of this kind has ever visited Lindsay. The company consists of first class artists and the pictures would almost make the audience believe that they were real. The programme is changed every night."

C. O. F. ELECTION OF OFFICERS.—Following is a list of officers of Canadian Order of Foresters, Court Fenelon Falls, No. 626 for 1909: J. P. C. R. Bro. Thomas Poulson; C. R. Bro. Martin Stillman; V. V. C. R., Bro. W. B. Brandon; R. S., Bro. Harry Littleton; F. S., Bro. A. V. Northey; Treas., Bro. Foster Kelly; Chaplain, Bro. W. T. Robson; S. W., Bro. A. Quibell; J. W., Bro. G. Wilson; S. B., Bro. W. Davis; J. B., Bro. W. Chambers; Physician, H. B. Johnstone; Auditors, Bro. W. B. Brandon and Bro. W. A. Bishop; Trustees, Bro. A. G. Oliver, Bro. John Lee and Bro. F. Smitheram.

A HANDSOME GIFT.—About a year ago the staff of the North Star Roller Mill presented Mr. John H. Brandon with a fine gold headed cane as a token of the esteem in which he is deservedly held by them. This Christmas, as a further mark of their regard, Mr. Brandon was presented with an exceptionally handsome meerschaum pipe, which the Gazette had the privilege of looking at the other day. The pipe is a "dandy," and is highly appreciated by the recipient, not only for its beauty and the prospective smokes he will enjoy, but as an evidence of the kindly feelings of the mill staff, which, it is needless to say, he thoroughly reciprocates.

On Adam's Peak, in Ceylon, at about 7000 feet above the sea level, there is a large, flat stone on which is the imprint of the human foot. Mohammedans believe this to be the place that Adam first stepped, on being expelled from the Garden of Eden. In close proximity to this are the tea gardens of the world-famed Nuwara Eliya district, where "Sallada" Tea is grown.

Rev. Dr. Linscott's Suggestive Questions on the Sunday School Lesson for Jan. 3rd, 1909.

The Descent of the Holy Spirit.—Acts ii: 1-21.

Golden Text.—I will pray the Father and he shall give you another Comforter, that he may abide with you forever; even the Spirit of the truth.—John xiv: 16-17.

Recall and repeat some of the thoughts developed in last Sunday's lesson.

Verso 1.—What was the day of Pentecost? (See Ex. xxxiv: 22; Lev. xxiii: 15; Num. xxviii: 26; Deut. xvi: 10.)

Is a barren, or unprofitable, meeting possible when Christians meet "with one accord?"

Would the Holy Spirit have come on this occasion if there had been divisions among them?

Can the Holy Spirit come to any Church in which there are divisions, or into any heart that is not in "accord," or love, with everybody?

Verso 2.—Was the SOUND the Holy Spirit, or was it a great wind, which was one of the attendant circumstances of His coming?

Is there any other scriptural account of God coming, with any similar outward manifestations? (See I Kings xix: 11-12.)

Verso 3.—These cloven tongues were clearly no part of the Holy Spirit; do you think it possible that they were made by forked lightning, or some similar phenomena?

What did the sound of the wind, and the flashes of fire in the shape of tongues typify?

In these days of millions of good books and papers, is the human voice still the most potent means of testifying for Jesus?

Was it the Holy Spirit, or the tongues that "sat upon each of them?"

Verso 4.—What is your conception of the meaning of the statement that "they were all filled with the Holy Spirit," and how many spake with tongues?

Granted that it is the privilege, and duty, of all men to be filled with the Holy Spirit; does the same hold good with the gift of tongues and similar spiritual phenomena? (See I Cor. xii: 8-10; xiv: 4, 5, 13, 14.)

Verso 5.—Are there still "devout men in every nation under heaven," even where the historic Christ has not been heard of?

Verses 6-12.—Do devout men, filled with God, still make a stir in every community?

What do Christians most need to-day, in order to "amaze" and convert the world?

All must admit that an educated ministry is desirable; but which will make the most converts, a man with fair intelligence and a common school education, filled with the Holy Spirit, or an university graduate lacking such experience?

Verso 13.—What resemblance is there between a man filled with the Holy Spirit and one under the influence of strong drink?

Verses 14-21.—What is the prophecy by the prophet Joel here quoted from? (See Joel ii: 28-29.)

Should the emphasis for Christian service be put upon the natural or the supernatural equipment?

IS THE HOLY SPIRIT MEANT FOR EVERYBODY, EVEN THE MAN ON THE STREET, AND HOW MAY HE BE RECEIVED?

(This question must be answered in writing by members of the club.)

The Most Interesting Daily

The "Toronto Daily Star" is strong in special features for Women.

There are the daily Home Pages—the daily instalment of a good story—the Social and Personal columns—the illustrated daily Fashion Hints.

But the "Star's" strongest appeal to the wide-awake woman is the unusually interesting way in which it presents the news of all the world, day by day.

There is not a dry line in it—yet it is not sensational or in any way "yellow." Just good, clean, wholesome, well-written accounts of everything that is going on that's worth reading about.
