

**HONOR TRUST UPON HIM.**

**Man Elected to French Senate Without His Knowledge**

Political honor has been thrust upon M. Etienne Flandin, who represents the Department of the Yonne in the French Chamber of Deputies.

Quite ignorant of the fact that his name had been put forward as a candidate, M. Flandin finds himself elected to the French Senate as the representative for Pondicherry, one of the French possessions in India.

M. Flandin has never been to India in his life, and knows nobody there, but a few weeks ago M. Le-maire, Deputy for Pondicherry, with whom he is acquainted, put forward his name as candidate for a Senatorship without M. Flandin's knowledge or consent. M. Flandin was amazed to receive a cablegram from Pondicherry announcing his election, and saying that "indescribable enthusiasm" prevailed.

M. Flandin has decided to accept the mandate thus thrust upon him. Meanwhile the Governor of Pondicherry has been suddenly recalled and it is understood that the Government will shortly propose that Pondicherry be permanently dis-franchised.

If you are a sufferer from colds get a bottle of Bickle's Anti-Consumptive Syrup and test its qualities. It will be found that no praise bestowed on it is too high. It does all that is claimed for it, and does it thoroughly. Do not take any substitute for Bickle's Syrup, because it is the best, having stood the test of years. All the best dealers sell it.

"You are an iceberg!" exclaimed her elderly but well-preserved adorer, pale with anger and mortification. "A dozen Cupids, with a hundred arrows each, could never find a vulnerable place in your flinty heart!" "Not if they used an old beau to shoot with," coldly replied the beautiful girl.

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

Professor Blinkers—"I hope you did not find my lecture too technical, Miss Bayness?" Miss Bayness (with pride)—"Oh, no; Professor. I was able to follow it all." Professor B.—"I am glad of that, as I tried to make it intelligible to the meanest comprehension."

That Tormenting Cold that made you wretched last winter will not come back if you take Allen's Lung Balm when your throat is raw and sore. This admirable remedy is free from opium. Take it in time.

"Life is full of ups and downs," said the man who is airy and affable under all circumstances. "So I have heard." "Well, I am at present in the full enjoyment of one of the ups." "I congratulate you." "Don't. It's a case of 'hard-up.'"

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

Some schoolboys are pretty slow but manage to catch the whooping cough.

Jasper—"I often wonder why Jenkins is not more popular, for he is the most polite man I know." Clasper—"That is just the trouble. He is so wretchedly polite that he gives everyone the impression that he wants to borrow money."

"I hadn't been talking with him three minutes before he called me an ass. What sort of a person is he?" "Well, I never knew him to tell a lie."

**DO JUST WHAT IS CLAIMED FOR THEM**

**THAT'S WHAT JOSEPH MACKLIN SAYS OF DODD'S KIDNEY PILLS.**

They Cured His Neuralgia, Cramped Muscles and Heart Disease From Which He had Suffered for Two Years.

St. Paul de Metis, Alta, Feb. 8 (Special)—"Dodd's Kidney Pills have done for me all that is claimed for them." So says Joseph Macklin, a well known farmer of this district. "I was ill for over six years with Neuralgia, Cramps in my muscles, Backache and Heart Disease. I called on different doctors but got no help. I heard that Dodd's Kidney Pills were meant for just such cases as mine and bought eight boxes of them. Now I feel just like a new man. I recommend them to all as a sure cure for Rheumatism and all troubles arising from diseased Kidneys."

Thousands of farmers all over the west relate similar experiences to that given by Mr. Macklin. They find that Dodd's Kidney Pills do just what is claimed for them—cure all diseased Kidneys and all diseases arising from diseased Kidneys.

**THE IDEA.**

Blinks—"He's a pretty good boat builder, but he's very slow." Jinks—"Slow, eh?" Blinks—"Well, I should say. If he had had the job of building the Ark we wouldn't have had the flood yet."

A man may think that he is killing time, but sooner or later time puts him out of the running.

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

Lulu—"Yes, I was introduced to him yesterday, and he told me I was the prettiest woman he had ever met." Celia—"Ah, you see, I was only introduced to him this morning."

A Physician is not always at hand. Guard your self against sudden coughs and colds by keeping a bottle of Painskiller in the house. Avoid substitutes, there is but one "Painskiller"—Ferry Davis'—25c and 50c.

It may be that some men are born great, but a woman seldom acquires greatness via the matrimonial route.

Loss of Flesh, cough and pain in the chest may not mean consumption, but are bad signs. Allen's Lung Balm loosens the cough and heals inflamed air passages. Not a grain of opium in it.

**AN INSOMNIA CURE.**

An amusing story is told of the late Bishop of London, Dr. Creighton, and Lord Rosebery, says the London Globe. Lord Rosebery complained to the Bishop of want of sleep, to which the Bishop replied that he never suffered from insomnia. The Earl observed that he wished he knew the remedy. The Bishop's formula was very simple. If he felt drowsy he started to write a sermon and in a few moments he was wide awake. On the other hand if he wanted sleep all he had to do was to start to read a sermon. Then sleep came in a few seconds. Lord Rosebery, we are told, replied that it was his practice to choose the lesser evil, and he preferred want of sleep to reading sermons.

**AN AERIAL TORPEDO.**

**Patent Applied For by a German Inventor.**

A patent has been applied for at the German Patent Office for an "aerial torpedo," which is being built at Krupp works. The torpedo consists of a hollow body, containing a thin cylindrical reservoir one end of which is attached to the point of the projectile, and the other end to a thin plate screwed into the hollow body.

This reservoir is filled with liquid oxygen, and also contains an explosive charge fitted into a cylindrical tube. In the point of the torpedo a hole is bored, widening towards its front end, and a pill of platinum sponge is inserted in the hole. The platinum is ignited by the escape of hydrogen, when the point of the torpedo has pierced the covering or envelope of a balloon or airship and in its turn sets fire to the explosive charge.

All projectiles for use against balloons manufactured up to the present have simply pierced the balloon covering without exploding its gas contents. Experiments with the new torpedo are being regularly conducted.

A—"Spouter is a pretty able debator, isn't he?" B—"I should say so! Why, he can call an opponent a liar and a scoundrel in fifteen different ways without violating the rules of order."

A Sound Stomach Means a Clear Head.—The high pressure of a nervous life which business men of the present day are constrained to live make draughts upon their vitality highly detrimental to their health. It is only by the most careful treatment that they are able to keep themselves alert and active in their various callings, many of them know the value of Parnelle's Vegetable Pills in regulating the stomach and consequently keeping the head clear.

He—"What would you say, darling, if I told you that you can never be mine?" She—"I should say, pet, that I've got a nice bundle of letters that would help to make it expensive to you."

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

"I think the country is just sweet," said the town young lady. "I love to see the peasant returning to his humble cot, his sturdy figure outlined against the setting sun, his faithful collie at his side, and his plough upon his shoulder!"

Imitations Abound, but insist upon getting the genuine. "The D & L" Mouth Plaster. It has stood the test of years. It cures aches and pains quicker than any plaster.

Mr. Wise—"I'd invest that little surplus money you have on hand so that you'll have something for a rainy day, if I were you."

Mrs. Wise—"I did so to-day, I bought a new raincoat, a rainy-day skirt and a gold-handled umbrella."

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

"Binks is weak financially, isn't he?" "He hasn't much money, but he gives employment to a great many men." "Who are they?" "Other people's bill collectors."

A Soothing Oil.—To throw oil upon the troubled waters means to subdue to calmness the most boisterous sea. To apply Dr. Thomas' Electric Oil to the troubled body when it is racked with pain means speedy subjugation of the most refractory elements. It cures pain, heals bruises, takes the fire from burns, and as a general household medicine is useful in many ailments. It is worth much.

**MAGISTRATES ECZEMA CURED**

**AFTER 20 YEARS OF SUFFERING.**

**Zam-Buk's Healing Power Proved by School Commissioner and Baptist Deacon.**

ONE of the most recent converts to the Zam-Buk method of treating and curing disease is Mr. C. E. Sanford, of Weston, King's Co., N.S.

Mr. Sanford is a Justice of the Peace for the County, and a member of the Board of School Commissioners. He is also Deacon of the Baptist Church in Berwick. Indeed, throughout the County it would be difficult to find a man more widely known and more highly respected. Some time back he had occasion to test

Zam-Buk, and here is his opinion of this great balm. He says:—

"I never used anything that gave me such satisfaction as Zam-Buk. I had a patch of eczema on my ankle, which had been there for over twenty years. Sometimes, also, the disease would break out on my shoulders. I had taken solution of arsenic, had applied various ointments, and tried all sorts of things to obtain a cure, but all in vain. I was advised to give Zam-Buk a trial, and as I am a firm believer in Nature's remedies, I did so. From first applying it I saw it was altogether different to the ordinary ointments and embrocations, and it soon began to show signs of clearing away the eczema on my ankle. This was so gratifying, that I persevered for some time with it, and I am glad to say it had the desired result. I am now cured of the disease which defied every other treatment for twenty years."

"This is not the only direction in which I have proved the merits of Zam-Buk. I suffered for a long time from piles, and I found a perfect cure for this painful ailment in Zam-Buk. Zam-Buk soothes the pain, relieves the congested veins, and so restores the elasticity to the tissues that the piles gradually but surely disappear."

Zam-Buk is a positive and certain cure for cuts, burns, bruises, sprains, piles, festering sores, ulcers, scalds, blood-poisoning, eczema, scabs, chapped hands, cold cracks, chilblains, ringworm, scalp sores, bad leg, diseased ankles, and all other skin diseases and injuries. Rubbed well into the parts affected, it cures neuralgia, rheumatism, and sciatica. All druggists and stores sell at 50c. box, three for \$1.25, and post free from Zam-Buk Co., Toronto, for price. Refuse the harmful imitations sometimes represented to be "just as good."
